Friends From Afar <3

Welcome

Welcome, my friends from near and afar, to the fourth Griffish Isles! If it seems like time's flown faster than usual, it has! We've been rushing to get this convention ready in just 6 months, but we haven't cut any corners. You can look forward to all the fun we've planned this weekend.

The theme this year is "friends from afar", celebrating the friendships we've made in all corners of Equestria and beyond. I've come to think of you all as my very dear friends from afar and love seeing you come to the Griffish Isles every year to enjoy yourselves (yes, I'm there...watching). The last couple of years have been rather lonely as we've kept in touch online and looked through our old memories, but now I say it's time to start making some new ones!

That's exactly what we intend to do! In this little book, you'll see what we have planned - the same old favourites and a few new ones. We hope you'll enjoy this weekend and look back fondly on all these new memories.

With love and squawks,
Bobbie

Thanks

We would like to thank our friends at UK PonyCon, Festival of Friendship, and UK Bronies and Pegasisters for supporting us; our volunteers and supporters for letting this happen, the venue for tolerating our presence, and anyone we missed who helped us along the way!

Rules of Conduct

Covid 19

This is unfortunately still a thing. We will be checking Covid passports on arrival, or if not applicable, we accept negative LFT results. Please respect people's space and do not touch them or their belongings without asking. It would be very helpful if you could wear a mask, but this is not compulsory.

Cosplay:

We love seeing your creative cosplays, but please be aware that there may be children present and dress accordingly. We will only allow weapons made from foam. We ask you not to wear full-face coverings and if you are wearing body paint, please be aware of the furniture.

If you're here, there's a chance you might be photographed! However, we encourage photographers to ask first.

Foals:

Foals may be in attendance, so please moderate your language and behaviour accordingly. Foals should leave before 7pm since there tends to be drinking and tippy dancing involved. You should not supply alcohol to anyone under 18. Volunteers will need it, though.

Venue:

You can leave items at the front desk, but bear in mind we accept no responsibility for lost, stolen, or eaten items.

Please keep your badges visible, if your badge is broken please go to the GI registration desk for a replacement. Only those with vendor badges will be allowed behind vendor tables. If you're not one of our vendors, you can't sell anything at the convention. Also, please be considerate of those we share the venue with.

You can't bring your own food/drink in, but you can purchase these from Reception or the bar area.

Everything else:

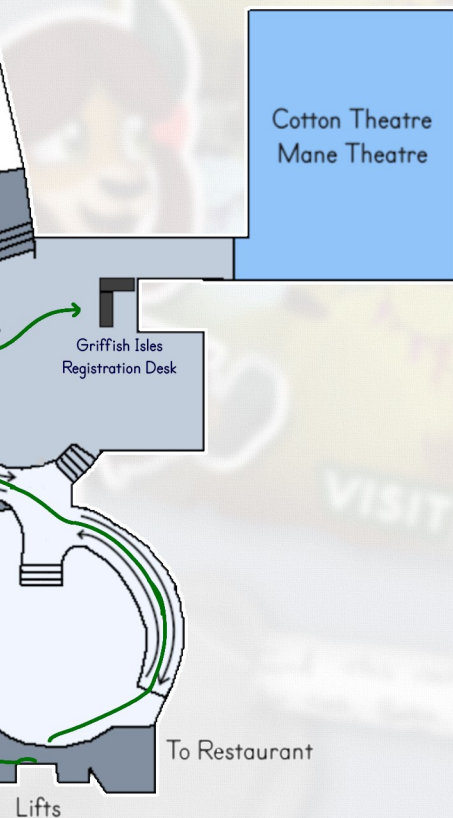

Please remember your 6-2-1 rule (6 hours of sleep, 2 meals, 1 shower a day).

We will not tolerate assault, harassment, or general meanness to anyone (including con and hotel staff). If you do, you risk being kicked out and not refunded and being known as "that one person who got kicked out of Griffish Isles for being a butt". You may also be removed for being highly intoxicated. On that note, if someone is being unpleasant to you please flag down a Griffon or our friendly security guard.

If you feel unwell or get hurt, there is a medic on site. Ask a volunteer and we'll chase him down.

Special Guest

This year we are welcoming one of our favourite friends from afar: **Katrina Salisbury**, voice of Yona (everyone's favourite yak, sorry Prince Rutherford) and Nico Niyama on Kiznaiver.

She'll be joining us for two panels, a question and answer/interview panel and an interactive script reading you can join in with! In doing our best to welcome her, we invite you to embrace your inner yak: BE MORE YAK. You can also embrace your outer yak, if you're interested in cosplay or just haven't had your hair cut for a while #bemoreyak

Trophies!

Have a look at this year's trophies - you could win one if you enter one of our competitions!

Trophy categories are: Cosplay (Best Fursuit, Judges' Award, Most on-theme, Audience Award), and Art Contest winner

Charity

ONLY FOALS AND HORSES
SANCTUARY
saving horses and helping people

This year we're staying with last year's charity, which was Only Foals and Horses Sanctuary. They were extremely lovely and helpful last year and do wonderful work in rescuing and rehabilitating horses (not to mention valuable therapy for humans too). Last year we raised £3279 for the charity and we're hoping to raise even more this year! All proceeds from our charity auction go to the sanctuary, helping them to care for their horses and keep their programs running. Below you can see a sample of the auction items and you can see them all on the tables in the pioneer room!
