

HARMONYCON

2022

FEBRUARY 18-20, 2022
SHERATON DFW, TX

Howdy, Everypony!

We are so excited to have y'all here this year and want to thank you for coming to HarmonyCon 2022! These past couple years have been an extremely difficult and trying time for everyone. So much has happened and so many things have changed that it is hard to believe it's been two years since we were last together in person.

As we come together to celebrate this weekend though, we also see so much that has stayed the same. Our friendships, our love for this community, and our care for one another have remained strong as we have endured these hardships together. Let us celebrate this weekend, united with friends both old and new. Be sure to show your appreciation to all of our panelists, vendors, musicians, guests, and volunteers who make it possible to continue sharing these wonderful experiences with each other!

Whether you have been coming to HarmonyCon since the very beginning or this is your very first time, for as long as you show your fellow fans and friends kindness, honesty, laughter, loyalty, generosity, and the magic of friendship, know that you will always have a home at HarmonyCon.

Your co-chairs,
Tyler Gray and Matthew 'Pepper' Laposa

Based on the ESPN show "Pardon the Interruption," the audience decides what we discuss! Drawing from old cards from previous runs of this panel over the years, we will take turns drawing at random of all sorts of horse subjects to discuss. Once we select a subject, we set a timer for three minutes and spend that time discussing the topic. Once the timer goes off, we stop and draw again. Lather, rinse, repeat!

CHARITY

dash
network
dfw asylum seeker housing

DASH Network is a nonprofit long-term housing shelter for individuals and families seeking asylum in the US. People who seek asylum are fleeing persecution from their country on account of race, religion, nationality, membership of a political social group, or political opinion and fear for their lives. Asylum Seeker is a legal status but, unlike refugees, asylum seekers do not receive a work permit for an average of two years and are not eligible for any government assistance while they wait. DASH Network exists to love people seeking asylum with the love of Jesus and to fill the gap until they are legally able to provide for themselves. We serve people who, without DASH, are currently homeless or are facing homelessness.

DASH Network is also able to provide connections to social services, ESL & job corp training, as well as friendship and community through our advocate program to its residents. We are the only nonprofit in DFW serving asylum seekers and one of only a handful in the nation.

Please visit our website at <https://www.dashnetwork.net> for more information or email at info@dashnetwork.net. We are honored to be here with you at HarmonyCon!
