FOREWORD

The Ice Age has finally passed! Sunny and Slappy both awake from their deep slumber, eager to welcome you to FURUM : Con of the Lost!

From the bottom of our hearts, the FURUM team would like to thank all of you for your unwavering support in making this con happen! Though it is a smaller con this time around, (the team also just came out of hibernation, we need to readjust!) it is still packed with exciting panels and activities for all to enjoy!

The past few years have no doubt been tough on all of us. Even now, we move forward carefully into an uncertain future. While we pushed for FURUM to happen this year, the organizing committee has ensured that all appropriate safety measures have been taken for your comfort and ease of mind.

So remember, follow the rules, respect your fellow con-goers, and most importantly, have fun!

GUEST OF HONOUR

FURUM 2022 : Con of The Lost is proud to present Zephyxus as our Guest Of Honour!

A well-known artist in the fandom, Zephyxus started his art journey 11 years ago, initially as a hobby. It was not until 2018 that he quit his day job and turned his full attention to the craft. Since then, he has been a full-time digital painter, dedicated to crafting beautiful furry artworks, mostly in the form of fanart and commissions.

Apart from digital painting, he has worked on 3D modelling, originally to make VRChat avatars for his partner, TeryxC, and himself. He later made them available as bases for public use on his Gumroad, namely ZWolf and ZDragon.

Zephyxus also streams on Twitch regularly, where he paints his art live while having engaging conversations with his viewers. He has a lot of fun sharing his continued artistic journey and encourages you to join in and say hi! (He promises not to bite... unless you want him to!) Catch him on Twitch every Mon, Wed and Fri at noon (GMT +8)!
