WELCOME PIRATES!

Hello everyone! Welcome back to EPONAFEST!

This year is one of big changes!

After the unfortunate cancellation of EponaFest 2024, we got back on track and worked day and night to bring you the best edition we've ever made! New location, new theme, new friends to make, this is EponaFest 2025! We have plenty of amazing activities planned for you, and we can't wait for you to have the time of your lives this weekend! We have a big concert on Saturday evening, with new musicians never seen at EponaFest before, along with some old friends. We also have a big game and a treasure to win, check out [\[Page 24-25\]](#) for more info!

The possibilities are endless! Maybe you'd like to ask the Queen of Mean herself, Athena Karkhanis, a question? It's her first appearance in Europe, so be sure to see her in the Main Hall!

Do you prefer comic books? No problem! We've got not one, but two IDW Comic Book artists this weekend, each with their own table in the gallery and dedicated panels. Check out [\[Page 16-17\]](#) to learn more!

Of course, Sunday will have many amazing events as well! Would you like to learn how to become a voice actor? Or maybe you'd like to know more about music composition in different languages? Then you must join our host, Singalek, in her panels on Saturday!

To close the convention, we'll have an amazing Charity Auction, all proceeds will go straight to Bee2Bee, an Italian organization that cares for our little bee friends and works to help save our planet!

For more information about the panels, be sure to check the detailed schedule guide in this book or join us during the event itself!

As a general reminder, please follow the 6-2-1 rule:

- 6 hours of sleep
- 2 meals
- At least 1 shower per day

Your well-being is the foundation of a great experience, so take care of yourself!

Thank you for joining this edition of EponaFest

THE BEE'S HUNT

Captain BumbleBee has stashed a vast treasure during their years of plundering and scouring across the sea of flowers, and has decided to play a little game with all of you!

"My treasure? It's yours if you want it, you just have to search for it. Let's see if you are up to the task! I have left everything in that place, guarded by my crewmates! They have set up booth down by the docks, selling all kinds of trinkets. Try to spot my treasure in there!"

So, what are you waiting for? Let's start this Treasure Hunt!

Get yourself to the Info Booth and ask about "The Bee's Hunt" to get started!

This is a little additional game that we have decided to propose this year to help our amazing charity, Bee2Bee!

The rules of the game are few and simple:

- At the Info Booth you can get a "Treasure Map" in the form of a card, at the price of **5 EUROS**.
- On the card, you will find **THREE** coins that represents the Treasure count.
- Now you are ready to **HUNT FOR TREASURES!**
- Go around in the vendor hall and seek BumbleBee's shiny treasure!
- Once you have found it, let the Vendor know! They will hand you over a little bag of goodies! In exchange, they will mark one of the coins with an X, signaling that you have found one part of the treasure.
- Once you have collected all three, congratulations! You have found yourself a portion of the great Captain's treasure and have helped some bees.

Special thanks for this game:

- All the Vendors in our vendor hall, with their availability to help out the bees!
- Bee2Bee, that work everyday to protect our lovely bees
- And thank you for playing!

ALL THE PROCEEDINGS OF THIS GAME WILL BE GIVEN TO CHARITY

Bees have existed for 4 million years, but today their existence and ours are under threat. The use of pesticides in agriculture and the increase in pollution have caused a dramatic decline in their global population.
