Charity

RONALD MCDONALD HOUSE CHARITIES

At HarmonyCon, we are about spreading harmony through our actions as well as our words. We endeavor to spread it not just amongst our fandom but everyone we meet. To that end, we are proud to announce that our charity efforts this year will go towards the Ronald McDonald House.

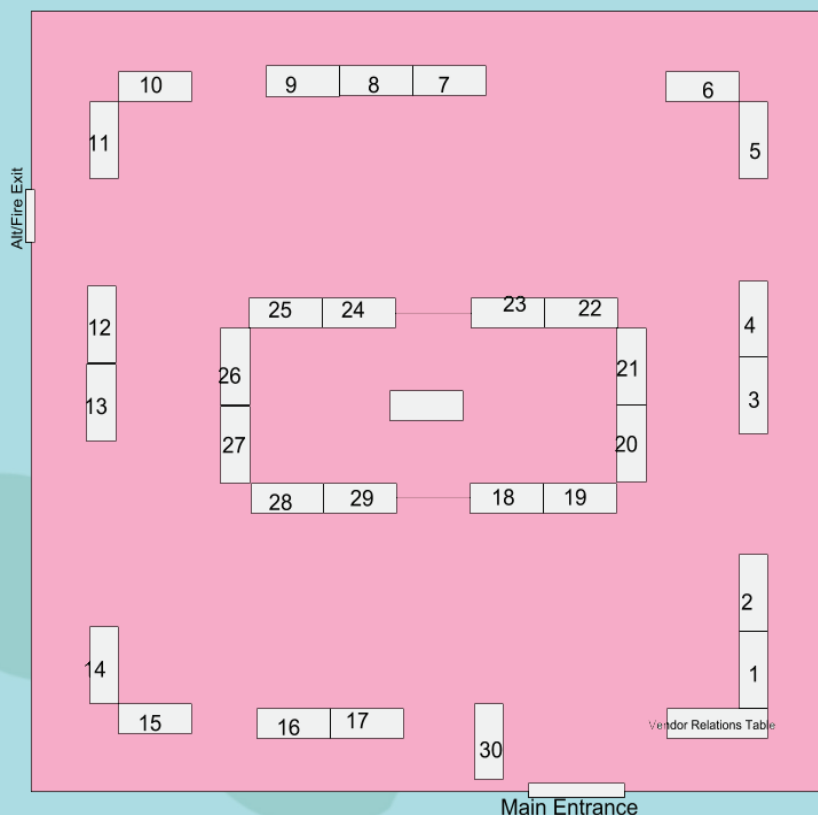

The Ronald McDonald House specializes in assisting the families of sick children through a variety of methods. They have houses for families forced to travel far from home for treatment with private bedrooms and home cooked meals, special facilities in hospitals with sleeping areas, showers, and other amenities, and mobile care units that provide health education, treatment, and referrals for families that otherwise could not afford it.

We look forward to raising as much as we can to help families in need. If you would like to donate something for our charity auction, please do so by 6 PM on Saturday at the vendor relations table located in the vendor hall.

Be sure to join us at 12:30 pm on Sunday for our charity auction.
