

Griffish Isles

2025

Welcome

Hello my dearest friends, and welcome to another year of Griffish Isles!

Last year I took you all under my wing and we went Above The Clouds. This year, I've decided that feathers are out. Fins are the new in-thing, and I say you should all don a set and swim down Beneath The Waves with me! Do some shell crafts, play the bubblefish, and try not to get hypnotised by the beautiful voices of the sirens. Wait, I'm being told that's not sirens...it's the karaoke room.

Every year, I've been impressed by the loyalty of our friends who come back every year and am excited to meet so many new ones experiencing their first Griffish Isles.

Welcome to our 7th year of Griffish Isles. Come on in, the water's lovely!

Shoo be doo,
Bobbie

Rules of Conduct

Covid-19

If you suspect you may have Covid-19, please leave the con space to avoid infecting others. We advise you to test before, during, and after the con. Please respect people's preferences for mask-wearing, personal space etc. and please do not touch their belongings without asking (this also applies to items at vendor tables).

Cosplay, photography

We only allow props made from foam for safety

Be considerate of your surroundings when in cosplay, eg. if you have big wings or body paint

If you attend, there's a chance you may be photographed (photographers, please respect those who don't want to be photographed).

Foals/under 18s

Children are very welcome, but the Saturday evening party is 18+ only due to loud noise, alcohol, and tipsy people jumping around to loud noises. Also, the evening panel is 18+ for rude words.

Venue, badges, food and drink

Badges should be visible at all times. If yours is damaged or lost, go to the reg desk for a new one.

Please do not bring your own food and drink into the venue, food is available from the bar when open and from reception when not. If you want info on local eateries, the front desk person should know.

Rules of Conduct

Volunteers (Griffons) can be identified by their lovely, blue volunteer t-shirts and/or their (blue) con badges.

Everything else

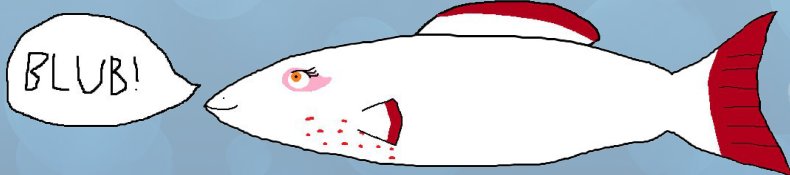

If you lose or find something, you're best off taking it to the hotel's reception desk. If you bring it to us, it will be taken on adventures. Remember the 6-2-1 rule (6 hours of sleep, 2 meals, 1 shower a day) for a healthy con experience.

Harassment will not be tolerated. This includes hotel staff. If you see something wrong or have been harassed, please tell a Griffon or go to the con registration desk.

You may be removed/cut off from drinking if you are overtipping. This also applies if you are taking illegal narcotic substances.

If you feel unwell or get hurt, there is a medic on site (ask a Griffon to flag him down).

The medic is also our security guard, should you need any other help. He's also very nice.

At the moment they care for over 30 animals on the sanctuary. They're open to be visited by the public, offer pony grooming for a small fee, and regularly run fundraising events (see www.onlyfoalsandhorses.org.uk for the latest details).

Last year we raised £2611 – let's see if we can beat it this year!

Special Guest

Maryke Hendrikse

Maryke was born in Nassau, Bahamas to an African father and a British mother (special shout out to Derby!!) and immigrated to Canada when she was young, but not so young that she forgot the sunlight. Maryke has been acting professionally since she was a teenager, in theatre, on camera and on the mic; she went to professional ballet school in Toronto Canada and studied acting at London's Royal National Theatre.

After many hundreds of roles in commercials, video games and animated series, Maryke considers voice acting her specialty.

Some of her favourite roles include Susan Test in 'Johnny Test', Loretta Bun (& others) in 'Sausage Party', Nova in 'Lego Dreamzzz', Pamela and Paxton Pocket in 'Polly Pocket', Sheriff Nevermiss Jones in 'The Guava Juice Show', Hadley in 'Barbie in a Mermaid Tale I & II', Kate and Boomer in 'Kate and Mim Mim', The Narrator in 'Freaky Stories', Lunamaria Hawke in the 'Gundam' series, Bubbles in 'Powerpuff Girls Z', Nami in 'Nana', Thunderblast in 'Transformers: Cybertron', Momochi Rappa in 'Gintama', Gilda (and little Gilda!) in 'My Little Pony Friendship is Magic', and most especially, the rip-roaring Revy in the English dub of 'Black Lagoon'.

Maryke lives in Vancouver, Canada. She holds her diploma in Child and Youth Care Counseling (Douglas College, Governor General's Academic Medal), and teaches voice acting at the University of British Columbia and Vancouver Film School. Maryke plays the acoustic and electric guitar, is a lifelong fan of the Toronto Blue Jays and the Toronto Raptors, and loves reading, hip hop, March Madness, the sound of wet hair being cut, the Cinephobe podcast, ice cold Coca-Cola, Prince and Black Thought and 6lack and Earthgang and Dave, and going to live theatre, sports and music events.

Community Guests

Dr Pony

Well-known throughout the UK pony convention circuit, Dr Pony is an academic for the University of Brighton. He's entertained and educated us for years with his talks on ponies, the meaning of life, media, and the weird ways of Bronies. This year, he'll be talking about the place Bronies hold in contemporary fandoms, and how the creators have reacted to an unintended audience (ie. by selling us more toys). He's also taking part in the Community Guest panel, so ask him lots of questions about the conventions he's been to!

Laura Kay

We liked her so much last year, we decided to have her again! Can we do that? Well, we did already. Laura is a Tiktok star, voice actress, comedian, and little ball of chaos. She'll be playing another round of Character Roulette, being the delightful co-host of Taskmaster, and taking part in our Community Guest panel!

Villans VS

There is a secret to uncover this year in Griffith's vendors' hall, a stamp rally of princesses and villains!

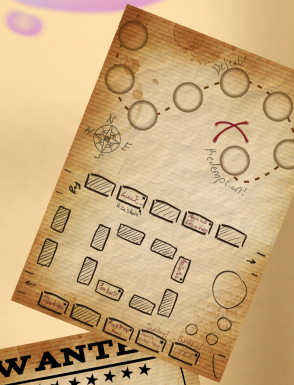

To take part, get a stamp card and find each participating artist in the vendors hall, make a purchase to get your card stamped by each. Then hand in your card with all eight to win a mystery prize!

Defeat the Villians by getting a total of 5 out of 8 stamps or go the extra mile and reform them by getting all 8 stamps!

Defeat them and win 8 princess and villian badges!
