Code of Conduct & Policies

Our goal at Everfree Northwest is to bring Equestria to Earth in every way possible. Just as the land of Equestria has rules to help guide its citizens to a safe, friendly and harmonious way of life, Everfree Northwest has rules to help everypony enjoy the event. Please keep these rules in mind so that we can work together to create a pleasant experience that all can enjoy.

The following is a consolidation of our event policies, which can be found in full online: <https://everfreenw.com/about/policy>. Charity Auction

One of our most cherished traditions returns again this year as we auction off the donations of amazingly generous people to the highest bidder, all to help generate a lasting impact on our community.

The proceeds from the auction, combined with other fundraising efforts during the event and throughout the year, benefit our carefully selected annual charity. To date, our attendees and staff have helped raise over \$130,000 to benefit local and national charity organizations. For 2018, we are proud to announce that charity donations will benefit **Washington Autism Alliance & Advocacy** (washingtonautismadvocacy.org).

This year we will still be hosting a Silent Auction prior to the Live Auction. Items with high or active bidding will be moved to the Live Auction. We appreciate all donated items, but with limited time during the Live Auction, we are unable to guarantee that any particular item will make it to the Live Auction.

Thank you for your continued support, and we hope to have yet another successful event!
