

GOLDENHORN COUNTRY LIFE

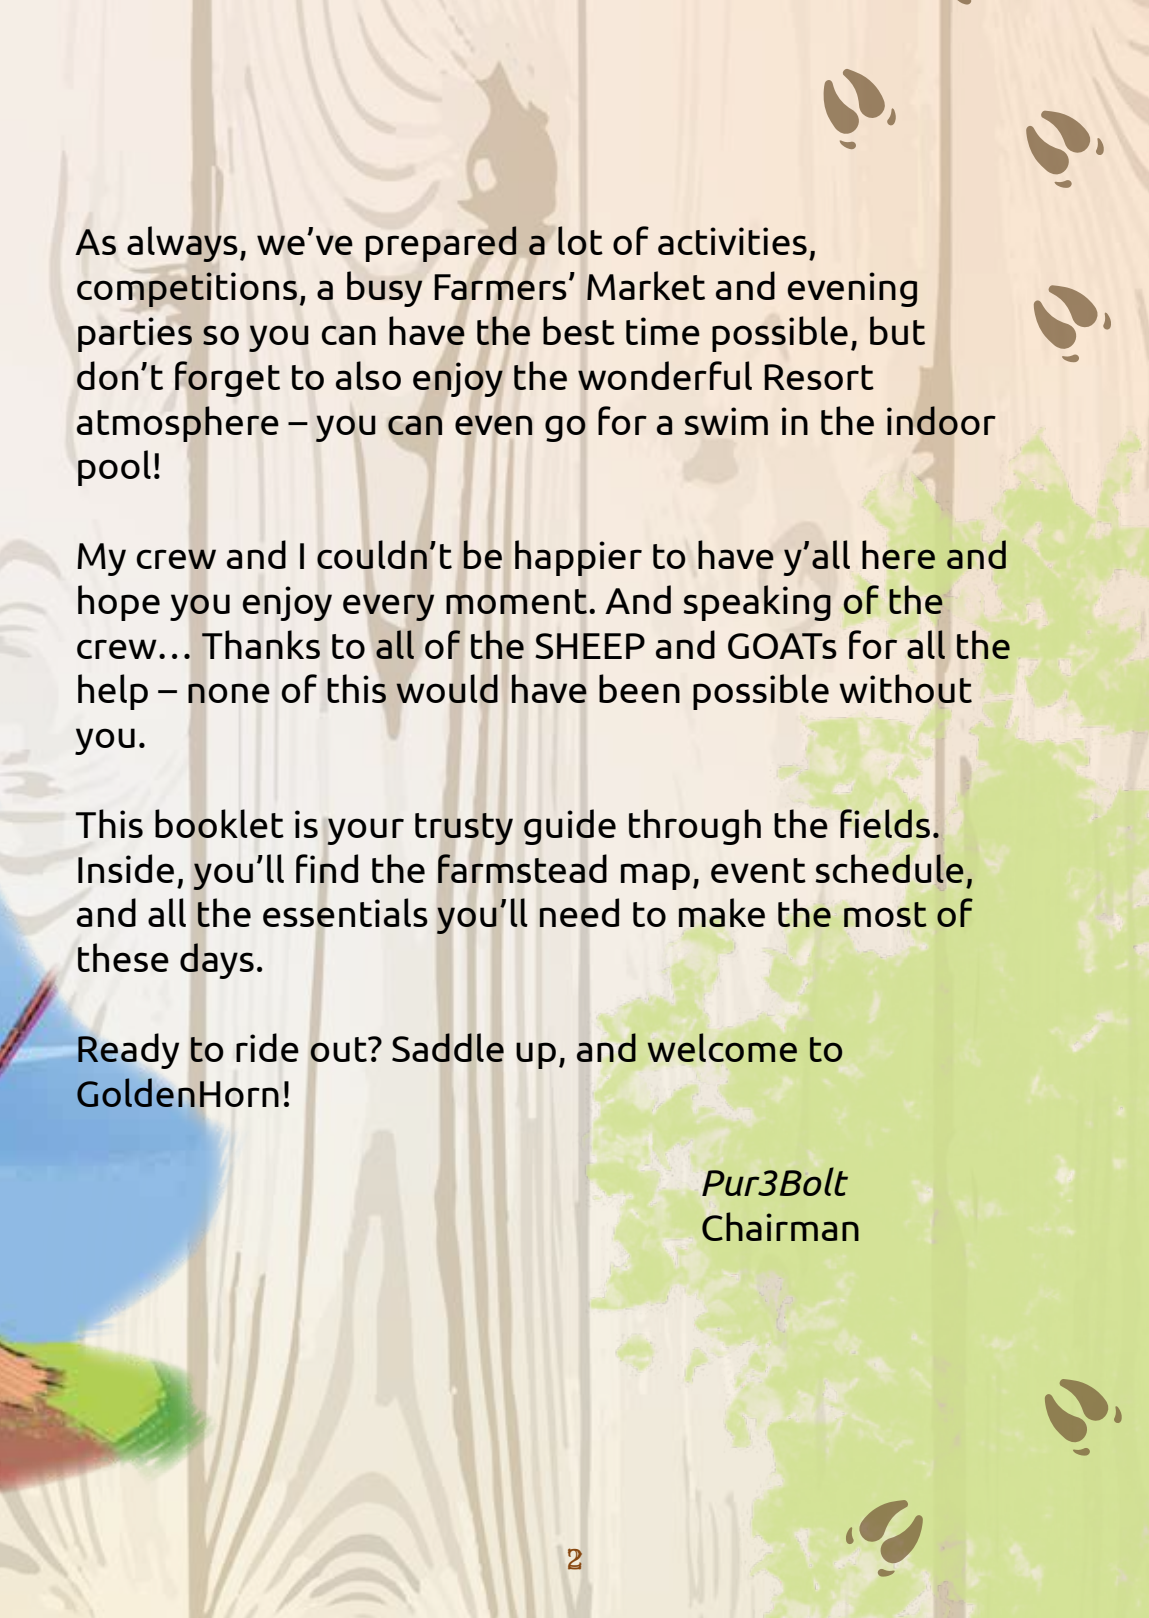

Foreword

Howdy, partners and Goldy's friends!

Welcome to our countryside gathering! Whether you're a cowboy, an animal from the barn or just the friendly next-door neighbour, we're thrilled to have you with us.

You've probably already heard this year's harvest is bigger than ever; in fact, it has doubled once again! Thank you for coming back year after year and bringing your friends along for the ride (with your tractors, we hope).

As always, we've prepared a lot of activities, competitions, a busy Farmers' Market and evening parties so you can have the best time possible, but don't forget to also enjoy the wonderful Resort atmosphere – you can even go for a swim in the indoor pool!

My crew and I couldn't be happier to have y'all here and hope you enjoy every moment. And speaking of the crew... Thanks to all of the SHEEP and GOATs for all the help – none of this would have been possible without you.

This booklet is your trusty guide through the fields. Inside, you'll find the farmstead map, event schedule, and all the essentials you'll need to make the most of these days.

Ready to ride out? Saddle up, and welcome to GoldenHorn!

Chairman

Resort info

Wal, we done come back to Adria Resort, down in Ankaran, Slovenia.

But hold on, we done grewed! Now the Tavern, Farmers' Market are all part of the shebang too! Right clost to the beach, it is, and plumb surrounded by them big ol' pine trees, makin' it right purdy and peaceful-like.

Don't forgit to peek at all the fancy fixin's at or 'round the resort: swimmin' hole, a passel o' eatin' places and bars, sports fields, a store, and playgrounds galore.

All them suites and villas ain't but a hop, skip, and a jump from where the hullabaloo's gonna be!

Phone app

This year, we done grewed a right special sprout -- a right fancy mobile app to tag along on yer adventures, and ya can snag it on Android or iOS. It's got the who, what, and when, answers to all them questions folks be askin', an' good ol' maps o' the Resort and Farmers' Market so ya don't go a-wanderin' off like a chicken with its head cut off.

Guest of Honour

A special occasion this year as we warmly welcome our very first GoldenHorn Guest of Honour: **Oggy123!**

Oggy123 known also as OggyTheFox, is a 25-year-old furry artist, editor, Sonic the Hedgehog collector and YouTuber from Slovakia.

No doubt you've seen her art around. Especially her ever popular gif icons, beautiful badges and other amazing atworks popping up on various social media channels.

However, unlike around the globe, where Oggy is most known for her art, back at home and in the neighbouring Czechia, she's well known for her YouTube content, which is produced in Slovak to make it more accessible to locals.

She has two channels - one related to non-furry content, such as Sonic, gaming or vlogging and one connected with our fandom where you can follow her fursuit adventures, or even watch a series of tutorials on making your fursuit!

Oggy will be present throughout the whole convention. Do you have any burning questions for our Guest of Honour, Oggy123? Want to ask for tips or tricks on improving your art? Are you also a huge Sonic fan? Join us at the GoH panels!
