ISLES

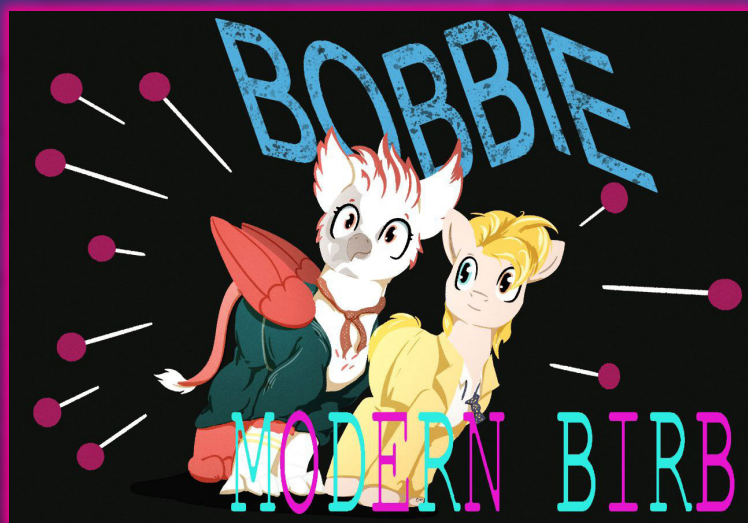

Welcome...

... to the 5th convention of Griffish Isles!

[Current year] is the worst, right? For one weekend, we're going to go back to when MLP was first introduced to the world 40 years ago.

Back to the time of arcades and neon lights.

Let's get out our acid wash jeans and fluff up our hair. Put some synth or post-punk cassettes on the boombox (or one of those new-fangled "CD" things) and party all weekend!

Art Content Winner - Chaosmauser!

All other lovely entries can be seen on page 19!

Thank You!

We'd like to offer our thanks to the venue for accepting our madness, the good people of UKPonyCon, Zap Apple Camp, and Festival of Friendship for helping promote us, our volunteers for their hard work, our supporters for their devotion, Stormblaze for your ace t-shirt art, and everyone else who helped us. You're all that and a bag of chips.

House Rules

Covid-19

If you suspect you may have Covid-19, please leave the con space to avoid infecting others.

Masks are available at the con reg desk if you wish to wear them, but this is not enforced.

Hand gel should be provided in all rooms. Please poke someone at the reg desk if it's not.

Please respect people's preferences for mask-wearing, personal space etc. and please do not touch their belongings without asking (this also applies to items at vendor tables)

Cosplay and Photography

We only allow props made from foam for safety

No full-face coverings (except fursuits) please. Face masks are fine.

Be considerate of your surroundings when in cosplay, eg. if you have big wings or body paint

If you attend, there's a chance you may be photographed (photographers, please respect those who don't want to be photographed)

Foals/under 18s

Children are very welcome, but the Saturday evening party is 18+ only due to loud noise, alcohol, and tipsy people jumping around to loud noises.

Venue, badges, food and drink

Badges should be visible at all times. If yours is damaged or lost, go to the reg desk for a new one.

Please do not bring your own food and drink into the venue, food is available from the bar when open and from reception when not. If both of these are unavailable, there is a Spar on Princess Street.

Rules

(Last bit, we promise!)

Everything else

If you lose or find something, you're best off taking it to the hotel's reception desk.

Remember the 6-2-1 rule (6 hours of sleep, 2 meals, 1 shower a day) for a healthy con experience.

Harassment will not be tolerated. This includes hotel staff. If you see something wrong or have been harassed, please tell a Griffon or go to con reg desk.

You may be removed or cut off from drinking if you are overtippling.

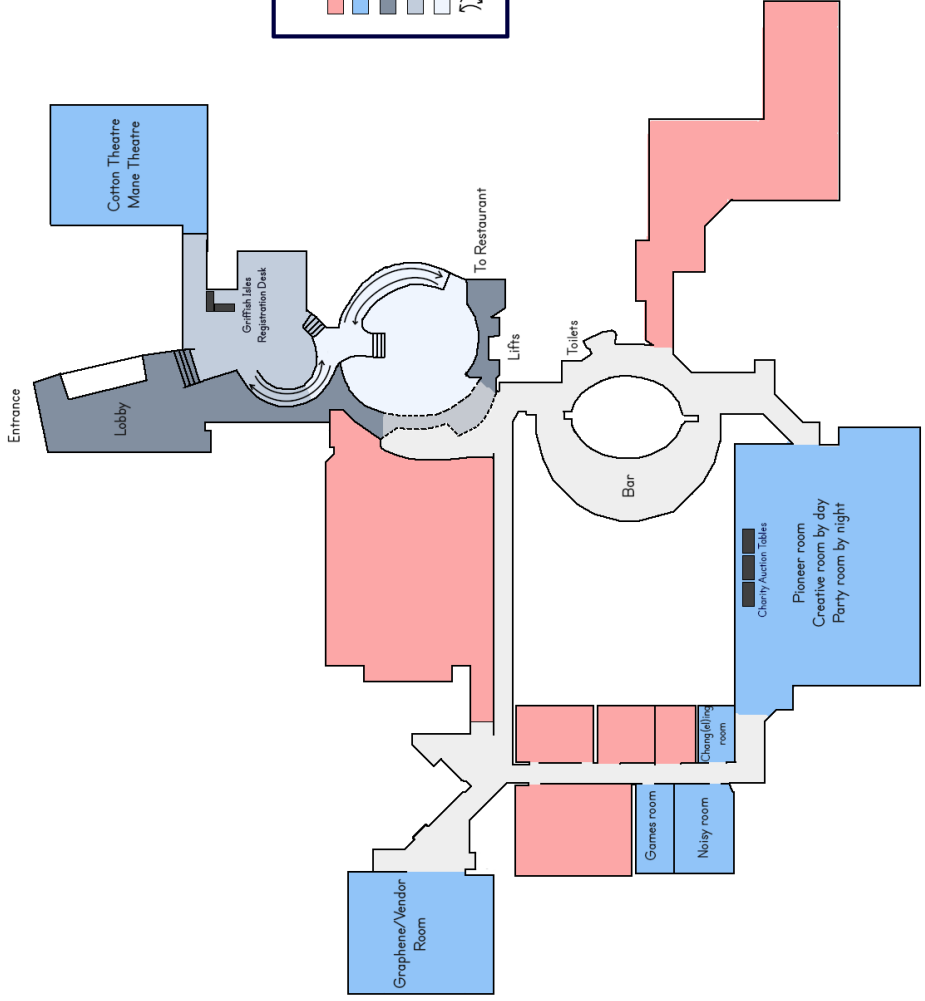

If you feel unwell or get hurt, there is a medic on site (ask a Griffon to flag him down).

The red zone is for loading and unloading only. There is no stopping in a white zone.

Ben is making his pony con debut at Griffish Isles, and plays original pop/rock/dream pop acoustic music to give you a bit of a chill before more beats. Griffish Isles

Events

Saturday

Opening Ceremony (10:30am, Mane Theatre)

"Gooooo morning Vietnam!" Welcome to GI version 5! This event is 80s-themed so expect some tubular bodaciousness. (the person who put together the conbook loves this phrase)

Coronation (Ilam, Mane Theatre)

Apparently the King loves Griffish Isles so much he decided to have his coronation today. If you don't want to miss it, we're streaming it! (If you do want to miss it, other events are available).

Make your own pin badge (Ilam, Creative Room)

Would you like some pony art you can customise your outfit with? Join our resident artist enjoypizza as she guides you through the art of making pin-badges.

BKN presents: Icebreakers and Friend Makers (Ilam, Games Room)

As Cozy Glow once said, friendship equals power. Have fun playing some silly games and maybe make some new con friends! Brought to you by Brony Kindness Network.

Knighty Mares (Ilam, Creative Room (far side))

This may or may not be a pastiche of a beloved gameshow that ran during the 80s. Don the Helm of Justiness and sidestep left.

Transport Ponies (80s style) (12pm, Mane Theatre)

Zen and Ace, two seasoned transport geeks, return with some 80s-style train/aviation tips to help you travel to cons without breaking your budget. We considered calling this Planes, Trains, and Not Automobiles.

Making Friendship Bracelets (12pm, Creative room)

Were friendship bracelets an 80s thing? We may never know, but after this you'll have physical proof of your friendship. You can also make friends by throwing them at people (well it's an ice-breaker at least)

Events

Ponies Online presents: Buckbusters (12pm, Games Room)

A pony version of the 80s gameshow - play your way across the board by answering questions before the other team do. Can we have a P please, Bobbie? Brought to you by Ponies Online.

Dr Pony: Merch and Animation (1pm, Mane Theatre)

A discussion from your favourite MLP academic about animation and merch. Sometimes we forget the reason this show was started was to sell small horse toys.

Smol creative hors meet (1pm, Creative Room)

Are you a, or do you like, small horses? Do you like creating things? Do you want to talk to others that do too? Then join us!

Cosplay contest (80s Style) (2pm, Mane Theatre)

Dress your favourite character up 80s style. You could win a beautiful trophy!

Pub Quiz (80s style) (3pm, Mane Theatre)

The beloved(?) pub quiz returns with some new rounds and some 80s flair.

Nicole Oliver (4pm, Mane Theatre)

Not to be outdone, we've got ourselves a royal too. Princess Celestia graces us all!

Charity Auction (5:30pm, Mane Theatre)

Spend a lot of money and help a lot of horses! If nothing else, come along to see the mad things some people submit. Supporting the Only Foals and Horses sanctuary.

Events

Sunday

Bingo (bong) (10am, Games Room)

Bexi returns with the always-entertaining bingo game, perfect for a slightly-hungover Sunday morning.

Transport, of and/or by Horses, a History (11am, Mane Theatre)

The history of transport of horses, transport by horses, and transport of horses by horses. Yes, this is another Maz lecture. Insane props included.

CCG contest (11am, Games Room)

Do you like the MLP collectible card game? Do you like playing against other people who like the collectible card game? Do you want to learn how to play the collectible card game? I'm just seeing how many times I can put "collectible card game" in this description.

Of Fandoms and Friendship (12pm, Mane Theatre)

Tiktok star Laura Kay and bread costume model Bexi explore the links between different fandoms and how they can connect. Funny voices included.

Top of the Pones (80s style!) (1pm, Mane Theatre)

The music quiz returns! Which of our musicians will have the most 80s makeup on their face? They have to keep it on until the convention ends!

Electricity in Equestria (2pm, Mane Theatre)

"But there is no electricity in Equestria" I hear you cry. Well, you're wrong and OldTech is going to prove it through Ohm's law and possibly by blowing things up.

Art contest (2pm, Games Room)

Can you make markings on a piece of paper that look like a horse and/or griffon? Then come along and if your horse markings are the best you could win a lovely trophy!

Events

Traditional Horse Art on a Budget (3pm, Games Room)

Everyone loves horse art, but have you ever wanted to make it yourself? It's not as expensive as you'd think! Ponebooth will show you how to get great results with minimal equipment.

Con Planning is Goodish 2 (3pm, Mane Theatre)

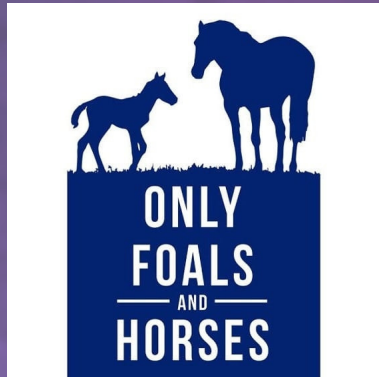

OldTech and Lib have leaked the committee chat again, this time featuring big butts, Pam, naked Bible reading, the International Space Station, and Timmy Mallet.

Closing ceremony (4pm, Mane Theatre)

We have to leave and it sucks, but first let's thank some good people and give some prizes away! "Be excellent to each other, and party on dudes!"

Charity

Once again we're supporting the Only Foals and Horses sanctuary (you can't say no to that name) which does wonderful work for both homeless horses and people in need of horse therapy. Everyone wins!

At 5:30pm on Saturday we're holding a charity auction in the Mane Theatre and invite you to submit whatever you can; whether it be a beautiful piece you've put your heart, soul, and talent into...or a jar of mayonnaise. Here's some of the wonderful things some generous and creative people are entering!
