INDONESIA WEEKEND ANTHRO GATHERING

SUMMER
FURCATION

WELCOME TO THE PARTY!

Hi Friends,

Thank you all for choosing to gather, meet, and make new friends and memories here. Let's enjoy our summer vacation together. I've missed you all, and I cannot wait to greet each and every one of you!

Many weekends have passed since we last met, and now we come together again for a fun, memorable event. One of the reasons why I named our event Indonesia Weekend Anthro Gathering is because, for a weekend, we gathered to celebrate everything about the fandom, ourselves, and our friendships. We made so many memories together last time, didn't we?

Why a summer vacation theme? Because you voted for it! I love having our community involved in the decision-making of our event's themes. But why have it up for a vote in the first place as an option? Well we wanted something fun and adventurous. Imagine a new land to explore after the students and alumni returned home. This is a new adventure for my team and me too. The 2024 iteration marks our first time running IWAG as a full-fledged convention. Over 300 of you are here! This makes us happy because it shows our community is growing.

Our first adventure was finding a suitable venue. This began even months before the December 2023 iteration. It was tricky, but we managed to narrow it down from a few dozens to a pawful. We surveyed them and talked with their management. In the end, we opted to work with Ibis Styles Jakarta Sunter. We hope that you will find yourself at home here. Please treat them nicely.

Registration too was exhilarating. Our server handled the massive volume of initial registration and payment with only a few hiccups here and there. We even oversold our highest tier, showing huge enthusiasm for IWAG. Thank you all, and a big thanks to my tech team.

Let me close this letter by saying that I aim to make IWAG into a space where you can thrive, make cherished memories, and in the end, be a home for you. As a fellow event organizer once said, A part of post-con depression is returning to a place that feels not home.

Welcome Home.

From your friendly Chairdeer
Hopesa Camaraski

~ GUIDES AND TIPS ~

We at IWAG want to ensure you have a fantastic time during the convention. So we've put together some helpful guides for you.

If you think you have lost something, head over to **Convention Operations (Con Ops)** and inquire about it. We will note it down, and chances are, your item is already at Con Ops waiting for you! If you find a lost item, please bring it to Con Ops for safekeeping.

Stay connected by **subscribing to our Telegram channels** and **joining our Discord server**. These platforms will keep you updated on event schedules, last-minute changes, lost and found items, and other important announcements.

To keep the fun going for everyone, please read and familiarize yourself with the **IWAG Code of Conduct**. Adhering to it ensures a pleasant experience for all. If you have any questions or need help, our staff and volunteers are here to help.

Staying hydrated is essential, especially if you're in a fursuit or participating in many activities. We recommend carrying a water bottle with you. When you need a break, visit the fursuit lounge. If you need repairs, some fursuit makers can assist you.

Remember to **take regular breaks** to avoid exhaustion. Conventions can be a bit much sometimes. So if you feel too overwhelmed, rest in your room or find a quiet space in the public areas around the hotel.

Follow the **6-2-1 rule**: get at least 6 hours of sleep, 2 meals, and 1 shower each day!

If you feel unwell, unsafe, or notice someone who might need help, stop by **Convention Operations (Con Ops)** for help.

Make time to explore the **Dealers' Den**, **Art Corner**, and our **Panels** to have a full experience of the convention. Meet new furs and make friends, as building new connections is what these conventions are all about. Don't hesitate to say hi to new folks.

~ Above all, enjoy the convention responsibly, ensuring your fun doesn't impede on the enjoyment of other fellow furs. ~

AROUND US - SUNTER AND JAKARTA

During your stay at the hotel, you can enjoy dining at **sTREATs**, the hotel's restaurant, which offers buffet meals and à la carte options. For the duration of IWAG, you can get a **buffet voucher for lunch and dinner**, available for purchase in the morning. Room service and in-room dining are also available if you prefer a more relaxed meal in the comfort of your room.

I hope you have opted to stay at the hotel because that means you can enjoy a complimentary breakfast!

If you are staying at the hotel, you also have access to the **fitness center and the swimming pool**. Additionally, the hotel features a **public badminton court**. If you're looking to play a game with friends, visit the hotel receptionist to pay for a session.

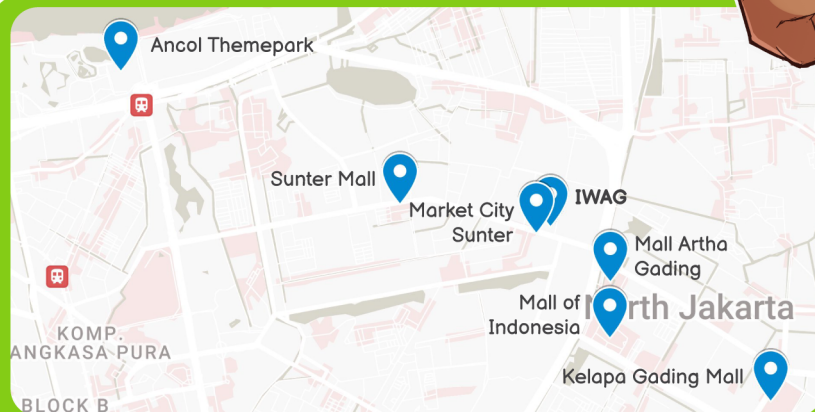

A heads-up for attendees, the venue is located near several automobile warehouses. So you might notice many car carriers and ordinary trucks in the area. Please be mindful when walking, or pair up with a local friend for your comfort.

Here are a few nearby places you can visit:

- **Market City Sunter** - It's just a walk away for when you need quick shopping for essential supplies and quick meals.
- **Mall Artha Gading** - A 10-minute drive from the hotel, perfect for shopping and entertainment such as arcades. Some of you arcade furs must've already known what's here!
- **Mall of Indonesia** - Another mall near Mall Artha Gading, it has arcades too, and a pretty large collectible store.
- **Kelapa Gading** - A further 20-minute drive, find shops offering delectable local food and fares for all budgets.
- **Ancol Park** - A 20-minute drive, great for a fun day out after the con. If you wish to explore and have more fun with your friends, this is the place to be.
