There's a good chance you'll find it at www.theponyarchive.com

Almost twelve years ago,

BABSCon was conceived in a small room at another con at a panel called, "So, You Want to Start a Con!" or something similar. I was the only attendee, and got ninety uninterrupted minutes to myself with three people who had run and founded cons before. I walked out convinced that I could do it...provided I had a lot of the right help. I did find that help from some amazing people, and so many more over the years. To try to name all the friends I've made among our staff, guests, and attendees would be a fools errand with so little space, but my love goes out to you all. You know who you are... the real ones.

It's a bittersweet thing that BABSCon has reached its final year, having survived the highs and lows of participation in our fandom, to say nothing of a bit of global pandemic, but it's the right time. One last party, one last blast of the energy, the joy to ensure that we don't go gently into that good night. It could only happen here, at BABSCon.

Yours In the Magic of Friendship,
-SonyaLynn
BABSCon Founder

My fellow bronies and pegasisters-

It is with a great sense of honour that I welcome you to BABSCon 2025. It's been a long journey since our humble beginnings back in 2013, and our first event in 2014. I thank each and every one of you for being along with us for the ride, whether you've been with us for many years or are joining us for the first time.

I invite all of us to help make this weekend an unforgettable experience that we will share for the rest of our lives. It is my hope that the memories we make together stay with us for a long time to come. After all, that is what BABSCon is truly about—sharing the love of this fandom and each other.

I extend with open arms an invitation to come and participate in the host of activities we have prepared for you this weekend. Come join us on our party floor, or attend the host of panels and events, shop a bit in the Vendor Hall, maybe play some games in our Arcade or Tabletop Room, and maybe even snag an autograph from our Show Guests.

Let's make this BABSCon one that we all will remember forever.

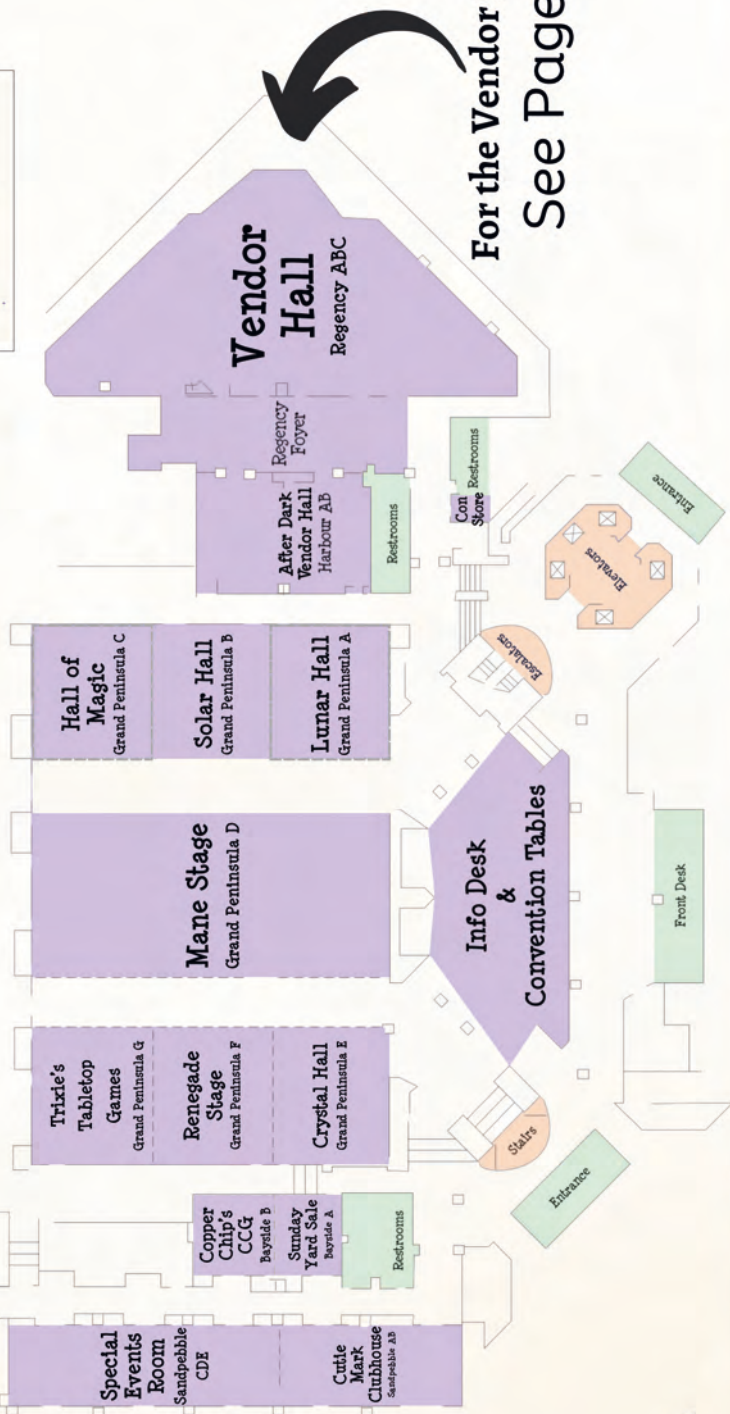

One. Last. Time.

-Stephen
