Word of the Chair

A very ~~Toxic~~ Welcome to this year's ~~Flüüffff~~! After the tropical previous edition and the aftermath of the closing ceremony, we have counted the barrels, prepared the hotel, and set the stage for a new, exciting, goopy and neon-lighted adventure. We hope you feel right at home in our event rooms, bar, stage and arms of the wonderful staff of the convention.

The work the staff has done this year is phenomenal; I hope you will see it just as much as I do in the care we put in the convention. In organising it, in decoration, events, bar, and all other departments and activities. A good team truly makes the best ~~chemical~~ compound!

Flüüffff has a well-appreciated identity as a themed convention in the middle of Belgium, welcoming attendees that are curious about furry events or who want a great space to hang out with friends and like-minded folks. With the ongoing team and work we keep doing, we have found new ways of creating a space for everyone who is here with us now.

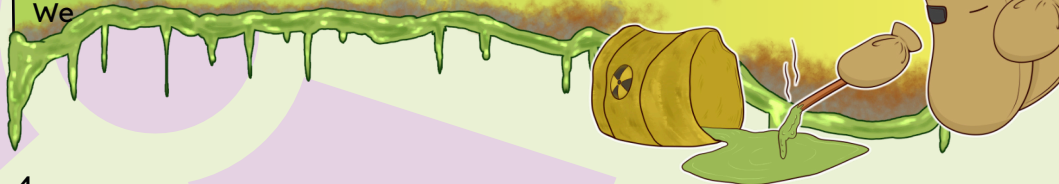

This conbook has all the ingredients ~~and the fumes~~ to make your stay at Flüüffff a great time. From where which events are to who you can poke when you're lost, it has it all! Check the Dealer's Den and the amount of fun panels around! I hope to find myself some ~~sludge~~ a good drink at the bar, you'll find me there with a boardgame!

Are you interested in joining and adding your vision and input to the great big cocktail mix that is a furry convention? Feel free to reach out to myself or HR@fluufff.org!

Kind, fluffy regards,

Laddian, ChairTiger of HR.

P.S Let's make it a convention to remember! We all deserve it!
We

Rules

Don't be an asshole. Always ask for consent before touching someone, especially suiters. Keep an eye out for your friends: we're all contributing to the safety of the convention.

Don't bring booze into the conspace (we'll take this seriously!). No drugs! No CBD!

Smoking or vaping is prohibited in the hotel and conspace, except in the smoking room, which can be located on the right of the skybridge when entering the conspace.

Have your badge with you and visible at all times. We check them at the entrance of the conspace!

Please take care of your personal hygiene. **Shower at least once a day.** Don't forget to take downtime when needed (nap, rest, walk in the city,...). Stay hydrated!

For more rules about our convention and hotel, please scan this QR code. Thank you for taking your time to check them out. Enjoy Flüüfff and stay safe!

We're here to help in case of trouble or emergencies. Stewards wear **pink vests** during their shifts (from 9am to 3am or last event).

If no one is available, reach out to the hotel. We will be located at the entrance of the con space, at the Dealer's Den, and during some panels!

Fursuit Affairs

Fursuit interaction

Fursuiting ≠ Consent! Always ask for permission before you photograph, hug, or touch a fursuiter.

Be mindful of their limited vision and hearing. Give them **priority in elevators** and help them out on staircases and busy places.

If you notice a fursuiter looking unwell, **help them to their room or the fursuit lounge**. The fursuit affairs or safety team (**pink vests!**) can help out and get a medic if needed.

Fursuit Lounge

Access to the Fursuit Lounge is **limited to con staff, fursuiters and 1 handler per suiter**.

No photography or filming allowed in the Fursuit Lounge, please respect people's privacy.

Be respectful for the fursuit dryers. Remove **ONLY** your suit when it is dried, not from others! **Do not put footpaws on the dryer** for hygienic reasons. Ask staff if you need a spot.

A Fursuit Repair Station is available for you to use for quick repairs on your suit. Put all the items back and **unplug the glue gun** when you're done using them.

Only water is allowed in this space. There will be snacks and drinks available for fursuiters. Please **throw away used cups and fursuit straws**.

Opening Ceremony

Our tropical little island got polluted with various barrels of nuclear waste and mysteriously leaky pipelines! So many signs, so much neon... Good thing our wonderful staff knows a thing or two about dealing with toxic goop. Join them to learn more about this convention, the charity, and everything else involved during your stay! Don't forget your hazmat suit!

My First Furcon By Floere

Is it your first time visiting a furcon, or has it been a while? Feel free to join this panel! Over here our friendly host will show you what you can expect from a furcon and what you should pay attention to. You'll get tips and tricks, which you can also use in your future convention trips. And who knows, maybe a fellow first time congoer can become your new friend?

Blood on the Clocktower By Kanosint

Also on Thursday and Friday

Welcome back, gentle townsfolk. Despite all the pain, the lies, the desperate pleading for your lives, the rabid calls for blood to save your own wretched skin, you are all still here. You did not leave. Time and time again you let this theater of cruelty play out under the merciless gaze of the ancient clocktower. You choose to be here. Will you send the demon back to hell? Or will you end up there yourselves?

Dance

Also on Saturday

Are you ready to PAARRTAAYYY? Come dance until the early morning with a variety of DJ's and tons of music to really keep you going! During the dance nights, the bar stays open extra late, so you don't get too thirsty after all that partying.

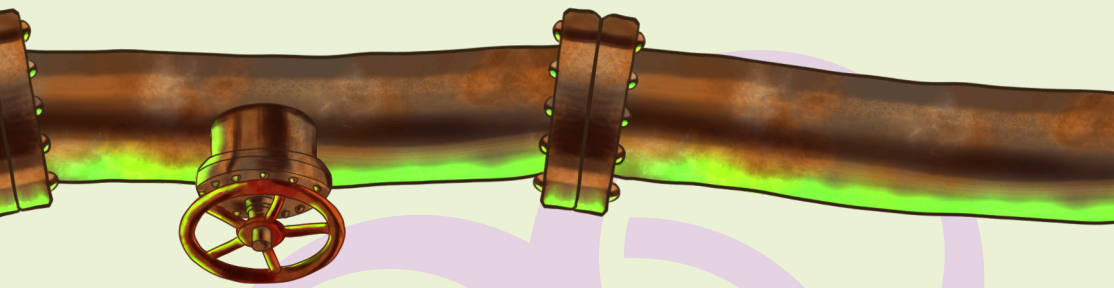

THURSDAY

How To Panel By Floere

So you want to hold you very own panel at Flüüfff but aren't quite sure how to go about it? Or you want to bounce a few ideas around for a future panel? Why sure! Come on over, take a seat, and we'll have a chat. We'll first present some techniques and tricks. After that, the toxic dump covered with a thin layer of carpet is yours! (No, really. Do take some with you! Soil sanitation is expensive...)

Beyblade Tourney By Wolfiecoo

Wanna have some nostalgia and let it rip with the original 2000s beyblades? Well say no more and join in! We'll provide a whole assortment of blades, but of course feel free to bring your own oldies! Aside from that we'll also be holding a mini tourney with a prize! The brand-new Beyblade X Beys will also be featured!

Fursuit Games By Frido

Test your skills in your fursuit during the Fursuit Games! A variety of games will test your agility, wits, and in the end, how much sweat your suit can hold after all that movement. Do you think you have what it takes? Then sign up beforehand!
(A sign up paper for this event will be placed in the Bar Lounge Area)

Tails & Tales By Richard Tello

I am a Lebanese writer and I always wanted to organize a little panel in which anyone can present themselves and their works, meet like-minded writers and authors, share ideas, etc..

Whose improv is it anyway? By Fumps

IMPROV! BANANAS! VULCANO! peel the avocado, peel the avocado, We will do improv, three kinds to be exactly! Classic, "meanwhile in", and "one room".

Group Picture

As is yearly tradition, There will be a group picture in the Mainstage once more! First with all the fursuiters, and afterwards with everyone else included. Make sure you are ready and at the Mainstage by then if you want to be sure you are on the picture!

Fursuit Making Round Table By Sibbs

Bring your projects, exchange knowledge about making suits with other makers and learn from them! Open to all, from seasoned veteran to absolute newbie.

F*cking Furies! By Lezari

Everyone assumes furies are 'very kinky', but where do kinks and fetishes come from? Ayke and Nikki, two sexual psychologists from Punt vzw, will explain us how this works for people of all sexual orientations, including ace people. After this you can check out the kink & fetish fair where some sexperts from our community can tell you more about a certain kink/fetish so you can dip your toe in the water in a safe and friendly environment.

Cuddle Party By Blueferd

Hugging a fursuit is the best there is. Not enough? Go to the cuddle party. Suiters and non-suiters are welcome. Don't be shy, they don't bite. This SFW panel is all about hugs and cuddles.

Puppy Kennel By Kauri Kakarauri

A safe play event for all the puppies to wag their tails and show how well behaved they are. Masks and other gear are allowed, obviously no exposed privates or sexual acts.

FRIDAY

Snack Exchange By Wolfiecoo

Snack Exchange! We all know it we all love it and guess what? Its back!!! For those uninitiated: the snack exchange is meant to share snacks with each other from all over the world. Be it a local delicacy, a well-known candy from a corner of the world, a weird but lovely drink, ... as long as you follow our guidelines, you are most welcome!

ToxiciTEA By Lezari

During previous editions, you'd be told all about the world of teas. But since lots of you also asked if you could share your own tea, we are hosting a tea PARLOR! Attendees will be bringing their own tea and tell you a bit about this. Feel free to visit the parlor, chat and relax and above all: enjoy our diversitea.

Advanced Animatronics Adventures By Floere

Did you hear that? Quick! Hide behind this eerily glowing barrel of... Let's pick the non-glowing one. What do you mean, you didn't hear that? How on earth do you manage to survive in this waste? No, not by being cute and fluffy. You, my friend, need an overly-convoluted solution to hear the world around you. And I hear a fellow named Floere's been working on something real good... But, there's been a rumor... Something about it all blowing-up in his face. Eh. What else is new?

Dance Workshop By Furryfloof/Mira

Teaching some basic dance moves and technique with at the end a little choreography. The workshop includes: a stretch + warm up / the teaching of the moves and elements / the choreography / cooldown.

Bring your Blåhaj to Con Day By Dacia

Got a Blåhaj and want to be part of the Cult? Then join us for a nice get-together with your favorite Blåhaj plushies and let's see how many we can pile up! All plush sizes and colors are welcome, same goes for Fursuiters or Blåhaj Suits. Just try to avoid bringing any toxic variations with you, we already got plenty of that at Flüüfff! Tag your own Blåhaj!!!

Furry after Forty By Floere

Well, there you have it. The gray hairs around your snoot aren't just a few rebellious strands any more. In fact, whole tufts of fur started to grow in exciting new places. But, it ain't just the little bothers of life, you know. There's also what you've learned along the way that may be of use... So, why don't you come to this alliteration of a panel, no matter if you're in your fifties, forties, thirties, or whatever. In dog years we're all dead at this convention anyhow, so who gives a damn.

Flüüfff Dance Competition By Romeo & Moonlight

We are back!!!! The Flüüfff dance competition, where individuals will dance their hearts out for you on stage! With their own dance routine, and where we will find out who will be crowned as the best dancer of Flüüfff 2024!

Flüüfff's Brainiest By Aelkan

Welcome to Flüüfff's Brainiest, one of the first original TV show-like quizzing panel! The best of the best is going to compete in order to win the grand prize and gain the title of 'Flüüfff's Brainiest 2024'. If you want to take part as a contestant, sign up and answer a few questions in the Small Panel room on Friday at 13:00.

Squëäks Meet & Greet By Kauri Kakarauri

Want to show off your gear, but get scared by dogs? This might be the place for you. Mingle with fellow shiny poodlers, drones and all sorts of other rubber critters and gear fans. Masks and other gear are allowed, obviously no exposed privates or sexual acts. If time / space allows, interested people could be allowed to mingle as well.

SATURDAY

Toxic Coffee Trance By Laddian

A guided coffee meditation.

Join Laddian's yearly coffee panel where they serve coffee in a format focused on experiencing this year. Join the paradox that is coffee and meditation to reach a energized but refreshed State of Mind. Expect a 30min guided meditation with coffee pouring and some relaxing coffee time after. Featuring Laddian's beans, as always.

Vore Meet & Eat By Kanosint

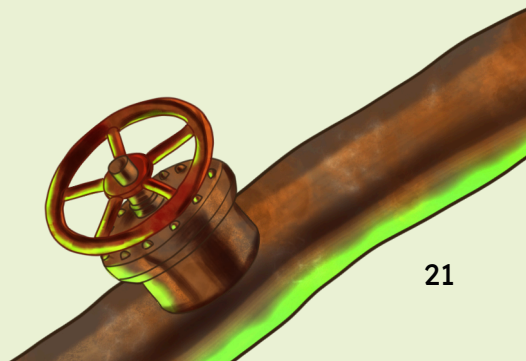

Revel with us in this thrilling urban jungle, and embrace your wild side with fellow furs of a more... culinary bend. Share stories, play games, enjoy the street food or get lost in a warm, tight embrace and escape the cold, dark alleys. (Taxi taurs available to and from the nearest bars. Arrival not guaranteed.)

Charity Q&A By Fumps

THE Charity panel! Get to know our Charity, hear about their cause and ask all your question.

Flüüfff Finale

Our furcon is coming to an end, let's finish it with a (nuclear) blast! Admire some fantastic fashionistas during the Runway, be amazed by performance artists on stage, and see what we have in store for the next edition of Flüüfff. This is definitely a finale you don't want to miss!

SUNDAY

Feedback Panel

Want to help us improve FLÜÜfff for next edition? Here's your chance! Get together with our feedback department and tell them about your experience: what would you love to keep and what can we improve?

Charity Auction

Going once, going twice, SOLD! Take a piece of FLÜÜfff home during the auction! As the name implies, all the revenue gained will go straight to our charity. I saw you eyeing that barrel, I know you want it.

FLÜÜfff Staff Recruitment

FLÜÜFFF NEEDS YOU!

Always wanted to know how to help in a large convention? Do you have ideas, inspiration, creativity or a vision for a specific department? Do you want to get experience you can mention on your CV, where your input builds a cool convention? This is the panel for you! Are you finding yourself with time and energy during the year, and want to help fluufff build cool new things, and don't know which department would fit you? Let's talk!

NO SET DAY

Wanna go skateboards? By Wolfiecoo

This panel will take place outside during nice weather, hence no set timing. To join, follow the instructions provided on the FLÜÜfff announcement!

Wanna hang out and shred? Dewit for the first time and learn the groundrulez? Just chill with the homies and have a tubular time in the sun? Well here's the panel for you jowzers!!!! See you later and kowabunga dudes!

Every day in the **Livingstone room**, there will be a **Cosy Safe Space** available.

A convention can be loud and overwhelming at times, especially when there is a lot going on. This space is meant for everyone who wants to escape the crowd but doesn't want to be alone. During the Cosy Safe Space, the Lounge will be inaccessible for groups bigger than 3 people, the noise level will be toned down, and we will have one or more volunteers which are happy to have a chat with you, if you feel like it. No sign-up or preparation needed, just drop by.

Making Waves with SEA LIFE Blankenberge!

We're excited to partner with **SEA LIFE Blankenberge** for our charity efforts this year! Located in the charming seaside town where Flüüfff began its journey, SEA LIFE Blankenberge is dedicated to **marine conservation and education**.

Why We're Partnering

At Flüüfff, we cherish our roots, and Blankenberge holds a special place in our history. Our very first convention space was found here in 2017, marking the beginning of our journey. To honor this connection and stay true to our origins, we've chosen to partner with SEA LIFE Blankenberge.

This year's theme, "**Toxic Critters**", aligns perfectly with our choice of partner. SEA LIFE Blankenberge's Seal Rehabilitation Center focuses on caring for seals that are rescued from polluted and contaminated environments.

Spotlight on Seal Rehabilitation

A highlight of SEA LIFE Blankenberge is its **Seal Rehabilitation Center**, established in 1998. This center has rescued and rehabilitated over 400 seals, giving sick and injured pups a chance to return to the wild. The SOS Rescue Team's dedication ensures these animals receive the care they need to thrive.

How You Can Help

This year, for the first time, SEA LIFE and Flüüfff are joining forces to raise funds for the **Seal Rehabilitation Center**. Our goal is to collect enough to rehabilitate at least one seal pup found on Belgium's shores.

Get Involved

Visit our panels, booth, and participate in fun games at the convention to learn more and contribute to this important cause. Together, we can make a significant impact on marine conservation!

Let's make waves for our oceans!

Spore seekers!

Get ready for an **exciting mini-game** throughout the convention and support our charity! We've hidden **mushroom stickers** all around the convention floor—at different panels, booths, and locations. Your mission is to **find them all** and contribute to a great cause!

How to Play:

- 1. Find Stickers:** Look for our hidden toxic mushroom stickers scattered across the venue.
- 2. Complete objectives:** complete and redeem objectives listed at the charity booth.
- 3. Decode the Message:** Follow the cryptic instructions located at various spots to piece together the code.

Check the schedule for times and locations where you can find clues.

Win a Unique Prize!

The person(s) to collect all the stickers and decode the secret message will win an exclusive prize!

To all our Sponsors: THANK YOU!

However cliché it may sound, a convention without your support wouldn't be a convention, and my god is there a lot of you this time! At the time of writing this, we reached 117 sponsors, and more keep coming. Your contribution makes us feel all warm and fuzzy inside, and ensures we can keep on investing in new ways of making the stay and experience of you and our countless amazing volunteers as smooth as possible. The road hasn't been easy, but with your help we keep moving forward and create a week full of friends and fun activities.

Thank you!

-FOOD AROUND BRUSSELS-

Did you get hungry after all the fun, but is Brussels still new for you? Don't worry, we got you covered! Here are a few of the huge variety of restaurants Brussels has to offer in walking distance of our hotel.

Wolf *Wolvengracht/Rue du Fossé aux Loups 50*

 14 min, 1km

A food market perfect for furries! Here you can find food stands with food from all over the world. Italian, Vietnamese, Mexican,... and it even has a microbrewery.

Kabuki *Kiekenmarktstraat/Rue Marché aux Poulets 32*

 9 min, 650m

This all-you-can-eat sushi restaurant is known for having a sushi train instead of a conveyor belt! It choo-choos while you chew-chew.

In 't Spinnekopke *Bloemenhofplein/Place du Jardin aux Fleurs 1*

 9 min, 650m

Don't worry, no spiders here, only classic Belgian dishes! Enjoy of what Belgium has to offer in this 18th century building.

Wasbar (& others) *Henri Mausstraat/Rue Henri Maus 45-47*

 7 min, 450m

Have your clothes gone really messy? This restaurant also has washing machines, so you can eat while you wait for your clothes to wash! This entire street has other good restaurants too, like Umamido, Fritland, and Manhattn's Burgers.

Waffle Factory *Lombardstraat/Rue du Lombard 30*

 5 min, 350m

Waffles with a twist! Besides the good ol' classics, this place also has savoury waffles filled with salmon, ham, or cheese. Sweet filled waffles are also on the menu.

Mr. Falafel *Bogaardenstraat/Rue des Bogards 6*

 2 min, 130m

Homemade falafels and a salad bar, right around the corner! Vegetarian and affordable.

Eatsmart *Zuidstraat/Rue du Midi 155*

 1 min, 70m

Basically next to the hotel is a cosy sandwich bar with artisanal bread. They also have salads, burgers, and small meals.

Flüüfff is not sponsored by these restaurants.

If any of these options are out of your budget or it's rather late in the night, there are also plenty of grocery stores and night shops in the neighbourhood.
