SYNTH-ROCK
+MANY MORE!

Most furry conventions partner with one or more charity organizations each year to raise funds for their causes. These charity partners can range from animal shelters to minority rights groups. LVFC has prioritized LGBT+ charity partners since Year One.

Our partner for 2025 is the Gender Diverse and Trans Pride Center, a successor organization to Las Vegas Trans Pride. The GDTPC is a 501(c)(3) nonprofit (IRS EIN: 99-5110646).

Donations from LVFC charity events will be given directly to them, and they will also have a table at our event for anyone wishing to purchase items or donate to support the organization. As a convention with a half-trans Board at the time of this writing, it is an honor to work with this charity.
