The Search for the Holy Fur!
Grail

A festive illustration featuring several furry characters in a celebratory setting. On the left, a character with grey fur and a red plumed helmet. In the center, a character in a blue and red outfit with a large blue hat. On the right, a character with dark fur and a red cape. The background is filled with greenery, pink and yellow confetti, and a warm, golden light. The title text is overlaid on the top half of the image.

Our Con Chair Welcomes You to DenFur 2021!

I wanted to introduce myself to you all now that I am the new con chair for DenFur 2021! My name is Boiler (or Boilerroo), but you can call me Mike if you want to! I've been in the furry fandom since 1997 (24 years in total!) – time flies when you're having fun!

I am a non-binary transmasc person and I use he/hlm pronouns. If you don't know what that means, you are free to ask me and I will explain – but in sum: I am trans! I am also an artist, part time media arts instructor and a full-time librarian in my outside-of-furry life.

I am very excited to usher in the next years of DenFur – I know the pandemic has really been an unprecedented time in our lives and affected us all deeply, but I am hoping with the start of DenFur we can reunite as a community once more, safely and with a whole lot of furry fun! Of course, we will have a lot of rules, safeguards and requirements in place to make sure that our event is held as safely as possible.

Thank you everyone for your patience as we have worked diligently to host this event!

I hope you all have an amazing convention, and be sure to say hello!

On Our Journey

In AD 136:001:20:50, 135 years after the first contact between the Protogen and the furry survivors, the ACC-1001 *Denfur* launched a crew of 2500 furries into space. Humans, Sergals and Protogen had joined PAW.

Captain Koi handed over the reins as Captain to Boiler, a stand up crew member worthy of the title of Captain.

It was *The Denfurs* mission to explore the galaxy, as an alliance member, many adventures were to be had, so they thought. *The Denfur* crew found themselves lost, far in the depths of space.

They had no clear way home, and times were getting hard. One day, a strange figure came into the lives of the crew, someone named "oWo".

He insisted he could help the crew get home. In their desperation, they took the good word of oWo and followed their direction. After entering the portal made by "oWo" they found their ship on earth... in 932 A.D.

The crew quickly attempted to shield their ship, and disguise themselves to fit in with the time period. oWo appeared and gave them a directive, "You must find the Holy Curl, if you wish to return to where you once came!"

GUESTS OF HONOR

Ash Coyote

Ash is a film director and YouTuber based out of Colorado. She has worked on a variety of film projects both furry and non furry related. Last year she released THE FANDOM with her co-director Eric "Ash" Risher.

Ritz

Ritz (she/her) is an anthro artist and fursuit maker local to Colorado. She has been drawing traditional/digital furry art and making fursuits since 2008, and it has been her career since 2018.

Foxene

Foxene (fox-EEN) Starr is a local fur in the Denver area! She is a Tattoo and anthro artist and has been doing art in the community for over 15+ years! She currently resides at Fortune Cookie Tattoo Denver, which is her home away from home. Her specialty is all things animal related as well as anything nerdy and colorful! She's been in the furry fandom for 20 years and isn't afraid to boast about being a grey muzzle. Her main character is a blonde haired vixen but you can always tell it's her with her secondary sona Stormy. Meme Duck and Quacking jokes, it's always a good time around this one. Foxene has been a dealer for the Colorado FurCon scene a handful of years now and including appearances in a few other states.

TENACIOUS UNICORN RANCH

The Tenacious Unicorn Ranch is a trans haven specifically created to give transgender people a place to thrive.

Our journey started in 2018 with three trans women who had a dream and a whole bunch of alpacas. We set out to start producing the best alpaca fiber yarn in Colorado, then use the proceeds to help stabilize struggling trans folks and serve the trans community. We are now a group of 12 queer folks with a herd of 170 alpaca. We are a proudly trans owned and operated ranch here to stand as a beacon of hope against our erasure, we hope to carry that ideals of anarchy and mutual aid out into the world by establishing more queer havens around the country.

Want to win a fursuit? Our Guest of Honor, Ritz has donated this amazing partial (with tail by SparkleKreations) that we will be selling raffle tickets for in the charity room! The winner will be announced at the end of the charity auction on Sunday!

Shibari for Beginners

Dru Buttram (myself), Michael Graff (model)

18+ ID CHECK AT DOOR

Hosting a panel for teaching people the basics of rope tying and Shibari. I have been doing Shibari for about 3 years now and typically teach people currently at a one on one basis, but would like to teach others at conventions Everything would be SFW in the sense that clothes would stay on and i would have a model who would be in fursuit as well as being able to provide ropes for people attending the panel to be able to learn as well. I would have assistants to help with everyone so it would not be a solo endeavour and I will have proper equipment (medical shears) to cut people out of ropes in case of emergency. Nothing risky would be taught as this would be basic ties as well as a harness to be included in the class/panel.

DIZZY ROO PRESENTS:

ALTITUDE SAFETY!

AT THIS CONVENTION, YOU
ARE 5,800 FEET
ABOVE SEA LEVEL
THAT'S ONLY 2,000
FEET LESS THAN
MACCHU PICCHU!

IT ALSO MEANS
THAT THERE
IS ONLY 85%
OF THE OXYGEN
YOU ARE USED TO
CONSUMING AT SEA LEVEL.

THIS CAN EFFECT YOU IN
THE FOLLOWING WAYS:

altitude sickness

DO YOU FEEL NAUSEOUS, DIZZY OR HEADACHEY?
EXPERIENCING A LOSS OF APETITE? YOU COULD
HAVE ALTITUDE SICKNESS. THIS IS A COMMON AILMENT!

alcohol poisoning

BECAUSE OF THE LACK OF OXYGEN,
ALCOHOL IS 1.5 TO 3 TIMES MORE
POTENT.

DON'T DRINK UNTIL AT LEAST 48 HOURS
AFTER YOUR ARRIVAL OR YOU MAY REGRET
THE EFFECTS.

DANGEROUS Dehydration

THE AIR IS ALREADY VERY DRY & DUE TO THE LACK
OF OXYGEN YOU WILL NEED TO REMAIN CONTINUALLY
HYDRATED IN A MANNER YOU ARE PROBABLY UNACCUSTOMED
TO AT SEA LEVEL. RUNNING AROUND IN FURSUIT ALL DAY
WITHOUT HYDRATING PROPERLY IS A VERY DANGEROUS
IDEA AT THIS ALTITUDE. KEEP WATER IMMEDIATELY HANDY
AT ALL TIMES!

**ALL OF THESE AILMENTS CAN BE REMEDIED BY DRINKING LOTS
OF WATER & RESTING WHEN FATIGUED!**

AND AS ALWAYS, IF YOU EVER FEEL ILL
OR IN NEED OF ASSISTANCE, SPEAK
WITH ANY STAFF MEMBER!

WE ARE HERE TO HELP
& KEEP YOU SAFE!

The following is the full list of the rules and regulations of Corgi Events LLC Conventions.

The following is the full list of the rules and regulations of Corgi Events LLC Conventions.

The primary reason our conventions happen is for our attendees to have fun, and in order to provide a safe and enjoyable environment for everyone, the following rules have been put in place. Corgi Events LLC welcomes all persons to our conventions, but do reserve the right to deny or revoke the membership of any individual at any time for any reason.

Any action, behavior, or dress that causes significant interference with the convention operations, significant discomfort to other attendees, or affects the conventions relationship with the the venue, attendees, or the public is strictly prohibited and may result in the removal of your person from the property and a ban from the current convention or future events that Corgi Events LLC hosts.This includes behavior pre-convention and not just on site.

Badges and Convention Identification

- The convention badge provided to you at Registration is property of Corgi Events LLC and must be surrendered upon request. You may keep your badge after the end of the convention if requested.
- Your badge visible at all times when you are in the convention space. This is your identification when entering events within the space.
- By accepting your badge, you are agreeing to abide by all Corgi Events LLC policies as well as any other agreements that may be necessary or put in place at the time of the convention.
- Anyone who accepts a badge agrees to indemnify and hold harmless Corgi Events LLC from any claim for personal injuries or any other damages or equity arising out of any individuals activities at Corgi Events LLC conventions, even if the injury or damage is caused by negligence by or the part of Corgi Events LLC.

Attendance by Minors

- Children under the age of 18 are permitted to attend Corgi Events LLC conventions, with the exception of Sin City Murr Con.
- Children under the age of 13 are permitted to attend with a parent or guardian present at all times with the minor. A child under the age of 13 will not be permitted in the convention space at any time without a parent or guardian present, we are not babysitters.
- A minor that is 14, 15, 16, or 17 is permitted to attend the convention without a parent or guardian present. Anything that the minor participates in at any Corgi Events LLC conventions are the sole responsibility of the minors parent or guardian regardless of if they are present or not.
- Minors are not permitted to enter any areas that are labeled as 18+, adults only, 21+, ect even with a parent or guardian present.
- Minors that are 5 and under are permitted a badge without having to pay the badge fee.

Convention “Rating”

- Corgi Events LLC Conventions are considered “rated” at PG in all public areas. Corgi Events LLC becomes “PG-13” acceptable after 8pm. The exception being Sin City Murr Con where certain more adult themes may be visible in public areas during all convention hours.
- Exceptions will be made in areas clearly marked as “Mature” rated in the schedule and event areas such as the 18+ areas in the Art Show/Dealers Den.
- Any area with a rating above PG-13 will have controlled access and may require display of photo identification along with convention badges to verify age before admittance.
- 18+ areas will be off limits to Minors regardless of parental consent.

General Rules

- No sleeping in any public areas of the hotel or convention spaces.
- Attendees are required to follow any reasonable instructions when given by a staff member. If you believe an instruction is not reasonable, address your concerns to the Manager of that department. Disputes are escalated as necessary, but the decision of the Directors/Chair is final.
- Convention spaces are open ONLY to registered attendees or visitors being escorted by staff.
- Badges are issued only to one person and may not be shared at any time. If a badge is found to be shared, the badge will be taken for the duration of the convention and the person originally issued the badge as well as the person wearing the shared badge will be removed from the convention.
- Knowingly providing transportation or housing, or enabling an individual that is banned from Corgi Events LLC conventions to attend, will result in a permanent ban.
- Smoking, and Vaping are NOT PERMITTED in the convention spaces and hotel rooms. There are designated areas for smoking/vaping.
- Any act of vandalism or deliberate damage to the hotel or hotel property will result in immediate and permanent removal from Corgi Events LLC conventions.This also includes any interference with hotel staff in the performance of their duties.
- Merchandise sales may only be performed in the Dealers Den, Artist Alley, or any area similarly designated by convention staff and only by parties who have prior arrangements with the convention or hotel to conduct business.

Hotel and Rooms/Parties

- The person named in the room reservation is responsible for anyone staying in the room, visiting the room, or passing through, and any damages that occur.
- Signs may not be posted to hotel walls, hallways, or elevators of the Hotel unless otherwise stated by the individual convention. If allowed, this must be done with paper or ‘painters’ tape to prevent residue being left on the walls. If flyers are placed with improper hanging materials, the person named in the room reservation will be responsible for damages and payment to the hotel.
- Room Parties are allowed, but noise must be kept to a level to not disturb other attendees during night hours. Doors to hotel rooms must be kept shut.
- Noise complaints will receive a single warning from the hotel staff.
- The member hosting the party is responsible for cleanup. Excessive trash, soiling, or damage to hotel property in the room may result in removal from the hotel and the convention. Housekeeping will ONLY clean up bagged trash.
- In most cases, hotel staff are required by corporate policy to inspect hotel block rooms once per day, even if the room is not to be serviced. Housekeepers will often bypass rooms with “do not disturb” signs on, but will return at the end of their rounds, and knock on doors. Attendees must allow housekeeping to access the room if asked.
- Room parties hosted on the designated party floor are subject to different rules. Please see operations for any questions regarding party floor parties.This will change per convention.

Lost and Found

- Lost and Found will be maintained in the Convention Operations Office. If you lose an item, check here first. A report can be filled out describing the item and contact information must be left. Items will only be held for 30 days past the convention before they are either thrown away or donated.

Dress Code

- Collars and leashes may be worn, but persons cannot be lead around by them in public areas.
- Public exposure of bare breasts, buttocks, or genitals is not permitted.
- Full-body fursuits are an exception (fur covers all!), but may not reveal genitals, buttocks or breasts. Breasts that are built into fursuits are acceptable if they do not have nipples showing.
- Fursuits are not permitted in the pool or hot tub.
- Hateful, provocative, and clothing articles that imply harassment are NOT allowed. This is included, but not limited to arm/head/tail bands, shirts, pants, fursuits, costumes, flags, props or any other item at staff discretion.

Some items Corgi Events does not allow at anytime

1. Police Cosplay
2. German or Nazi items
3. Any racist cosplay
4. Realistic prop weapons

Clothing must keep within the PG-13 rating of the convention, but certain clothing may be worn into 18+ panels or by vendors of 18+ booths provided it is covered up while in public areas.

Harassment/Assault

Harassment includes, but is not limited to:

- (a) Physical assault, battery, stalking, or unwelcome physical attention.
- (b) Conduct, dress, or speech that targets, threatens, intimidates, or is otherwise intended to cause distress to other attendees, or members of protected classes (such as those based on race, age, religion, national origin, disability, gender, or sexual identity).

Corgi Events will never tolerate any conduct, dress, or speech that targets, threatens, intimidates or is otherwise intended to cause distress to other attendees or members of protected classes. What someone identifies as is to be respected always. If someone corrects you, every effort to respect and identify the person correctly must be made. If you are found to be purposely misgendering or misidentifying someone to cause distress or upset, you will be immediately banned from all Corgi Events LLC conventions.

- All reports of harassment/assault are taken **very seriously**. If you witness or are the victim of harassment or assault, report it to Convention Operations or CRT immediately. If you are in immediate danger, it can be reported to hotel security as well.
- It is not the job of Corgi Events LLC to solve your interpersonal problems. Corgi Events LLC is not able to prevent attendance of person(s) unless they pose a specific, credible threat or have a criminal history of conviction of crimes which may pose a threat to the convention or its attendees. If you would like to make a report about an individual, have a legal name and police report ready for convention staff.
- If a protection order or restraining order is in place against someone who is on the premises, report to CRT to have law enforcement involved. Notification of such orders can be given to convention staff prior to the convention as a courtesy. Responsibility for settling personal disputes lies solely with the parties involved and any relevant authorities.
- Threats, harassment, and stalking will never be tolerated. There are grounds for immediate revocation of your convention badge and expulsion from the property. Report any issues to convention operations if you have asked the party to stop and they continue.
- If people tell you “no” or ask you to leave them alone, you must follow their request, no "ifs, ands, or buts".
- If you continue to make efforts to contact said person(s), even over digital platforms, you may have your badge revoked.
- **No matter the costume someone is wearing, this does not equal consent. Never touch anyone without permission, ever.**

Payments to Corgi Events LLC

- Corgi Events LLC accepts most major credit cards and debit cards, as well as cash. Chargebacks that are made for the sole purpose of avoiding payment, that are made without sufficient cause, or are made without first attempting to resolve the dispute will result in a permanent ban from Corgi Events LLC conventions.

Weapons

- Real weapons of any kind are not permitted in convention spaces regardless of any local or state laws for concealed/open carry of such items. This also applies even if you possess a government permit that allows you to carry concealed or open in the state the convention is being held. **An exception can be made for law enforcement officers or federal law enforcement officers, which must be approved prior to the convention.**
- This is including, but not limited to firearms, tasers, stun guns, OC (Pepper) spray, knives with 4” or longer blades and swords (any live steel).
- Magnetometer wands and other checks may be performed randomly by the CRT to ensure compliance with this policy. Any violation will result in law enforcement being contacted and badges revoked for the duration of the convention.
- Reasonable facsimiles of firearms are also prohibited in convention spaces.
- Prop weapons are allowed, but must have no sort of “firing mechanism”. The prop weapons must be obviously fake to be approved, cannot represent a real firearm in any way, and must be approved and marked by CRT staff before it is permitted in con space. If you have something you wish to submit to CRT for consideration, please bring it to CRT staff before wandering convention.

Pets

- Pets are not permitted in the convention space.
- In accordance with the Americans with Disabilities Act (ADA), recognized Service Animals are permitted.
- Attempting to falsely claim an animal as a Service Animal may result in revocation of membership and local law enforcement involvement. If a service animal is seen to cause disruption of any kind, report it to CRT immediately. Any validity of a service animal will be handled through the venue and through local law enforcement if a service animal is causing a disruption.
- Emotional support animals and therapy animals are not considered service dogs by the ADA, and are not permitted in convention space.

Substance Abuse

- Sale, distribution, use or possession of controlled substances will not be tolerated at any Corgi Events LLC convention. Anyone violating applicable laws will be immediately ejected from the convention, membership revoked, and law enforcement contacted.
- In the states where marijuana is legal, it is convention policy that marijuana products are not permitted inside the convention space or on hotel property. This includes the sale, distribution, or serving of alcoholic beverages to someone under 21.

Media Relations, Photography, and Videography

- All journalists, media photographers and other members of the press are required to display an official badge provided by the convention. Members of the press may not conduct interviews, take photos, record audio, or take video without a staff member present and with permission given.
- Photos and video may be taken in the convention space by attendees for personal use only. Any commercial use of the images or video must be approved by Corgi Events LLC.

Sales, Flyers and Solicitation

- Do not place flyers, signs or business cards in any public spaces such as tables, bars, and hallways. Any such items must be distributed in convention space. No adult materials or implied adult activities or items may be placed in convention space.
- Nobody, unless approved by the convention, may sell raffle tickets or host a drawing of any kind. We can not allow hand held signs advertising anything in exchange for anything else, signs offering free items are permitted.

Music

- Portable speakers must be turned off in convention space that is enclosed or where people cannot walk away from your speakers. This includes but is not limited to, any elevators, lines, dealers den, stages or panel rooms. Music played otherwise must be quiet enough that you can talk over it without raising your voice.
- The same rules apply to live musicians and they may not obstruct any walkways or disrupt a scheduled event. Musicians may not play with an open case to ask for money or imply that they are asking for tips.

Convention Specific Policies

- Each convention may have their own specific rules or regulations that will supersede the statements in our general TOS. Please see the convention specific website for any changes or rules that apply only to that convention.

Accessibility

- Corgi Events LLC is committed to providing access and reasonable accommodation in its services, programs and activities. Accommodation requests related to a disability should be made no later than one month prior to the convention start date.
- Accommodations may also be made by the venue or hotel, so prior notification is important. Every effort to make your accommodation requests possible will be made. Please see the convention specific website for more information and to contact us with any questions.
