

Furnal Equinox

Under the Sea

March 15th - 17th Toronto Canada

Code of Conduct

This Code of Conduct is a short version for reference only. The full version is posted on our website. We want ALL of our attendees to have fun at Furnal Equinox! To help accomplish this, we've developed this Code of Conduct to ensure that everybody can have fun, and that the con can continue for years to come.

1. Rule Number One

Anything that damages, interferes with and/or causes serious harm to our events' operations or reputation is not permitted.

2. Con Badges & Admission

In order to complete registration and receive your con badge, you must present valid photo identification that proves your identity and age. All attendees must wear their con badge where it is visible to enter and remain in con space. Minors (defined as convention attendees under the age of 18 by the convention start date) must have the written consent of their parent or legal guardian to attend the convention. In addition, any minor under the age of 15 must be accompanied at all times by a parent, legal guardian, or authorized chaperone while in convention space.

3. Our Rating

Furnal Equinox activities and event space are rated "PG". Attendees must conduct themselves in accordance with our "PG" rating, including but especially in any area visible to non-attendees or the public. Exceptions may be made for events or areas designated by convention staff. Please refer to the Apparel Guidelines posted on our website for further clarification on apparel.

4. Racism and Bigotry Are Not Tolerated

All attendees have a right to equal treatment without discrimination due to race, ancestry, place of origin, colour, ethnicity, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status or disability. Acts of discrimination promoting hatred are not welcome at our event and are a criminal offence.

5. Alcohol & Drugs

You must be 19 years of age or older to possess or consume alcohol in Ontario. Alcohol is not served or permitted in event space. Please drink responsibly at the hotel bar or in your hotel room. Smoking or vaping is only permitted in hotel-designated areas outdoors. You cannot consume or distribute controlled substances at our event.

6. Event Space, Hotel Rooms, and Room Parties

Respect the space, those within it, and the venue management. Do not damage property, inconvenience other guests, or cause unnecessary disturbance.

7. Costume, Cosplay, and Prop Policy

Attendees must be prepared to present any prop(s) carried within event space, including those that could be mistaken for weapons, for inspection when requested. Costumes modelled after law enforcement or military are expressly forbidden within convention space.

8. Harassment

"Costume" does not equal consent and the universal rule applies: "No" means NO! Any instances of harassment should be reported to convention security immediately.

9. Vendors & Advertising / Selling Goods and Services

Advertising and sale of goods and services is permitted only by persons approved by Furnal Equinox, in designated areas.

10. Pets and Service Animals

Only service animals are allowed in convention space. Pets are not permitted in event space for safety and allergy-related reasons.

11. Photography, The Media, And You

Media (reporters, etc.) are not permitted in convention space unless authorized by Furnal Equinox. Photography is not permitted in certain areas.

12. Limitation of Liability

Furnal Equinox aims to take reasonable care to ensure the safety of its attendees. However, attendees should be aware of their well-being at all times. By registering attendees acknowledge that certain events at the convention (fursuit events, parades, games) may present an additional risk of injury. Attendees are not permitted to sleep overnight in the hotel lobby, public washrooms, or convention space.

If you violate this code, you can expect any of the following:
A verbal or written warning;

- Removal from con space;
- Cancellation of your registration without refund;
- A ban from future events hosted by us;
- Reporting to venue management or the police.

**Please help us protect you and everyone else
who is attending the convention.
Have fun this weekend - and be safe!**

**Reach out to our Security team at any time:
1-855-46-FURRY
(1-855-463-8779)**

For the safety and protection of all attendees, we have increased support from an external private company and uniformed members of the Toronto Police Service. We understand that this may be uncomfortable, but this decision will allow us to have better, faster responses, should serious emergencies arise
Thank you for your understanding!

Health and Safety Statement

Furnal Equinox doesn't require masking or proof of vaccination this year. But remember, COVID hasn't gone away, and neither has old fashioned con crud! Some of our friends need everyone's help to protect weaker immune systems.

Give each other space, wash your paws regularly and respect those who mask. We're on this expedition together, and we should stay healthy together!

Guests of Honour

KikiDoodle

KikiDoodle is an artist and designer from Portland, Oregon, who has worked as a professional artist for over 15 years. She's best known for her Purrrmaids plush line and numerous cat drawings inspired by her large crew of sphynx and cornish rex kitties. She's been attending furry cons since 2010 but this will be her first Canadian show!

SewingStuffs Fursuits

Eve is a Canadian rat that sews... stuff. She started out as a general crafter, sewing small household items after being taught the skill by family. In 2015, she learned about fursuits and figured, "Hey, I can do that". She's been a full time fursuit maker ever since! She specializes in toony fursuits, but especially loves hyenas. SewingStuffs is a single rat-lead team, unless you count the studio sphynx cats who are the office managers!

Avian Invasion

Once an ordinary human—aging, broken, bereft of hope—the being now known as Bird One was rebuilt by a race of robotic birds from a distant galaxy. Now his mission is to use the uplifting sounds of music to infuse light wherever there is darkness.

The Avian Invasion begins now. Avian Invasion proudly services the audiences that typical Earth DJ's overlook: the outcasts, the queer, those who defy categorization and disrupt the "normal."

The blue lines show how the escalators connect levels!

Did you know there are multiple places in the Main Lobby to get food or drinks? Whether you need a quick pick me up or a sit down meal, We've marked a few locations you can try

I point to important locations that are harder to find!
