Welcome to AliCon 2018!

Thank you for joining us in Saddle-aide! We are Australia's newest 'My Little Pony' fan convention and are excited to have you on board!

We have some great activities planned for you this weekend, suitable for pony fans of all types. Be sure to check out our convention schedule and map, which will help you find stuff to do while at the convention. Whether it be sitting in on one of our panels in Mane Hall, checking out the amazing creations in Vendor Hall, or hanging out with friends in our Board Games room - there's something for everypony!

We've also got some amazing special guests joining us this weekend! All the way from North America, we're excited to welcome Michelle Creber, voice of Apple Bloom, and Black Gryphon [Gabriel Brown] to AliCon 2018! These two wonderful people will be taking part in panels, holding autograph and photo sessions, and will be performing at our After Dark concert.

If you ever need a helping hoof throughout the weekend, be sure to approach one of our friendly Organisers or Volunteers. These ponies are here to help if you have any questions or queries about the convention. Remember, **Organisers are wearing red lanyards** and **Volunteers are wearing yellow lanyards**.

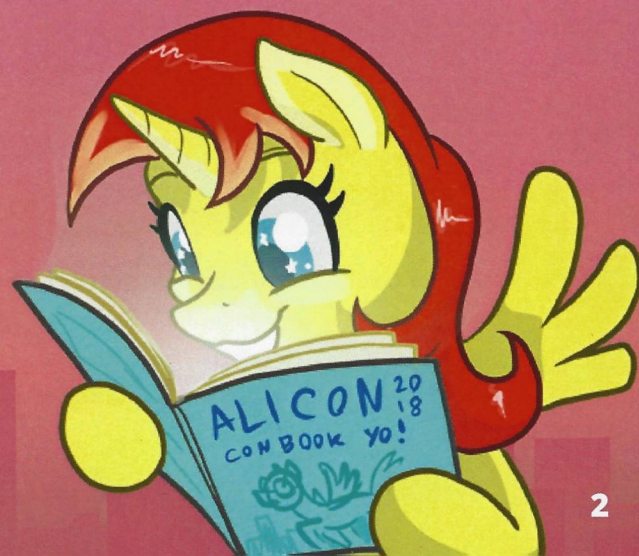

Saddle up, everypony!

It's time to get this weekend of fun started!
