LETTER FROM THE CHAIRPERSON

I guess we did alright last year. We all worked our tails off, crossed our fingers, and hoped at least a few hundred furry friends would walk through those doors. Then eight hundred of you rushed Portland like it was doorbusters on Black Friday.

That weekend was an emotional rollercoaster, culminating at Closing Ceremonies when I couldn't hold it in anymore. The nice thing about a fursuit is nobody can tell when you're crying, even under a spotlight. Pouring myself into Furcationland last year was one of the most rewarding experiences in my life.

The embers of last year's Furcationland still glow, and we're excited to stoke the flames of new memories at Furcationland 2024: Fireside Tails!

I am so excited to see what this year will bring. This year's theme, Fireside Tails, is an invitation to gather around the metaphorical hearth, to share stories, laughter, and connection. Just like by a crackling fire, Furcationland offers a shared experience that warms the soul and creates lasting memories.

I'm particularly excited about the pre-con party at Arcadia on Thursday and the Monument Square Menagerie on Saturday. I am absolutely ecstatic that our little convention is reaching out into downtown Portland. No matter how you choose to participate, make the most of every moment. Join us for dances, panels, games, and create your own "Fireside Tails" to share for years to come.

Thank you to all our volunteers, staff, sponsors, and most importantly, you, the attendees. Together, we'll make Furcationland 2024: Fireside Tails a roaring success! Welcome, one and all, to the warmth of our furry community. May your weekend be filled with laughter, connection, and unforgettable tales by the fire.

OUR 2024 CHARITY

Greetings! We are so grateful to be designated the Furcationland 2024 charity. We are humbled and amazed by the support we received at Furcationland 2023, which raised \$7135.77 for our charity and has been helping make a difference in the lives of cancer warriors and their families. We look forward to enjoying this weekend with you all! Short Folks For Hope Foundation is a 501(c)(3) cancer support charity located in Oxford Hills, Maine, and established in September 2012. Having been diagnosed with breast cancer in July 2010, undergoing surgeries and months of chemotherapy and radiation while my husband and I cared for our three young children, I realized how much a cancer diagnosis affects the entire family. The kind support we received from others during my cancer journey and the precious time I have spent with other cancer warriors over the years are a source of inspiration and hope for me. I am grateful to be in remission and to have been able to help others in their cancer journeys for the past twelve years. I founded Short Folks For Hope Foundation with the mission to empower, encourage and celebrate cancer warriors of all ages, and to inspire and provide opportunities for youth to be creative, compassionate members of our communities.

We are 100% volunteer directed and operated. Your donations enable Short Folks For Hope Foundation to:

- Support cancer warriors of all ages with our special events and projects;
- Provide Hope Bear Encouragement Packs to cancer warriors and Angel Bear Memory Gifts to bereaved families;
- Creatively fulfill small wishes for cancer warriors and assist with travel costs for cancer treatment;
- Make visits to cancer warriors and youth with life-threatening illnesses at respite camps, homes and special events with our Furry Ambassadors Lagoona the Dutch Angel Dragon and Mama Bear Kalliope, as well as our Supers For Hope and Princesses For Hope characters;
- Sing for hospice patients;
- Support cancer care organizations that provide high-quality services free of charge to patients and their families;
- Inspire and provide opportunities for youth to help others;
- Recognize outstanding youth charitable efforts.

Thank you all for your support. Enjoy Furcationland 2024! With gratitude from Kristen Short and the Short Family and Short Folks For Hope Foundation Supporting the Cancer Community and Serving Up Hope...Family Style!

GUEST OF HONOR – FLEUR

Introducing our Guest of Honor, Fleur! Hailing from sunny Florida, Fleur is a Furry Artist bringing cute works of art that are fun for all ages. He uses bright colors to captivate, as well as capture the sheer joy of the characters he draws.

Furcationland was eager to have Fleur as our Guest of Honor, as their artwork represents the same energy and image we promote. His works can be enjoyed by everyone and spread a positive message of inclusivity and acceptance, making them a beloved figure in the LGBT community.

Join us in celebrating Fleur's contributions to furry culture and their ongoing efforts to promote diversity and friendship within our community.

GUEST OF HONOR – CHISE

Chise is a Senior Scientist in Vaccine Research and Development. Her research focuses on uncovering mechanisms of viral pathogenesis and host immunity then applying that knowledge toward development of safer and more effective vaccines.

Currently, her efforts have been dedicated to SARS-CoV-2 (COVID-19) as she helped develop and provide research for Moderna's vaccine that was co-developed with NIAID.

Outside of the pandemic, her research efforts have been dedicated to studying MERS-CoV, SARS-CoV, Zika, Ebola, DENV, HIV, RSV, Influenza, and other emerging pathogens.

When she is not at work or conducting research, she utilizes her fursonas and social media platforms to provide science communication on Twitter to help aid people's understanding of COVID-19 and the COVID vaccines. She also is a strong activist and member of the BIPOC and LGBTQIA+ community.
