WELCOME TO EPONAFEST 2026!

Hello everypony and everycreature!

Welcome to **EPONAFEST 2026!**

We loved your enthusiasm last year, so we worked even harder to bring you all the best experience we can this year too!

Since Cremona is the hometown of Antonio Stradivari, craftsman of string instruments such as violins, cellos, guitars, violas and harps, we decided to embrace the opportunity and make it all about something that Bronies are extremely prolific about...

MUSIC!

And that's not all! We have a trio of special guests that worked on G5 designs!

The one and only **Imalou**, the pencil that worked on our troublemaker Sprout, and the adorable Sunny and Izzy!

Celia Kaspar, the mind behind Sheriff Hitch and the royal sisters Zipp and Pipp!

And **Claudio Naccari**, a local Italian Artist that worked on the adaptation from 3D to 2D of the main cast!

Check out [\[Page 18-19\]](#) to learn more!

This weekend will have many amazing events! Would you like to learn how to make awesome character designs? Or maybe you'd like to know more about being a pony Vtuber? Or you could show off your singing abilities at the karaoke! (Or your brony music knowledge if you don't feel like singing!)

Check all the events we have planned for you

[\[Page 6-7\]!](#)

And as always, it's not a good Brony convention without a righteous charity event!

This year we decided to donate every bit to ENPA! Just a few words won't be enough to describe their fantastic work with animals, so please go take a look! [\[Page 24-25\]](#)

Remember to get ready for the amazing **Saturday's concert!** Listen to the fantastic musical artists that are still giving this fandom so much energy! Names like **Mane in Green**, **Velvet R. Wings**, **Koron Korak**, **Koa and Green Hay** should already make your hooves shake! [\[Page 20-21\]](#)

We also have a silly comic about our new mascotte Violetta who is trying to find a good instrument for Milli! You can get a copy of it and many more goods at the Infobooth! Made by our talented artists themselves!

As a general reminder, please follow the 6-2-1 rule:

- 6 hours of sleep
- 2 meals
- At least 1 shower per day

Your well-being is the foundation of a great experience, so take care of yourself!

Thank you for joining this edition of EponaFest
-The EponaFest crew

CHARITY AUCTION

FOR ENPA!

HELP US SAVE THE ANIMALS!

Enpa is the most ancient and important protectionist organization in Italy, founded in 1871 by Giuseppe Garibaldi to fight the abuse of labor animals.

In 1911, thanks to **ENPA**, the Italian Parliament approved the first law for the safeguard of animals' rights.

The law focuses on the importance of animals as an instructional tool to help young citizens to stray away from criminal life.

And here we are, one hundred and fifty years after Garibaldi's letter that began our history.

In one hundred and fifty years, animal rights have changed, significantly improved. Italy today has the best legislative system in the world for the defense and protection of animals. All the achievements, one by one, were possible thanks to the daily commitment of tens of thousands of volunteers who fought without ever holding back in a century and a half.

Today ENPA has 172 Sections and 99 Municipal Delegations for a total of 271 principals.

In 2020, the 150th year since its founding, ENPA helped more than 75,000 animals, more than 30,000 of which were finally given up for adoption to loving families.

It also provided exceptional services for unconventional pets, wildlife, and farmyard animals.

EPONAFEST |

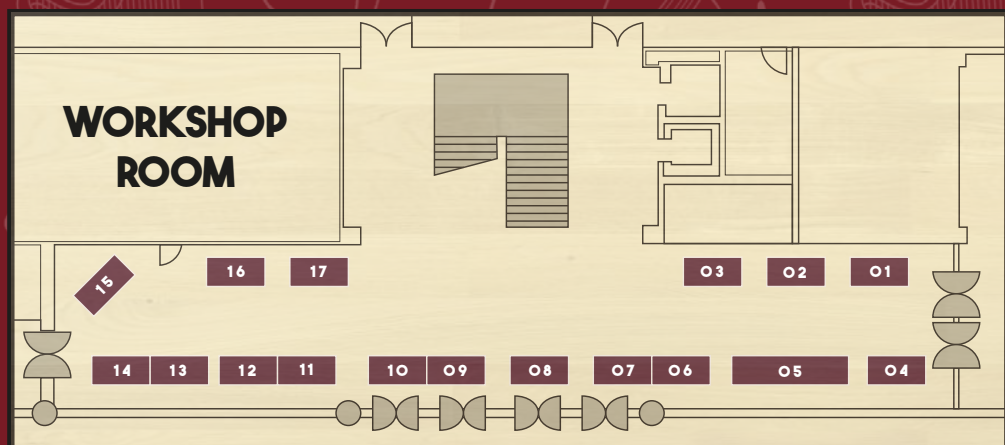

FUN FACT!

Did you now that since 2007 ENPA has been making a Sticker card collection called "Amici Cucciolotti"? It was famous in all Italy and everyone loved to collect them all! All the earnings from this project were given to charity directly! Let's help them one more time here at Eponafest 2026 for their 20th anniversary!

EPONAFEST STAMP RALLY

The **"EPONAFEST STAMP RALLY"** will take place during EponaFest 2026 and will last the whole two days.

During the event you can ask for a "Rally card" at the Info Booth to enter the event!

- **The card has a price of 5 euro.** All the revenue from these cards will go to the Charity
- Once you buy the card, your name will be written on it as it is written on your EponaFest badge
- On the card there will be a number of notes for stamps. Each spot has the number of a vendor, as written on their table and on the Con guide
- To fill the spots, you must buy at least an item from the vendor stated in the card. No matter the price, 1 item = 1 stamp
- Once you've filled a row, go to the **EponaFest's Info Booth!** You'll get a reward based on how many rows you've completed:
 1. *Only one row: a mystery bag with stickers and keychain*
 2. *Both rows: a discount of 15% for whatever purchase at the Info Booth and a mystery bag with stickers and keychain*

QUESTION:

Can I get multiple cards?

Yes you can buy multiple cards. All of them will be written on your badge name.

If I buy 2 items from the same vendor, do I get 2 stamps?

A vendor can only stamp in their respective musical note. If you have only 1 card, you can get 1 stamp. If you buy 2 items and you have 2 cards, you can get 2 stamps, one per card

Can I redeem the reward for someone else?

No, for the price to be redeemed you need to present your badge as well and the names must be the same

Do I keep the card once I redeem the rewards?

Yes, your card will be punched so that it will be marked and cannot be used again, but you will get to keep the card

Example of transactions:

1. I buy two stickers from the vendor Peri, for a total amount of 8 euros. I have two cards, so I can get two stamps, one per card on the vendors name
2. I buy a plushie from Reginette for a total amount of 150 euros. I only have one card, so I can get only one stamp
3. I buy a one sticker and a led lamp from Jewel, for a total amount of 60 euros. But I only have one card, so I can get only one stamp
