WAD SCIENCE

Welcome

Greetings, fellow experimenter and mad enthusiasts!

Welcome to Furvester, the five-day spectacle of fur, fun, and, of course, a dash of electrifying madness! Nestled in Reutlingen, our gathering attracts almost 600 furries from every corner of the globe, creating a melting pot of creativity, friendship – and chaos.

This year, we are thrilled to unveil our diabolical plan for charity – introducing the “Vaihingen/Enz Animal Shelter” as our noble cause. This haven, run entirely on voluntary brilliance, shelters approximately 50 cats, five dogs, and a myriad of small creatures, from rabbits and guinea pigs to chinchillas, degus, and even winged wonders like budgerigars. As true mad scientists, we turned tables to be those who help to protect and support the animals in need! The “Vaihingen/Enz Animal Shelter” will be represented at the Dealers’ Den. And, hold onto your lab coats, because we have a charity auction brewing at the con’s climax, where you can bid on marvelous items and contribute to this noble cause.

Prepare for an electrifying revelation as we unveil our Guest of Honor, the enigmatic and mischievous Pudge! This feline virtuoso, both an artist and a troublemaker extraordinaire in her bewitching fursuit, promises to bring a whirlwind of creativity and mayhem. Brace yourselves for her purr-fectly entertaining escapades throughout the convention!

Step into the mad laboratory of Furvester and immerse yourself in a concoction of events that will leave you howling for more. Experience and embrace the rhythm of our new dance competition, where the dance floor becomes the perfect ground for artistic expression and chaotic choreography. Venture into the modern arcade, where all kinds of games await your eager paws. And as the sun sets, let the madness ensue with nightly dances that will keep your tails wagging until the wee hours.

Ah, but what's this? The return of the infamous "boop boxes" is upon us! These mysterious contraptions, ready for your curious paws, emit a delightful "boop" sound in response to your interactions. This year, delve into the depths of scientific curiosity as the boop boxes are associated with mysterious secrets. Behold the "hybrid" box, cunningly connected to the letters D, E, and F. What fantastic surprises may lie within them? – Only the bravest experimenters will find out!

Join us at Furvester, where the boundaries between science and the surreal blur into a kaleidoscope of fur, friendship, and fantastical mayhem. Prepare for a journey into the unknown, as we unleash a con unlike any other, where madness is not a side effect but the main attraction!

Now let the mad festivity begin!

The Vaihingen/Enz Animal Shelter

The Vaihingen/Enz Animal Shelter was founded on December 18, 1993. It is currently being run by Anneliese Petzold on a voluntary basis, with the support of 95 additional volunteers who also contribute their time and love to care for our furry residents.

Every day, seven days a week, 365 days a year, our dedicated volunteers are scheduled in shifts to provide their services. Currently, we house approximately 50 cats, five dogs, and numerous small animals such as rabbits, guinea pigs, chinchillas, degus, as well as birds like budgerigars, all of whom are provided with everything they need. They are all seeking new homes, and until they find them, they are fed, cleaned, and pet by us every morning and evening. Our dogs get their daily walks in the morning, at noon, and in the evening. In addition, all the animals' enclosures are cleaned, vet visits for sick animals are arranged, emergencies are attended to, and much more.

Finding caring and loving new homes for our animal residents is our top priority. Therefore, we are here to assist potential new pet owners in our adoption efforts, to make both the animal and the human happy.

Such achievements would be nearly impossible without the dedicated help of our volunteers. In recent years, various challenges, especially the COVID-19 pandemic and inflation,

have brought financial difficulties. In 2021, the Vaihingen/Enz Animal Shelter had around 300 new arrivals. Thus, we are incredibly grateful for the generous support of our donors and sponsors, as they help both us volunteers and our animal friends immensely.

How can I help the Vaihingen/Enz Animal Shelter?

During the convention, we are going to collect donations for the charity through multiple means. As usual, our fursuiters will have the opportunity to pick up donation boxes in the Fursuit Lounge. Please be generous and help us fill these boxes with donations; the more, the better!

Furthermore, there will be an information booth in the Dealers' Den where you can learn more about our charity and speak with the volunteers from the Vaihingen/Enz Animal Shelter. Naturally, you can also donate directly at the information booth (including via PayPal).

Join us for the "Meet the Charity" panel to get a closer look at the people and work behind the Vaihingen/Enz Animal Shelter. And during our charity auction, you will have the opportunity to place bids on unique auction items to further support the animal shelter and its volunteers.

If you want to donate items for the auction, just step by at the booth in the Dealers' Den during opening hours.

App

Mobile App

If you have a smartphone you may be interested in our mobile app, which is available for both Android and iOS. It is your mobile guide for when you don't have the con book with you!

You can use it as a personalized schedule with reminders for upcoming events and as a handy map to find your way around the venue.

Once the app has loaded the schedule, a permanent internet connection is not required anymore. It will try to look for updates from time to time, but will continue to function even if you are offline.

Badge Game

As in the previous year, our badge game returns again so that you'll always have something to do in your off time! With many new achievements this should also be interesting again for veterans.

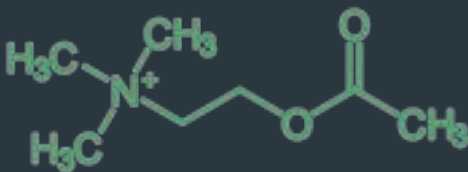

All you need to play is your convention badge. Just look around the convention for our small gray boop boxes, which have a badge sticker on them.

Just hold your badge close to them, and you will hear a boop sound. Depending on the circumstances, you will receive an achievement for your boop. Some achievements are publicly listed in the mobile app, which you can see once you logged in. Others are hidden though, and you have to figure them out by yourself!

Each achievement will gain you a different amount of points. The person with the most points will be declared the winner at the closing ceremony. Feel free to share your knowledge with others or play the game just by yourself, it's up to you!

You can find the high score in the mobile app to measure yourself against other attendees. Booping will be possible until the end of the convention, but the evaluation of the points will be frozen shortly before the closing ceremony.

Just a little hint, avian goes "TUV"!

Guest of Honor

Pudge

Allow us to introduce this year's Guest of Honor: The one and only Pudge! Hailing from Ireland, this charismatic cat brings a touch of the Irish spirit to Furvester 5. Pudge isn't your average, ordinary feline; she's a talented artist, an enthusiastic fursuiter, and a energetic dancer whose moves first graced the stage at Just Fur The Weekend in 2017.

Perhaps you've already encountered Pudge's awesome artwork which you most probably saw on our homepage already. It's the special blend of her creativity and energy that is set to leave an unforgettable mark on this year's Furvester. Get ready to witness the feline convergence of artistry and entertainment as Pudge makes her moves around, adding not only a splash of color but charisma and fun to our Mad Science celebration!

Here's what Pudge has to say about herself:

Meowdy!

I guess you're wondering who the heck I am - who let this dumb cat use a keyboard?

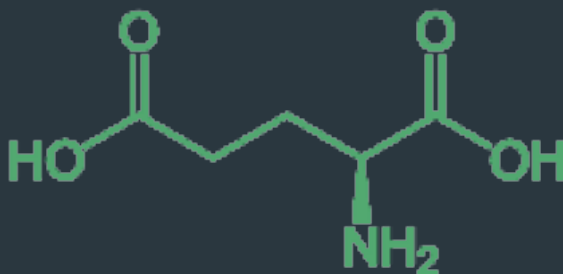

Well, my name is Pudge, and I'm a full-time furry artist and part-time house cat in Ireland.

A lot of people have told me they often wonder if that's a person under the suit, or an actual cat - I can thank my 'crazy cat lady' life for that! I've always adored felines, big and small. When I was a kid, I'd wrap tissue paper around my waist and pretend it was a tail. Who knew I'd grow up being a furry and finding this wonderful community?

Because of this community too, I'm living my dream of being a full time artist. Naps whenever I want, having zoomies without co-workers looking at me strangely, climbing to the highest part of the house and knocking stuff over without anyone getting cross? Whoops! I mean, working with so many unique individuals and bringing their ideas to paper, that's the rewarding part!

You'll see me on the convention floor, causing a stir as usual with my loud meows, or doing something I really shouldn't do like stand on a table and demand attention, and if the con floor is quiet, know I've probably got my trusty iPad in paw and sketching up something new.

I look forward to meeting ya'll!
