Welcome to the Bay Area Brony Spectacular!

To say that BABSCon was born from the Magic of Friendship wouldn't be an exaggeration.

Once upon a time, only last May, I attended a panel on throwing your own convention. I found myself the only attendee of the panel, with three very experienced con organizers at my disposal. When I walked out of that room, I felt for the very first time that maybe...just maybe, I might be able to give the Bay Area its first My Little Pony convention.

As I shopped the idea around, I was told many things. I was told we would never be able to do it on such a tight schedule. I was told this fandom needed another con like it needed a hole in the head. But all the doubts only served to strengthen my resolve as I gathered smart, talented people around me to prove the neigh-sayers wrong.

An alliance with one of the largest, longest-running furry conventions anywhere...an all-star staff that's created and grown both local and pony cons... the right words from the right people in the right ears for the show's cast and crew to believe in us...overwhelmingly encouraging response from all of the brony media.

And so the snowball rolled and grew from a small event at which we would have felt lucky to have 750 attendees to near doubling that before we even opened the door.

So, here we are, about to embark on three days of fun, frolic, frivolity, and most of all, friendship.

BABSCon could never have happened without the friends I've made on my staff and among our honored guests. And now, I want all of you to be our friends as well.

Yours in the Magic of Friendship,

Sonya Hipper
Convention Chair,
Bay Area Brony Spectacular 2014

ATTENDEE CODE OF CONDUCT

Bay Area Brony Spectacular (BABS) serves to give as many people as possible a fun time. Most of the convention is for general audiences (young children or teens). We will mark clearly the few areas and events which may exceed a general-audience rating. At registration you may choose to sign an age statement stating that you are eighteen years of age or older. If you choose not to sign this statement, or are not eighteen years of age or older, your badge will be marked and you will be allowed admittance only to those areas or events that are for a general audience. Please be prepared to show your badge at any time you need access to convention space or events—it identifies you as a fully-paid attendee of the convention. Bay Area Brony Spectacular likes to hold itself out as a professional convention.

We also hope that each attendee enjoys the fun that our wide-ranging community can provide. Please consider how your actions reflect on the convention and how they may impact or affect others. We take pride in our appearance and we want you to as well, whilst still having fun. To this effect, if the convention becomes aware of any of our attendees engaging in illegal activities, either in convention space or in private hotel rooms, we will be forced to inform the proper authorities. Keep in mind that there are always other guests of the hotels and convention center, especially in lobby areas. Offending the hotels' other guests is inappropriate; impressing them with how much fun and enthusiasm we have for our fandom is appropriate. What you consider to be acceptable behavior may not be so for others. Consideration of others is the hallmark of a mature individual and a healthy fandom. We encourage that courtesy from all participants in our community.

Safety and security matters are generally handled by FLARE who are a group of experienced individuals used by Bay Area Brony Spectacular and other conventions. FLARE can be contacted through Convention Operations (see below) or by asking any of the convention staff. FLARE may ask you to stop an activity or to move it to a private room. Repeat offenders may even be expelled from the convention [without a refund] at the discretion of the convention organizers. We ask our attendees always to comply with FLARE's requests promptly. If you feel that FLARE has made an unfair request, or has not dealt with you in a fair manner, you may bring this up at a later time with the convention chair or vice-chair.

Costumes, Clothing, and Behavior

Use your common sense in public areas. If you have to ask or think twice about doing it in public, take it to your room. For example, kissing and holding hands, regardless of sexual orientation, are fine. Groping, tongue battles, and nudity, regardless of sexual orientation, are not. Costumes of all designs and materials are welcome, provided that they are displayed in a manner appropriate for all ages. No costume is no costume: We ask you to wear at least a shirt, shorts, and shoes in public areas of the hotel. Body painters should keep shirts handy at all times in case they need to pass through the lobby or other areas that the hotel's other guests might frequent. Additionally, if you are wearing body paint of any kind, please refrain from sitting on hotel furniture. Public exposure of genitalia, buttocks or (female) breasts is not permitted. As a rule, a minimum of a non-thong bathing suit must be worn at all times in public areas. "Anatomically correct" costumes must be likewise clothed.

Harassment and Assault

No means no. Stop means stop. Go away means go away.

Bay Area Brony Spectacular is dedicated to providing a harassment-free conference experience for everyone, regardless of gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, or religion. We do not tolerate harassment of convention attendees in any form.

Harassment includes offensive verbal comments related to gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, religion, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. Participants asked to stop any harassing behavior are expected to comply immediately.

Offenders may be expelled from the convention without a refund and the matter may be referred to the proper law enforcement authorities. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact Convention Operations through a nearby staff member or by phoning Convention Operations from any hotel phone and asking for Bay Area Brony Spectacular Convention Operations.

Buying and Selling

Bay Area Brony Spectacular has two main areas where merchandise and services are sold—the Dealer's Room and the Artist Alley. Anyone who receives payment for goods or services (such as body painting, massage, etc.) in convention space must comply with all the convention's rules regarding this. The Dealer's Room Rules apply in this situation, regardless of the location, and vendors must ensure they have proper California Sales Tax IDs. If anyone wishes to request payment for goods or services and to donate the proceeds to charity, Bay Area Brony Spectacular must be informed of this ahead of time to allow for the convention to organize the correct tax reporting. Bay Area Brony Spectacular takes very seriously its legal obligations in this area. Any solicitation for payment at the convention that does not comply with these obligations may result in the offender losing their badge without a refund and being required to return all payments.

ATTENDEE CODE OF CONDUCT

5

Parties, Alcohol, & Zero Drug Tolerance

Bay Area Brony Spectacular does not tolerate serving of alcohol to minors. If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise. Bay Area Brony Spectacular does not tolerate the use of illegal substances. The violation of the above rules could subject you to the immediate loss of your badge and convention privileges without a refund and referral of the matter to other authorities.

Water Pistols, Silly String, & Weapons

Due to the potential damage to property, water guns, silly string and the like are prohibited in public areas of the hotels or convention space. If it looks like a real gun in any way, shape, or form, it should not be brought to the convention. The State of California has recently instituted new state laws regarding replica weapons. There should be no "live" steel or whips being wielded in any area of the convention. If a bladed weapon or whip is part of your costume, please have it peace-bonded. This can be done at Convention Operations at any time. If you kill it, you have to eat it!

Photography and Video

Bay Area Brony Spectacular wants you to have great memories from a fantastic convention. Photographs and videotape footage by attendees are generally allowed in all common areas of the convention with the exception of the Art Show. Specific rules regarding these matters may exist for selected events. Please consult the program guide at the convention for information relating to specific events. Flash photography will be allowed at the Masquerade.

When photographing or videotaping individuals or costumes, please use common courtesy and ask before photographing them. Please respect their rights if they do not wish to be photographed or videotaped. If someone asks or otherwise indicates (remember many folks in costume do not speak) that they do not wish to be photographed, do not photograph them! Photography or videography for the purpose of sale or publication to the press is expressly forbidden unless written permission has been obtained from Harmonious Elements, Inc. in accordance with its press policy. Individuals may take pictures and videotapes for private viewing or sharing with friends. We ask our attendees to be courteous to those they wish to take pictures of, especially if you wish to place those pictures or video clips onto a personal Web page or similar Internet archive. In this case, please ask your subjects for their explicit permission to do this.

Attendees should be aware that footage gathered by staff members in public areas of the convention, including events and panels, may be used in a highlights tape and that attendees may appear in that tape without compensation. As mentioned above, please consult the pocket program guide for specific video, audio, and photography restrictions for specific events. Further Confusion will require a release only for footage that is obtained in areas that are not fully public (i.e., private functions and personal interviews). These rules apply to all attendees (dealers, guests, or any level of regular membership). All members of the press and staff will conform to Bay Area Brony Spectacular's press policy and we encourage attendees to become familiar with those rules as well.

If You Need Assistance

Bay Area Brony Spectacular has a Convention Operations room, which is staffed night and day throughout the convention. One of their roles is to assist you if you have any problems whilst at the convention. You can dial 0 on any hotel phone and ask for Bay Area Brony Spectacular Convention Operations; they will be happy to help you in any way they can. Remember, we cannot address a problem unless we know about it. If Convention Operations cannot assist you directly, they will have someone contact you who should be able to. For less urgent matters messages may be left with Convention Operations to be forwarded to executive staff, although it is not usually possible to pass messages on to non-executive staff.

As with all messages left with Con Ops, please remember to give details of how, when, and where the recipient can contact you. Further Confusion has a large staff to handle most aspects of the running of the convention. This allows the Chair and Vice Chair to remain available to talk about any comments or concerns that our attendees bring to them. If you see them around the corridors, feel free to speak to them—even if they appear harried, ensuring our attendees have a good time is one of their primary roles! If you need to contact the convention chair or vice-chair at any other time, you can do this by leaving a message for them at Convention Operations.

Have a Fun and Safe Con!

If you have questions or comments regarding Bay Area Brony Spectacular policies, please send email to info@babscon.com.

Peninsula Humane:

PHS/SPCA is a private, independent, non-profit, and much more than a no-kill shelter. We've rehomed 100% of the healthy dogs and cats in our care since 2003 and promise to do this going forward. We accept our community's sick, injured, abused, stray, neglected and older animals; donations to our Hope Program enable us to help and rehome approximately 200 every month. (Sadly, private shelters in many communities never give them a chance). We rehabilitate wildlife, make spay/neuter free for our low or fixed-income residents, educate children, and investigate animal cruelty. PHS/SPCA is one of the few shelters in the entire state accredited by the American Animal Hospital association and we're a gold-level GuideStar Exchange participant.

Charity Auction Item Donation Guidelines:

BABS gives back! Feel free to stop by the Bronies for Good fan table at BABSCon with you item and prepared information that we can use for proper item introduction. It will also help us keep accurate item records for proper financial accountability and accounting.

Item Guidelines:

For an item to be considered eligible for submission to the charity auction, it should adhere to the following guidelines:

1. Tasteful. Keep in mind that this is a public charity auction and that it must have a broad appeal to attract a wide variety of bidders.
2. Easily Autographed. Autographed items are valuable and value translates to more bids and more money for charity!
3. Quality and Scarcity. Although we will accept most item donations, we would prefer to have items that are well-made and unique that will bring ultimately garner higher bids.

GUESTS OF HONOR

11

BRYNNA DRUMMOND

The father/daughter team of Brian & Brynna Drummond bring tremendous talent & versatility to the cast of My Little Pony: Friendship is Magic, and having young Brynna there that can mean only one thing:

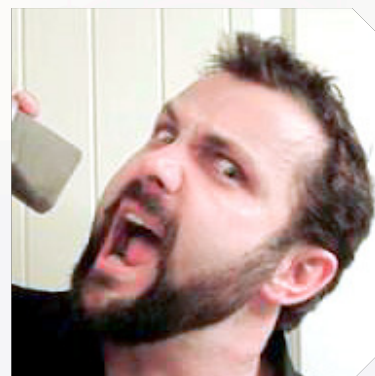

BABS, meet Babs!

Brynna voices Babs Seed on My Little Pony: Friendship is Magic, has been a working voice actress since she was freshly out of the womb, and is about to have a starring role in a super-secret animated show she can't even tell us about yet.

BRIAN DRUMMOND

Her Father, Brian, in the meantime, has voiced many of the stallions on MLP:FiM, including Mr. Cake, Dr. Hooves, Filthy Rich, Caramel, Sheriff Silverstar, and Daring Do nemesis Ahuizotl, among others.

But that's not all! In addition to being a prolific voice actor on Western shows, Brian has an anime dubbing résumé as long as your arm, but he's probably best known for his roles as Ryuk on Death Note and as Vegeta on Dragonball Z.

G.M. BERROW

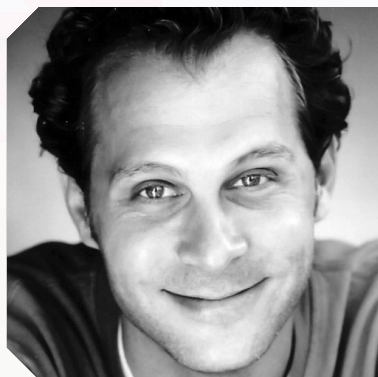

G.M. Berrow is the author of the official My Little Pony: Friendship is Magic books, Pinkie Pie and the Rockin' Ponypalooza Party! and Twilight Sparkle and the Crystal Heart Spell, as well as the novelization, Equestria Girls: Through the Mirror.

By the time BABSCon starts on April 18th, her upcoming releases—Rainbow Dash and the Daring Do Double Dare and Rarity and the Curious Case of Charity—will be out and we're looking forward to hearing all about them.

MEGHAN MCCARTHY

Who gave Pinkie Pie a “Party of One” and Twilight Sparkle a “Lesson Zero”? Who raised the Crystal Empire, turned Queen Chrysalis & the Changelings loose on Equestria, and helped Twilight win the crown in the scariest place possible—high school?

Only one woman can wreak such havoc and make us love her for it, and that’s My Little Pony: Friendship is Magic Head Writer & Story Editor, Meghan McCarthy! Meghan’s association with Lauren Faust, started when she was writing for Foster’s Home For Imaginary Friends, and she was also the Head Writer for the surreal Class of 3000.

**JOSH HABER**

Josh Haber is another amazing member of the Class of Season 4™. So far this season, he is credited with writing the episodes “Castle Mane-ia” and “Simple Ways”, which Meghan McCarthy has proclaimed “might feature [her] favorite Rarity performance ever.”

Before joining the My Little Pony herd, Josh wrote for the Kaijudo: Clash of the Duel Masters cartoon. He’s also been seen on screen in the movie The Assistant, and guest-starring on TV shows like Gilmore Girls and Everwood.

NATASHA LEVINGER

BABSCon is very proud to be the first MLP con to offer you Natasha Levinger as a Guest of Honor this Apr! Natasha is one of the new class of show writers for Season 4, contributing “Pinkie Apple Pie”—and we’re still tapping our toes even now to “Apples to the Core”—and the upcoming “It Ain’t Easy Being Breezies”.

In addition to her work on MLP:FiM, Natasha has won a Gracie Award from Women in Radio and Television for Outstanding Comedy for her work with the Oxygen Network, and had a successful run in LA for her first play, How I Ruined Everything.

BIG JIM MILLER

Born of star stuff and the nightmares of children, the beast known as Big Jim Miller has been haunting your dreams for night on 38 years.

Not content with simply drawing the boards, this abominable creature clawed his way into a storyboard supervisory position for the second and third seasons of MLP as well as the DVD release of *My Little Pony: Equestria Girls*. His nefarious ascent has not stopped there, as he has moved on to infect more minds as co-director of MLP's fourth season.

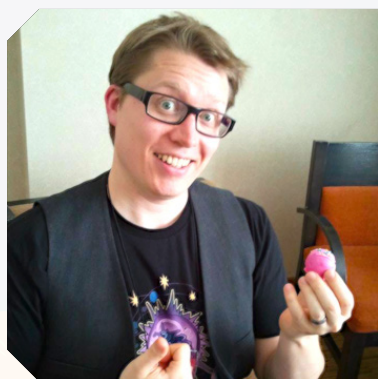

ANDY PRICE

Andy Price has had his hand in some of the most memorable comics of the series, including the Changeling Arc, the first four issues of the series that helped kickstart the comic's rather impressive sales record!

When Andy isn't sketching pretty pastel ponies being thrown into mortal danger, he's drawing something else! Beyond comics he's known to do advertising, storyboards, book covers, book illustrations, trading cards, and more! He has worked with such renowned companies as DC Comics, Marvel Comics, Rittenhouse Archives, Image Comics, SLG Publishing, and Innovation Comics.

JASON THIESSEN

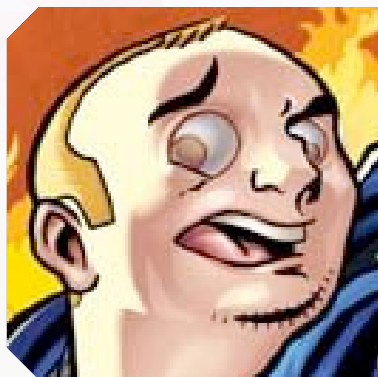

Jason Thiessen is one of the big cheeses on the show given that he's been Supervising Director of *My Little Pony: Friendship is Magic* seasons 1-4—the entire run of the show to date—in addition to the very successful *My Little Pony: Equestria Girls*, which didn't destroy the fandom after all, now did it.

Jayson's résumé also includes work on such hit shows as *Ed, Edd, and Eddy!*, *Pucca*, and *Kid vs. Kat*. That means he's responsible for happy childhood memories in many a fan in addition to giving us all four years of pony goodness!
