HOWDY EVERYPONY

Howdy everyone!

We are excited to have you here for the second ever HarmonyCon! First off we'd like to welcome back all of our wonderful attendees that came for our very first year as well as all of our new friends joining us for the first time. We, alongside our staff, have worked tirelessly to create this convention for you and everyone else in the MLP community. We remember our first conventions. We remember the feelings it brought, the friends, the community. We set out to create this convention so that we could continue to provide a place for everyone else to have those experiences as well. So go out there. Make new friends, enjoy the many different panels, meet our wonderful guests, find something special in the vendor hall, and party like Pinkie Pie at Coltchella. And above all, make memories this weekend that you can treasure for a lifetime.

Thank you all for your support and see you around the con!

Your co-chairs,
Tyler Gray and Matthew "Pepper" Laposa

Terrible Writing Advice FRI, Oak 1

FRIDAY

How to Make Friends (At Consl) FRI, Chinaberry

6:00 pm – 7:00 pm with Marco

Many attendees come for the festivities and friendship! While "Festivities" are in great supply sometimes it is harder to make friends and find connections rather than just one time acquaintances. Come on in and listen to the best worst things ever written for the internet's reading (dis)pleasure.

Fallout: Equestria—Where Is It? FRI, Oaks 2&3

8:15 pm – 9:15 pm with Fiaura The Tank Girl

How does this work? Cute adorable pastel ponies shooting each other with land mines, nuclear weapons, and shotguns? What has caused this fandom to outlast the very show (My Little Pony: Friendship is Magic) and ignore the backlash of Fallout 76 to be something fans keep making content for and coming back for me? Fiaura has the analysis; let's dive in!

80 Years of Conventions—From WorldCon to BronyCon

FRI, Chinaberry

9:00 pm – 10:30 pm with Choco Pony

13+

RiffPonies! FRI, Mesquite

10:00 pm – 11:00 pm with RiffPonies

Ourselves and 2-3 other special guests (Community guests/GOHs/etc.) get together on the same stage and riff the snot out of terrible Pony cartoons and videos in general! Essentially functioning like an episode of 'Mystery Science Theater 3000' or 'RiffTrax', we go through a various array of early MLP episodes, 1950's educational short films and more with precision snark and plenty of silliness!

FRIDAY

This fun panel goes into a brief history of bronies, where we come from, what we have accomplished, and what is to come. Let's look back on 10 years of the Brony fandom.

Cleaning Out The Magical Closet FRI, Chinaberry

12:00 am - 1:00 am with RiffPonies

In all of our time spent in this fandom doing pony-related, content creator-y things, we've obviously all done something we're less than proud of and likely to cringe at in the past. Thus, "The Magical Closet" was born! Ourselves, along with any willing guests or panel attendees, will spill their guts about any things we've done in the past for the fandom that we now look back at and...can't help but wince about. School presentations? PMVs? 18-page essays about elements of Marxism in Friendship is Magic? The cringe will be ALL here~

LINECON

Hey there! You may be reading this while standing in line, waiting hours and hours for that big event to open up! (*ok maybe not hours, but it sure could feel like it*). But who said you had to wait to have fun? Find a partner and see if maybe they'll participate in having a little LineCon panel with you! (*But if it looks like they're not interested or busy with someone else, don't bother, just wait for someone who will.*)

2 Truths and a Lie

One person will come up with 3 things to say about themselves, two will be true, one will be a lie, but the other people won't know which is which! They have to guess which they think is true. Make them all outlandish, funny, or strange!

Longest Dab Contest

See who in a group can dab the longest! Sound easy? Maybe, until your cell phone goes off, or a guest walks by! Try not to squeel!

Character Alphabet

One person in a group thinks of a character, but only tells the others the starting letter of the character's name. The rest of the group has 10, yes-or-no questions to ask in figuring out who it is. At the end, someone else gives a go!

Pony Plush Puppet Palooza

Got a plush? Or two? More? Have two groups try to come up with a puppet show act in 20-40 minutes with their plushes to present to the other group. Don't have one? Join in as a narrator, writer, or sound effects mixer! The sillier, the better!

Telephone Pictionary

For 3 or more. Requires some paper or notepads. Everyone starts by secretly writing out a one-sentence scene or event. Pass the paper to left or right. Now everyone tries to draw what is written on a new page in 5-6 minutes. Pass again, and now everyone writes one sentence describing the scene of the image *without* looking at previous page. Continue in this way, passing 5-6 times or until everyone gets the set of papers they started with. Present to each other the distortions that unfolded and laugh at how wildly inconsistent (or consistent!) they eventually came to be!

Top Ten Trivia

Propose to make a "Top Ten" list, but divert from the usual Top Ten Favorite Characters or Episodes, with specific criteria on what makes something higher or lower. Cutest Characters, Most Evil Villains, Favorite Songs, Funniest Characters, Scene with Feels, Least Favorite Pony, Places to Visit. On finishing, Everyone presents their list and briefly explains the positions. Be clean, civil, open-minded, and courteous!

Therapy

People in a group secretly pretend to have some kind of hallucination that a therapist doesn't know (all in a location, everyone thinks the therapist is someone they aren't, everyone thinks they are all something). The therapist having left must ask the group questions and the group acts out and answers honestly under the belief of the hallucination. The game ends when the therapist guesses what it is.
