RESORT INFO

GOLDENHORN 2024 takes place at the Adria resort located in Ankaran, Slovenia. It's situated close to the beach and it is surrounded by large pine trees, making it very charming and peaceful.

There are also many diverse, high-quality services within or close to the resort: a swimming pool, several restaurants and bars, sports fields, a shop and playgrounds.

At last, all suites and villas are only a short walk away from the congress centre where the main event is going to be held!

TREASURE HUNT

Yarr, harr! Are you a true sailor as you say you are? Come prove your worth in our treasure hunt throughout the seven seas!

The treasure hunt is back once again this year with a bigger puzzle handcrafted by the mastermind and event the chairman himself.

Come look for Goldy's legendary loot, we promise it will be well worth it. The game should last about 30-60min and it will take place all around the beautiful resort.

Gather a team of friends to sail together and see who will claim the treasure!

Find the first clue inside the convention centre during hunt hours.

PS: pirate activity is forbidden, play fair!
