WELCOME TO FLÜÜFFF GRAND CASINO

Word of the Chairs

A new year, a new beginning, new challenges to overcome; and what an adventure this turned out to be! No matter what challenges lie ahead, we are overjoyed to have you here with us once more to explore the road ahead!

First of all, we would like to thank our lovely new venue, the **Bedford Hotel**, for sharing this journey with us, and in particular our hotel liaison, Geoffrey (please keep the fangirling for later)! As you all know, it hasn't been the best time for events, but the undying efforts by him and our amazing staff these past two years have brought us this far, and made all this possible.

Without further ado, we bid you all a hearty welcome to Flüüfff 2021: Grand Casino! Now, prepare to put on your finest suit, grab yourself a fancy drink, be amazed by the plenty exotic creatures roaming the con space, and enjoy the various activities we have in store for you in these coming days!

natagora

OUR CHARITY

This year and for the first time, we are excited to announce our partnership with Natagora.

Natagora is active across the whole of Wallonia and Brussels. The main objective of the association is to halt the loss of biodiversity and to help restore a better balance between nature and humankind. For this, the Association has taken on a number of missions.

• **PROTECT** : Natagora has more than **200** nature reserves, managed by many volunteers. The reserves cover a multitude of different types of habitat, many of which are under threat, and they are home to many rare species.

• **STUDY** : One of the major activities of the Association is the identification of threats, the provision of support to those species that are the most endangered, together with the coordination of many monitoring programs.

• **INVOLVEMENT** : On a daily basis the many Association volunteers help to influence political decisions, to promote biodiversity, to foresee impending damage, and to react as necessary.

• **EDUCATION** : Natagora is heavily involved in all aspects of environmental education. It runs training events, it supports Regional Centers of Introduction to the Environment, it has outreach events, and it helps the networking of individuals.

www.natagora.be

Natagora currently has an opportunity to acquire and protect the “**Marais de Chapelle**”, a swamp located in Lasne. A family of beavers called it their home a few years ago which is why we naturally picked that project.

Sir-Floats-A-Lot is already hyped to meet those new neighbours!

Thanks to our donations, we'll be contributing to the creation of a new natural reserve of 6 hectares of wetlands, rich in biodiversity and strengthening the ecological mesh of the area.

More information will be given during the Q&A and Charity Event hosted on the mainstage on **Thursday**.

REGARDING OUR GIANT PLUSHY FRIENDS.....

- The fursuit lounge is meant for suiters to change, catch their breath and dry or repair their suits, please refrain from using it as a hangout spot or entering needlessly.
- A fursuit repair station is available in the fursuit lounge. If you need help feel free to poke **Hellcharm** on telegram or have one of our staff members contact her.
- **Fursuiting** **≠** **consent**, always ask permission before hugging, touching their costume or taking their photographs.
- If you see a fursuiter in need please ask them if they need a hand as fursuits **limit vision**, hearing and other senses and may cause severe overheating.

Artist Lounge

Follow the signs to get there!

WEDNESDAY 10/11

• Opening Ceremony

Are you ready to rumble?!?! Flüüfff 2020, eh we mean 2021 is about to start! Before we start some official people have asked to say a few words to everyone. Please join us at the mainstage for our Opening Ceremony!

• My first furcon *Hosted by Tixiefox*

It's been a while since we've had a furcon to begin with, and for some of us its the FIRST furcon they've ever been to! What can I expect? What will the people be like? What's the venue like? What should I pay attention to? How do I hug a fursuiter? No two furcons are the same, but they all have a few basic things in common. This panel is meant to help first-time con visitors get through the wonderful Flüüfff experience.

• Cheese and Wine *Hosted by Birdy the Gryphon & Friendly Psychobatic*

Birdy the Gryphon and Friendly Psychobatic invite everyone at Flüüfff to meet up, have a bit of conversation, and make some new friends! It's a Furry Mixer! Birdy will bring a large wheel of Amsterdamer Gouda, and we will have baguette and crackers! Psychobatic will contribute some more cheese to taste. Everyone is invited to bring a bottle of their favourite wine (it's optional). We will taste the cheeses and drink some wine. Everyone is welcome, in and out of fursuit.

• Return the Crown *Hosted by Kano*

A group of six players will run through a dangerous dungeon which only appears once every 25 years! Bring back the crown to the Deep Queen, or more likely die trying.

THURSDAY 11/11

• Puppy panel (AD)

SFW puppy play panel open to anyone interested or curious in puppy/pet-play. Stop by to throw a tennis ball, fetch a squeaky toy and to give or receive some good pets! Feel free to dress in your favorite gear and be the best pup, handler or owner you can be. All we ask from you is that you remain respectful, there's no exposed naughty bits and things don't get too frisky but most of all to have fun!

• Enter the art of Anthro *Hosted by Fyn*

Always wanted to start drawing furies, but don't know how to? This panel is for entrance-level, upcoming artists. We'll cover the absolute basics as simply as possible. Starting from human and animal forms I will show a few simple techniques on how to draw anthro art. Every fur can draw, try it with me!

• Coffeeeeeee *Hosted by Laddian*

Late night coffee with Laddian, Jazz, and some different types, tastes and types of making coffee, as well as a guided explanation to what can be expected!

• Brew It Yourself - A panel about homemade beer *Hosted by Stan*

Do you like Belgian Beer? Because we do! And we propose to introduce you to a delicious and fascinating hobby : homebrewing. We'll have a presentation about the beer style we decided to showcase this year : the Belgian Saison, present some of the tools used and have a little tasting!

Note: both Brew It Yourself panels are the same, this is done to make sure more people can enjoy this panel

• Vore meet n eat (AD) *Hosted by Kano*

Just a friendly meet with the furs who like to eat or be eaten.

• Blood on the Clocktower *Hosted by Kano*

A bluffing game in the style of Werewolves or Mafia, but as everyone has a unique role, and participates even after death, it's a guaranteed fun time for everyone fond of being sus.

• Charity - A Home for the Belgian Beaver

This year and for the first time, we are excited to announce our partnership with Natagora (more info about them in the conbook)! We invite you to a little presentation of the beaver haven they're creating followed by a Q&A session. Donations welcome!

• Fursuit Charades 2.0

Show, not tell. Use your paws and tail to explain to us the word you are given! If you are successful in this 2.0 charade of fortune, you might even proceed to the grand finale. The Charades will be held in two runs, to allow more fursuiters to compete.

Note: both Fursuit Charades 2.0 panels are the same, this is done to make sure more people can enjoy this panel

• Snack Exchange

Thank you all for coming to our Vegas All You Can Eat Buffet. We shall present to you a great variety of our finest delicacies coming to you from all over the world. Walk around, savour in the soothing scents of dishes and drinks and drown yourselves in decadence!

• Photoshoot

Take a leap in the dark and join us at our poker table, ask your friends to come along. We will make your moments memorizable.

FRIDAY 12/11

• **Intensitea** *Hosted by Lezari*

Need a break from the events, just a calm moment to drink a cup of tea? During this panel, Stan Luckbun and Lezari Astera will provide you with some soothing, intense 'tea'. Well, actually they will be more of herbal and fruity infusions! As Lezari tells you more about these infusions, Stan will pour you the finest tea you've had till now.

Note: both Intensitea panels are the same, this is done to make sure more people can enjoy this panel

• **Ace of speed, King of RNG** *Hosted by Raug Dae*

Let's talk about speed, RNG Manipulation, pixel and sub pixel! Welcome to the world of speedrunning, where the game of your childhood gets destroyed. Glitched or Glitchless, there is flavor for everyone!

• **So you wanna draw smut? (AD)** *Hosted by Zepto*

Ever thought of drawing smut for money? Curious about the Behind The Scenes of the artists you commission? Come listen as we explain the inner machinations, common pitfalls and secrets of the trade.

• **Roll the Dice** *Hosted by Tach*

Having a hard time getting acquainted with people? Looking for excuses to strike a conversation, but fear you will look awkward? Maybe you even want to look awkward for an hour? Then this is the perfect event for you: improvisation and conversation games are the way to go!

• **Advanced Animatronics Adventures** *Hosted by Floere*

You got the style, you got the bling, you got the Flüüfff. You want to roar it from the roof tops, let the whole wide world hear your name! ... Er, right. Got to do something about that costume voice. Rather too many unspeakable acts of questionable science later, there's progress! And a cow for some reason...

• **Jackpot Beats: Going All-In On the Dancefloor**

7-7-7, Are you the lucky one on the dancefloor tonight? Or are you still waiting for your moment to shine? Show us your dance moves in Flüüfff's Fur-Dance. This edition with more music variety to make this a night to remember.

• **Group Picture**

Immortalise this moment of fame, fortune and phantasm in the one and only casino (over-)run by furies.

• **Christian Furs Panel** *Hosted by Nimalen*

This panel is supposed as a small cozy meeting. The main idea is to just get to know each other and talk a bit about stuff that comes up. Everyone is welkorn. Just drop by (^.^)

• **DiscoFox as the Joker Card** *Hosted by Nimalen*

Wanna dance with somebody? Have no control over the music? Well, this dance is perfect for you then, as you can actually dance it on pretty every song (with a little bit of fantasy). You can kinda see it as a joker card, as it fits everywhere! You can dance it slow or fast, big or small, drunk or sober.

SATURDAY 13/11

• **Climate chat with Norr** *Hosted by Norr*

Climate change is a topic that comes more and more to the forefront, and with that come questions, concerns, and sometimes even feelings of loss, panic, or doom. What should we be worried about? What can be done? What are efficient actions? How are y'all feeling? At this panel you'll get some information, but also a chill conversation.

• **Brew It Yourself - A panel about homemade beer** *Hosted by Stan*

Do you like Belgian Beer? Because we do! And we propose to introduce you to a delicious and fascinating hobby : homebrewing. We'll have a presentation about the beer style we decided to showcase this year : the Belgian Saison, present some of the tools used and have a little tasting!

Note: Both Brew It Yourself Panels are the same, this is done to make sure more people can enjoy this panel

• **Furry Femmes** *Hosted by Lezari*

There are many things to celebrate, but today we shall celebrate female furies in our flourishing community. We invite several speakers that will share with us what they do in the community and how their gender and appearance affects this.

• **SHOWNIGHT EXTRAVAGANZA**

In 2019 we surprised you with a runway, this edition we will take all the covers off. We will put the extra in extravaganza. Join us on this night of laughter, music and showmanship to make this one night to remember. The curtain shall fall for Flüüfff 2021 after our **closing ceremony**. Be there. Don't miss it.

No really. Don't. We'll even have an encore.

• **Fursuit Games**

Skip the poker, come join us for our beloved fursuit games!. Suiters will engage in a friendly competition among various games that test their wits, skills and agility. Make sure to join if you want to partake in some fun fursuit friendly games!

SUNDAY 14/11

- **Feedback panel** *Hosted by Lezari*

During this panel we would like to hear from you what we could improve for future editions but of course also what we should keep. We'll talk about the events, the organisation, decoration etc. We will talk about various topics during this panel, but feel free to join anytime!

- **Yardsale**

As a self-respecting Casino Resort, we too have some ways to help you get rid of your last chips. Our Sunday morning yardsale is a perfect opportunity to buy everything you desperately want.

- **Nearly-Dead Beaver Party**

I'm sure the bar has some leftover booze right? The con is almost over, but the fun isn't! Join us one last time in drinking a cocktail, a beer or something else.
