GREETINGS SPACIAN

Welcome to FURUM 2023: ConSpace, our biggest convention yet! Captain Sunny and First Officer Slappy invites you to join them as they embark on an expedition across the vastness of space.

True to the name, the team has managed to secure a bigger convention space this year, and packed it with even more activities! We sincerely hope you will enjoy the things we have in store for you (we certainly had fun planning them!).

We at FURUM are deeply grateful for your unwavering support throughout the years. Without you, the con would never have been able to grow as much as it has. As you explore the convention, take pride in knowing that you made it possible!

We wish you good luck on your mission, and remember to have fun!

GUEST OF HONOR

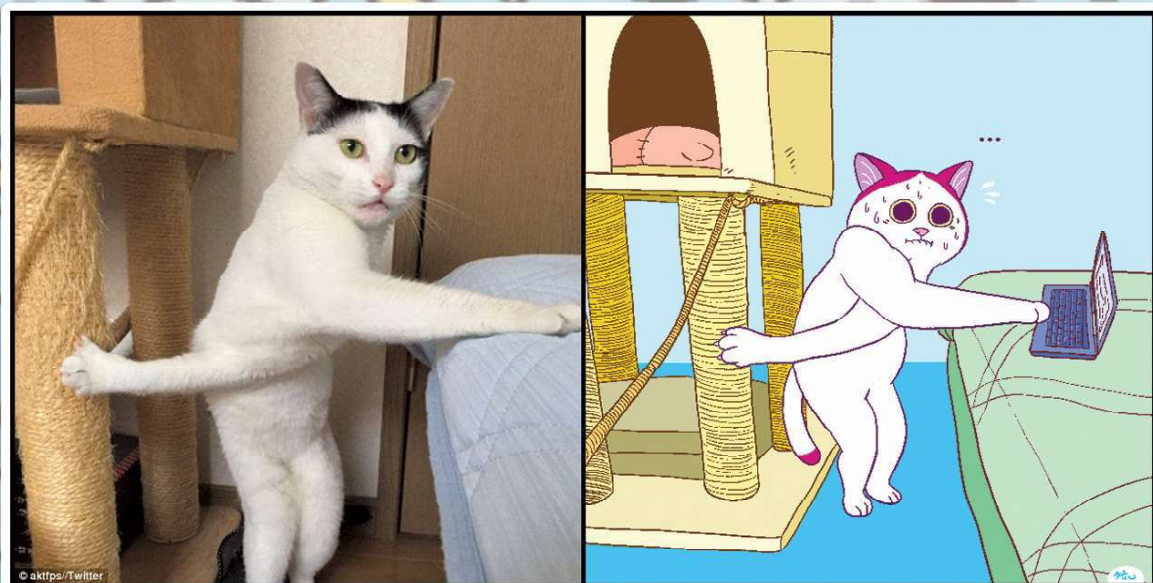

Hello, my name is Kévin but mostly known as Kékéflipnote online. I am an animator and illustrator.

I animate on my Nintendo DSi and 3DS, this is how I learnt to animate by the way.

I make bouncing animations and cartoons with mostly animals, they always inspired me a lot since I was a kid and allow me to build stories and scenarios. I am honored to be a guest of honor for FURUM 2023!

CHARITY

Katzen Cat Sanctuary

FURUM is proud to once again work with Katzen Cat Sanctuary, a no-kill cat shelter run by loving and passionate sisters, Suraya and Shariza, in honour of their friend's memory. Founded in 2011, the shelter has since worked tirelessly to provide a home for cats that are elderly, requires special attention or suffer from terminal illness. Currently, Katzen has approximately 70 cats in their care.

Moving forward, the sisters hope to expand their operation to better care for the cats by implementing quarantine facilities and outdoor spaces where the cats can live out the rest of their lives happily. To learn how you can contribute to their noble goal, check out the social media links below:
