A MESSAGE FROM US, TO YOU

Traditionally, the letter featured at the front of our conbook is filled with information regarding our special guests, our volunteers, the facility, and everything else that is put in motion to create a fun weekend for our attendees. This year, we would like to focus on something a little different. You, the people who truly make this event happen. We could go on, about the hundreds of hours put into organizing, and planning. Some of us could rant about the difficulties and conflicts that we have endured over the past 12 months making this happen. However, it's all dwarfed in comparison when we see the line of people waiting to get in, the smile on someone's face as they experience their first large event, and the laughter of a group who are making friends with each other because of our event.

Seven years ago, Furlandia started as a small 300 person meetup, and has grown to be the sizable event it is today, because of those who come year after year. From all of us who put the work in to make this happen, we not only appreciate your patronage, but thank you for helping the event become what it is today. It wouldn't be possible without you.

The Furlandia Staff

GUESTS OF HONOR

Frances “Yote” McKeever

Artist Guest of Honor

From an early age, Yote, a tawny colored coyote, had a passion for art. For a little over three decades, Yote dedicated herself to learning everything she could when it came to sketching and coloring. Remarkably, she has never set foot in a classroom environment. Yote is a self-taught colored pencil artist, once dreaming of becoming a Walt Disney Studio animator, who somehow wound up in law enforcement.

Yote has overcome incredible challenges in her career as an artist. An Operation Iraqi Freedom war veteran with the Washington Army National Guard and a domestic violence survivor, Yote has always followed her passion for art, using it to touch the hearts and souls of her viewers, and to show the power of courage and persistence through tragedy.

Frances Pauli

Author Guest of Honor

Frances Pauli writes speculative fiction and has authored many novels, most of which have at least one animal character or another. She's recently focused her attention on anthropomorphic stories and is fairly certain she'll never go back.

Her novella, *The Earth Tigers*, has been nominated for both a C oyotl and a Leo award. Her short stories have also appeared in *Daily Science Fiction*, *Roar 8*, *Dogs of War*, *Gods with Fur*, *Bleak Horizons*, *Arcana*, and *Symbol of a Nation*.

She posts free stories, excerpts, serials, and previews of the upcoming *Hybrid Nation* books on social media sites as Mamma Bear. A full list of her publications can be found on her website: francespauli.com.

Frances lives in Washington state with her family, four dogs, two cats, and a variety of tarantulas.

GUESTS OF HONOR

DJ Trishy

DJ Guest of Honor

DJ Trishy is the geeky, nerdy DJ taking the local convention circuit by storm. Known for her reputation as a safe, inclusive, and accepting performer, she works with her crowds to create an experience that fits each group. It all started in 2013 while working with a creative team on Second Life. One of her team members suggested that she start learning to DJ as a way to spend time with her children during the week and make money on the weekends. She began to practice in the virtual world and eventually began filling in for DJ Dave (DJ Akuma) at the AFK Tavern in Everett, WA. Under his mentorship, she gained a following in the cosplay circuit and began doing events for cosplay groups, private parties, and conventions. She is a cosplayer, gamer, seamstress, SCAdian, and mom of 7 children.

Bucktown Tiger

Musical Guest of Honor

Bucktown Tiger is a lyricist and keyboardist who specializes in creating and performing music tailored to the furry community. Bucktown has covered numerous classical and popular songs on the keyboard, all while in his tiger suit. In addition, Bucktown has released original furry-themed albums and instrumental piano albums. A network engineer by trade, Bucktown has also written songs about networks, routing protocols, and “making the Internet go.” In his spare time, Bucktown enjoys among other things playing baseball, distance running (well, mostly walking with a bit of jogging mixed in), and retro arcade gaming, and he’s an okay trivia player. A lifelong Arkansan, Bucktown resides with his wife in the Little Rock area.

Bucktown feels that music should be a reflection of our lives. Knowing that we can make more money, but we can’t make more time, Bucktown believes that we should spend our time like it’s our time, and he strives to do that each and every day, both in his music and in his life. Bucktown has performed at events literally from coast to coast, but Furlandia 2019 will mark his first time in the Portland area, and he looks forward to sharing his music with all of you as Musical Guest of Honor!

Feel free to check out Bucktown’s music at bucktowntiger.com as well as on YouTube ([bucktowntiger](https://www.youtube.com/user/bucktowntiger)) and on iTunes, Amazon, Spotify, etc.

GUESTS OF HONOR

Taebyn

Fandom Guest of Honor

Although Taebyn has been a fur for about 20 years (Disney's "Robin Hood" was one of his earliest anthropomorphic influences), he has been active in the furry fandom for about four of those years.

He loves math, drumming, dancing, and giving hugs! He also loves to entertain and make people happy, and his YouTube channel has a number of videos both educational and fun.

You will often find Taebyn running around at furry conventions hugging every fluff he can, because he is a super-friendly 2 yr old pup with cute little pawsies! Bark bark!

CHARITY

Chintimini Wildlife Center

Chintimini Wildlife Center (located outside Corvallis, Oregon) is home to a wildlife rehabilitation clinic, a raptor conservation program, and a youth education program. They provide care for injured and orphaned wildlife with the goal of returning them to their natural habitat, and strive to foster a healthy understanding and connection between people and wildlife.

Their clinic admits injured and orphaned native wildlife every single day, and provides care for over 1,700 animals each year. Their volunteers donate over 12,000 hours annually and they receive thousands of calls on their wildlife emergency hotline. Since its founding in 1989, the clinic has served over 25,000 animals in need.

The Center does not receive any funds from federal, state, county, or city agencies. Instead they rely upon donations, grants, merchandise sales, and special-event fundraisers like Furlandia.

Chintimini is open to the public during summer youth camps, Family Saturday activities, and other planned events/educational programs. Check their calendar of events for more info.

SPECIAL GUESTS

Moms of Furrries™

Special Guests

We are Carrie and Joelle, aka the Moms of Furrries™! We are best pals whose kids introduced us to the fandom. We are grateful to our teens because they bravely took the initiative to educate us about being furry.

When we attended our first convention with the kids we were so moved. On the last day of the convention we decided it was our duty to share our experience with other possibly hesitant parents. Our first YouTube video garnered more support than we could have imagined and we have now become part of this wonderful community.

Our overall mission is to share the benefits of the furry fandom and dispel myths and negative stereotypes. As part of our mission we want to create fun, age appropriate furry convention activities targeted to youths and their families. We hope to make many new friends at Furlandia 2019!

Epic Gaming

Special Gaming Guests

Founded in late 2010, Epic Gaming made its start through developing the Magic & Pokémon scenes of South Portland, providing singles support, tournaments, and open playspace from noon to ten, seven days a week. After doubling its floor space in 2014 Epic added Dungeons and Dragons Tables and Console Gaming Tournaments to its lineup which today draw dozens of enthusiastic fans to weekly events. Whether you are a seasoned veteran of Commander, a returning Role-Playing afficionado looking for a new home, or an up and coming e-sports enthusiast, Epic has communities eager to welcome you to their fold. At Epic, we Keep Portland Gaming!"

FURLANDIA RULES OF CONDUCT

General Conduct

Please use common sense and respect other peoples' right to enjoy the event. Remember that any activity which is illegal by municipal, county, state, or federal statute, law, or regulation outside the event is illegal during the event. Event staff will ask you to stop any observed illegal activity. If the illegal activity continues or is particularly dangerous or offensive, event staff will report this activity to hotel security and other proper authorities. While in public or in convention spaces, attendees are expected to maintain a "PG-13" standard of conduct. Repeat offenders may have their membership suspended or even revoked. Please also note that the event staff retains the right to deny entry to anyone and that you can be asked to leave at any time without a warning.

Badging Policy

Furlandia ensures that each member gets both a lanyard and at least one type of membership badge. Your proof of membership is defined as your current year badge issued to you by the convention, and must be clearly visibly displayed at all times during our event. Event staff can request to see proof of membership at any time. Event staff may deny you access to events or event space if you do not have proof of membership. All Furlandia-issued badges remain the property of RAIn for the duration of the convention and must be surrendered upon request.

Identification policy

As previously mentioned, all attendees (in and out of costume) are required to have their con badge clearly visible at all times while in event space. The event badge must not be obscured by custom badges, and must remain outward facing so the name is visible. Occasionally the hotel staff will ask for costumers to "lift your head" when ordering food, requesting services or communicating with hotel staff. The hotel policy regarding costumes is no head coverings, so the Sheraton Portland Airport Hotel is being very generous by allowing costumers, fursuiters and others. Please be courteous when interacting with hotel staff and do as they request. If you have a conflict with a hotel staff member, please remove yourself from the situation and seek a Furlandia staff member for assistance. DO NOT antagonize the hotel staff—they are our friends and allies.

Any member entering the adult programming area must present a valid government-issued photo ID in addition to current year proof of membership. By entering

the adult programming area, you agree to "lift your head" for an identification check when requested by hotel or Furlandia staff, and to abide by the rules for behavior for adult events which will be posted in the adult programming area.

Media Policy

As per our policy, the staff has decided not to allow ANY media coverage at the event without PRIOR approval. Attendees purchasing a membership agree not to act as media agents in any way, shape, or form while attending our event. Making photographic, audio, or video recordings of any convention event for investigative or commercial purposes is strictly forbidden.

Hotel

As a convention attendee, you are a guest of the hotel and must abide by the hotel's rules and policies whenever you are on the premises. If you are unsure if something is allowed, Hotel Front Desk will be able to assist you. This is NOT a case of "it's better to ask for forgiveness than permission". If you are expelled from the hotel for violation of their rules, you immediately forfeit your event membership and must surrender your badge, and there will be no refund. You are personally responsible for any damage you or your minor children cause to hotel property, as well as any pets you bring or guests you have in your room. The event space and public spaces of the hotel may not be used as sleeping areas.

Dress code

Hotel dress code is that all visitors to the hotel in common areas (e.g. lobby and hotel corridors) must be covered from shoulders to thighs. The swimming pool area is the only exception to this rule. Violations of this policy will result in no access to the event space. If you aren't sure about your dress, please ask a staff member for guidance.

Further to these guidelines, attire that is typically used in adult-only settings, such as harnesses or pony tack not worn over a fursuit or clothing satisfying the dress code; pup masks; latex or spandex suits; or any attire that emphasizes or suggests the swimsuit-area body parts is only permitted in the adult programming area after the minor curfew, and in the adult-hours dance after the minor curfew.

FURLANDIA RULES OF CONDUCT

No shoe policy

Hotel policy is shoes are required while in common areas (e.g. lobby, ground floor corridors). No shoes, no service—no access to the event space.

Harassment and Assault

Harassment is defined as any behavior that alarms or intentionally annoys another person. This includes making any unwanted physical contact, following someone around a public area without a legitimate reason, or threatening to physically attack someone. Please remember that if you approach someone and they tell you “no” or to leave them alone, your business with them is done. If you do not leave them alone as they have requested, your actions may be grounds for a complaint of harassment. If you feel that you are being harassed, or you have been assaulted, please report the matter immediately to event staff. This is also the place to note that **COSTUME IS NOT CONSENT**. Even if someone is dressed in an alluring or provocative manner, it is **NOT** an implied invitation to touch, grab, or make inappropriate or unwelcome comments.

Weapons

Bladed weapons (such as daggers or swords) and toy firearms are acceptable provided they have been peacebonded such that they clearly cannot be drawn. All peacebonding should be done in Ops to make sure they are performed correctly. Toy firearms need to have an orange tip on the barrel if they are even remotely realistic-looking. Water guns, Silly String-type products, and projectile weapons of any kind are **NOT** acceptable due to the potential for damage to costumes, hotel property, etc. “If it is drawn, you’re gone”. Any drawing, displaying, brandishing,

or making any threatening gesture with any weapon or firearm, both real and replica, shall be cause for immediate expulsion from the event. The only exception to this shall be at a prearranged demonstration or event with the permission of the event coordinators, or when posing for pictures (please use your best judgment).

Under-age Members

Minors under the age of 13 must be accompanied by a paid member who is a parent, legal guardian, or an adult designated as responsible for them by their parent or guardian at all times. For minors from age of 13 to 17, there must be a responsible adult on site and able to be contacted at all times. All minors must have a parent or legal guardian sign a waiver.

Minor Curfew

All attendees under the age of 18 **MUST** be out of the St. Helens area by 9:00 PM. Curfew for minors in the other areas of the event space is midnight. Furlandia staff will check identification for proof of age for all members present in the St. Helens area after 9:00 PM.

Violations and Appeals

Violations of these policies will be handled by event staff as deemed appropriate by staff. Violators will be asked to cease and desist. Violators may have their membership suspended, revoked, or up to a 390 day ban placed. Two members of the executive committee (one of whom must be the Convention Chair or Vice-Chair) are required in order to revoke a membership. Membership revocations are final, however a ban may be appealed to the RAI Board of Directors. Decisions made by the majority of Board of Directors are final.

FURLANDIA DRESS CODE

ALL VISITORS TO THE HOTEL IN COMMON AREAS (E.G. LOBBY AND HOTEL CORRIDORS) MUST BE COVERED FROM SHOULDERS TO THIGHS.

SWIMMING POOL AREA IS THE ONLY EXCEPTION TO THIS RULE.

VIOLATIONS OF THIS POLICY WILL RESULT IN NO ACCESS TO THE EVENT SPACE.
