CONBADGE ARTWORK

LETTER FROM THE CHAIR

Welcome, Furlandians!

I'd like to start by thanking all of you for coming to Furlandia 1957: Poodle Skirts and Duck Tails! This year marks the 6th annual meeting of Portland's premier furry convention (that's us!).

We have a lot of fun in store for you, but we couldn't have done that without our volunteers, DJs, panelists, and Guests of Honor who donated their time, effort, and love to ensure we all have a good time. Thank you, guys! (If you would like to join the team and be part of the behind the scenes magic, please visit our Volunteer/Info desk. You'll get some cool goodies, too.)

We aim to provide a dizzying array of fun, from the standards like the Fursuit Parade and Dance Competitions to Frankenplushie and our brand new Junior Furs Programming Track! And don't forget our awesome Gaming Room, sponsored and staffed by our Special Guests Epic Gaming. Our Art Track is much more robust this year, too.

Animal Aid returns as our Charity Guest for 2018, and we have an auction featuring some one-of-a-kind items. There's something in the auction for every budget, so come have some fun and support a good cause.

We have a full roster of Guests this year: Special Guest Artist Frances "Yote" McKeever, Special Guest DJ Nos Hyena, Art

Guest of Honor Mark "Werepuppy" Brill, YouTuber Guest of Honor Majira Strawberry, Fursuit maker Guest of Honor Mischief Makers, and Fandom Guest of Honor Gary Bell, a very well-dressed Victorian/Steampunk bunny.

Don't forget, if you are a Sponsor or Patron you get to mingle with our Guests of Honor at the Friday evening Cocktail Party (Patrons) and the Sunday afternoon Ice Cream Social (both Patrons and Sponsors). Great food and fun conversation!

Last but certainly not least, I would like to thank our gracious host venue--the Sheraton Portland Airport Hotel. This is our fifth year at the Sheraton, and for us old-timers it feels like coming home. The Sheraton treats us very well, and has welcomed us back year after year with open arms. In 2018 they are dazzling us with an amazing renovation/makeover, looking better than ever! Please treat the hotel and the hotel staff with the courtesy they deserve. If you have any questions about Furlandia's or the Hotel's policies or the use of public (non-convention) spaces, please don't hesitate to ask our Ops team (in the Garden Room, opposite the Registration tables) or our Info Booth.

Thank you all for your participation in this wonderful furry community, and I look forward to many more Furlandias!

Janene "Demi" Scott

CONBADGE ARTWORK

GUESTS OF HONOR

Mark “Werepuppy” Brill

Artist Guest of Honor

Mark Brill, otherwise known in furry fandom as WerePuppy, has been a professional illustrator and cartoonist in the Pacific Northwest for over 30 years, working for companies like Egghead Software and Sierra On-Line. For Malibu (then Marvel) Comics, he inked some Mortal Kombat comics and painted 4 Star Trek:DS9 covers. As a contract artist for Wizards of the Coast, he created dozens of card illustrations for the Magic: The Gathering, Harry Potter and the Chamber of Secrets and Hecatomb games.

Furries may know WerePuppy better, however for his comic books, such as Fur & Fury published in FurNation Magazine and His Rocketship Rodents and Fast Boyz Delivery Service comics published by Rabbit Valley Publishing.

Lately, in addition to his day job, Mark has been doing live-event caricature work, codename: Brillustrator, working on an all-ages anther comics called Dogwood Tales and keeping busy with his Tacoma-based cartooning and artists' group called C.L.A.W.

Majira Strawberry

YouTube Guest of Honor

Kyle Summers, better known as Majira Strawberry, is a furry YouTuber from Akron, Ohio. Majira joined the fandom in June of 2011 when he was 15 years old. He started his furry YouTube channel in mid-2015 and has dedicated most of his time and effort towards his videos ever since. He has gained over 60,000 subscribers on his furry channel with vlog, sketches and collaborations with other YouTubers. He is also VERY TALL.

GUESTS OF HONOR

Mischief Makers

Fursuit Maker Guest of Honor

The Mischief Makers have been creating custom fursuits since 2011. Sadie (Bongo Queen) loves working to make amazing costumes and started the small business for fun, but it has quickly become a big family full of great people all over the world.

Gary Bell

Fandom Guest of Honor

My interest in furry-dom started before I was ten—Krazy Cat was a favorite comic book of mine. The Uncle Scrooge caught my attention and I still read those comics—my extensive collection dates back to the early 50's.

My first convention was in 1990; I went with a colleague to Comic-Con and was amazed by the variety of costumes I saw. That was where I encountered my first “furry” costumes. The next con I attended was ConFurence Seven. That was quite an experience and I was hooked.

I volunteered for BayCon, and a few years later I accepted the position on their staff as Art Show Director, which I held for 10 years. Next I ran the Art Show for Further Confusion for another five years, even doing some Art Track programming.

My active participation as a costumer started in the late 90's, and Rennifer was born. He was asked by the owners of the Washington State Renaissance-Fantasy Faire to be their official mascot shortly after I moved to the Northwest. I had a great time and “Queen Anne of Scotland” knighted Renny and completed his name... Sir Rennifer of Avancourt. I have been at it ever since.

I have since moved to Washington, where I now live with an over-energetic Pomeranian named Foxy, or Fox for short.

SPECIAL GUESTS

Nos Hyena

Special Guest DJ

Nos is a hyena, fursuiter, musician, and YouTuber. He is originally from Melbourne, Australia, and currently lives and studies in Pittsburgh. He developed a huge interest in anthros and costuming from a young age, and his teenage dream career was to become a professional sports mascot (an excuse to fursuit every day). Shortly after moving to Pittsburgh, he saw furries everywhere, and decided to dive head first into the fandom. 20-odd cons later, he is probably most well known for the silly videos he uploads to YouTube, his musical compositions, and the general tomfoolery he gets up to in fursuit.

Frances “Yote” McKeever

Special Guest Artist

From an early age, Yote, a tawny colored coyote, had a passion for art. For a little over three decades, Yote dedicated herself to learning everything she could when it came to sketching and coloring. Remarkably, she has never set foot in a classroom environment. Yote is a self-taught colored pencil artist, once dreaming of becoming a Walt Disney Studio animator, who somehow wound up in law enforcement.

Yote has overcome incredible challenges in her career as an artist. An Operation Iraqi Freedom war veteran with the Washington Army National Guard and a domestic violence survivor, Yote has always followed her passion for art, using it to touch the hearts and souls of her viewers, and to show the power of courage and persistence through tragedy.

FURLANDIA RULES OF CONDUCT

General Conduct

Please use common sense and respect other peoples' right to enjoy the event. Remember that any activity which is illegal by municipal, county, state, or federal statute, law, or regulation outside the event is illegal during the event. Event staff will ask you to stop any observed illegal activity. If the illegal activity continues or is particularly dangerous or offensive, event staff will report this activity to hotel security and other proper authorities. While in public or in convention spaces, attendees are expected to maintain a "PG-13" standard of conduct. Repeat offenders may have their membership suspended or even revoked. Please also note that the event staff retains the right to deny entry to anyone and that you can be asked to leave at any time without a warning.

Badging Policy

Furlandia ensures that each member gets both a lanyard and at least one type of membership badge. Your proof of membership is defined as your current year badge issued to you by the convention, and must be clearly visibly displayed at all times during our event. Event staff can request to see proof of membership at any time. Event staff may deny you access to events or event space if you do not have proof of membership. All Furlandia-issued badges remain the property of RAIIn for the duration of the convention and must be surrendered upon request.

Identification policy

As previously mentioned, all attendees (in and out of costume) are required to have their con badge clearly visible at all times while in event space. The event badge must not be obscured by custom badges, and must remain outward facing so the name is visible. Occasionally the hotel staff will ask for costumers to "lift your head" when ordering food, requesting services or communicating with hotel staff. The hotel policy regarding costumes is no head coverings, so the Sheraton Portland Airport Hotel is being very generous by allowing costumers, fursuiters and others. Please be courteous when interacting with hotel staff and do as they request. If you have a conflict with a hotel staff member, please remove yourself from the situation and seek a Furlandia staff member for assistance. DO NOT antagonize the hotel staff—they are our friends and allies.

Any member entering the adult programming area must present a valid government-issued photo ID in addition to current year proof of membership. By entering the adult programming area, you agree to "lift your head" for an identification check when requested by hotel or Furlandia staff, and to abide by the

rules for behavior for adult events which will be posted in the adult programming area.

Media Policy

As per our policy, the staff has decided not to allow ANY media coverage at the event without PRIOR approval. Attendees purchasing a membership agree not to act as media agents in any way, shape, or form while attending our event. Making photographic, audio, or video recordings of any convention event for investigative or commercial purposes is strictly forbidden.

Hotel

As a convention attendee, you are a guest of the hotel and must abide by the hotel's rules and policies whenever you are on the premises. If you are unsure if something is allowed, Hotel Front Desk will be able to assist you. This is NOT a case of "it's better to ask for forgiveness than permission". If you are expelled from the hotel for violation of their rules, you immediately forfeit your event membership and must surrender your badge, and there will be no refund. You are personally responsible for any damage you or your minor children cause to hotel property, as well as any pets you bring or guests you have in your room. The event space and public spaces of the hotel may not be used as sleeping areas.

Dress code

Hotel dress code is that all visitors to the hotel in common areas (e.g. lobby and hotel corridors) must be covered from shoulders to thighs. The swimming pool area is the only exception to this rule. Violations of this policy will result in no access to the event space. If you aren't sure about your dress, please ask a staff member for guidance.

Further to these guidelines, attire that is typically used in adult-only settings, such as harnesses or pony tack not worn over a fursuit or clothing satisfying the dress code; pup masks; latex or spandex suits; or any attire that emphasizes or suggests the swimsuit-area body parts is only permitted in the adult programming area after the minor curfew, and in the adult-hours dance after the minor curfew.

No shoe policy

Hotel policy is shoes are required while in common areas (e.g. lobby, ground floor corridors). No shoes, no service—no access to the event space.

FURLANDIA RULES OF CONDUCT

Harassment and Assault

Harassment is defined as any behavior that alarms or intentionally annoys another person. This includes making any unwanted physical contact, following someone around a public area without a legitimate reason, or threatening to physically attack someone. Please remember that if you approach someone and they tell you “no” or to leave them alone, your business with them is done. If you do not leave them alone as they have requested, your actions may be grounds for a complaint of harassment. If you feel that you are being harassed, or you have been assaulted, please report the matter immediately to event staff. This is also the place to note that **COSTUME IS NOT CONSENT**. Even if someone is dressed in an alluring or provocative manner, it is **NOT** an implied invitation to touch, grab, or make inappropriate or unwelcome comments.

Weapons

Bladed weapons (such as daggers or swords) and toy firearms are acceptable provided they have been peace-bonded such that they clearly cannot be drawn. All peace-bonding should be done in Ops to make sure they are performed correctly. Toy firearms need to have an orange tip on the barrel if they are even remotely realistic-looking. Water guns, Silly String-type products, and projectile weapons of any kind are **NOT** acceptable due to the potential for damage to costumes, hotel property, etc. “If it is drawn, you’re gone”. Any drawing, displaying, brandishing, or making any threatening gesture with any weapon or firearm, both real and replica, shall be cause for immediate expulsion from the event. The only exception to this shall be at a pre-arranged demonstration or event with the permission of the event coordinators, or when posing for pictures (please use your best judgment).

Under-age Members

Minors under the age of 13 must be accompanied by a paid member who is a parent, legal guardian, or an adult designated as responsible for them by their parent or guardian at all times. For minors from age of 13 to 17, there must be a responsible adult on site and able to be contacted at all times. All minors must have a parent or legal guardian sign a waiver.

Minor Curfew

All attendees under the age of 18 **MUST** be out of the St. Helens area by 9:00 PM. Curfew for minors in the other areas of the event space is midnight. Furlandia staff will check identification for proof of age for all members present in the St. Helens area after 9:00 PM.

Violations and Appeals

Violations of these policies will be handled by event staff as deemed appropriate by staff. Violators will be asked to cease and desist. Violators may have their membership suspended, revoked, or up to a 390 day ban placed. Two members of the executive committee (one of whom must be the Convention Chair or Vice-Chair) are required in order to revoke a membership. Membership revocations are final, however a ban may be appealed to the RAIIn Board of Directors. Decisions made by the majority of Board of Directors are final.

FURLANDIA DRESS CODE

ALL VISITORS TO THE HOTEL IN COMMON AREAS (E.G. LOBBY AND HOTEL CORRIDORS) MUST BE COVERED FROM SHOULDERS TO THIGHS.

SWIMMING POOL AREA IS THE ONLY EXCEPTION TO THIS RULE.

VIOLATIONS OF THIS POLICY WILL RESULT IN NO ACCESS TO THE EVENT SPACE.
