GUEST OF HONOUR

FURUM is proud to announce Sean Chiplock as our Guest of Honour this year!

A professional voice actor based in California, it is difficult to not have come across his energetic performance in some way. Sean has lent his talent to projects such as *Zelda : Breath of the Wild* (as Teba and Revali), *Jojo's Bizarre Adventure* (as Guido Mista) and *Guilty Gear Strive* (as Ky Kiske) to name a few!

Sean attributes his love for voice acting to his younger days. Growing up, he played games during an era where characters were not voiced and would 'dub' them himself, playing each role using a range of vocal archetypes to enhance his gaming experience. He would later join and win the 'AX Idol' voiceover competition in 2009, jumpstarting his career.

His love for gaming, however, never changed. Sean now streams casually on Twitch, subsisting on a steady diet of *Megaman Battle Network*, *Etrian Odyssey*, and *Smash Bros*. If you tune in to the streams, you might catch him 'dubbing' characters in real time!

Katzen Cat Sanctuary

Katzen Cat Sanctuary is back as our charity partner this year! This no-kill cat shelter, run by sisters Suraya and Shariza, has been continuously working since 2011 to create a loving forever home for cats that are too old or sick to be adopted. With your help, the cat sanctuary will be able to expand and help even more kitties in need, providing them with much needed medical treatments and food.

If you would like to help them out via personal donations or to volunteer at the shelter, check out the social media links below:
