GUEST OF HONOR

AYDAN FOX

VR, Twitch Partner, and YouTube Furry

He has been causing trouble in the furry fandom since the 2000's era and now he is a furry creator on Twitch, VR, and

YouTube! His mix of loud screaming, unfiltered humor, and real conversations have brought furries together in all the chats!

Once a month he hosts Drunk Souls, where he attempts to play souls while mixing and drinking cocktails, a tradition that chat insists is "content."

Aydan is ALSO a professional Chef by trade. Maybe if we ask nicely he'll bring something tasty to us at the con!

We welcome Aydan Fox as a
Guest of Honor at LVFC 2026!

GUEST OF HONOR

MARKS BARKS

CHARITY FUNDRAISER & CONTENT CREATOR

A giver in the furry community since 2008. He is a content creator, Army Veteran, and a silly doggo! Since his beginnings he has created content, hosted events at conventions and online to bring furries together to laugh, play, and support charity for Lou Gherigs Disease (ALS).

**We welcome Mark Barks as a
Guest of Honor at LVFC 2026!**

GUEST OF HONOR

CLOUD HUSKY LANDAR

FURSUIT & VR CREATOR

Cloud Husky has been bringing characters to life in the furry fandom for over 20 years, whether it has been through digital art or physical fursuit making. Cloud uses VRChat as a place where he creates worlds, avatars, avatar assets, explores and connects with others.

We welcome Cloud Husky Landar
as Guest of Honor to LVFC 2026!

GUEST OF HONOR

SUKA VULPE

TikTok Content Creator

Suka first jumped into creating in the fandom as a radio DJ for Furocity Radio, an online furry Rock radio station, from 2014-2017. What most furries know him from however, are his Tik Tok skits.

Suka began making videos almost as a fluke. He made a bet with a friend that if he lost, he had to make a singing video and post it to Tik Tok for all to see, and the rest is history!

Wanna make him squirm? Ask him if he's cute (or a snack) while he's on stage.

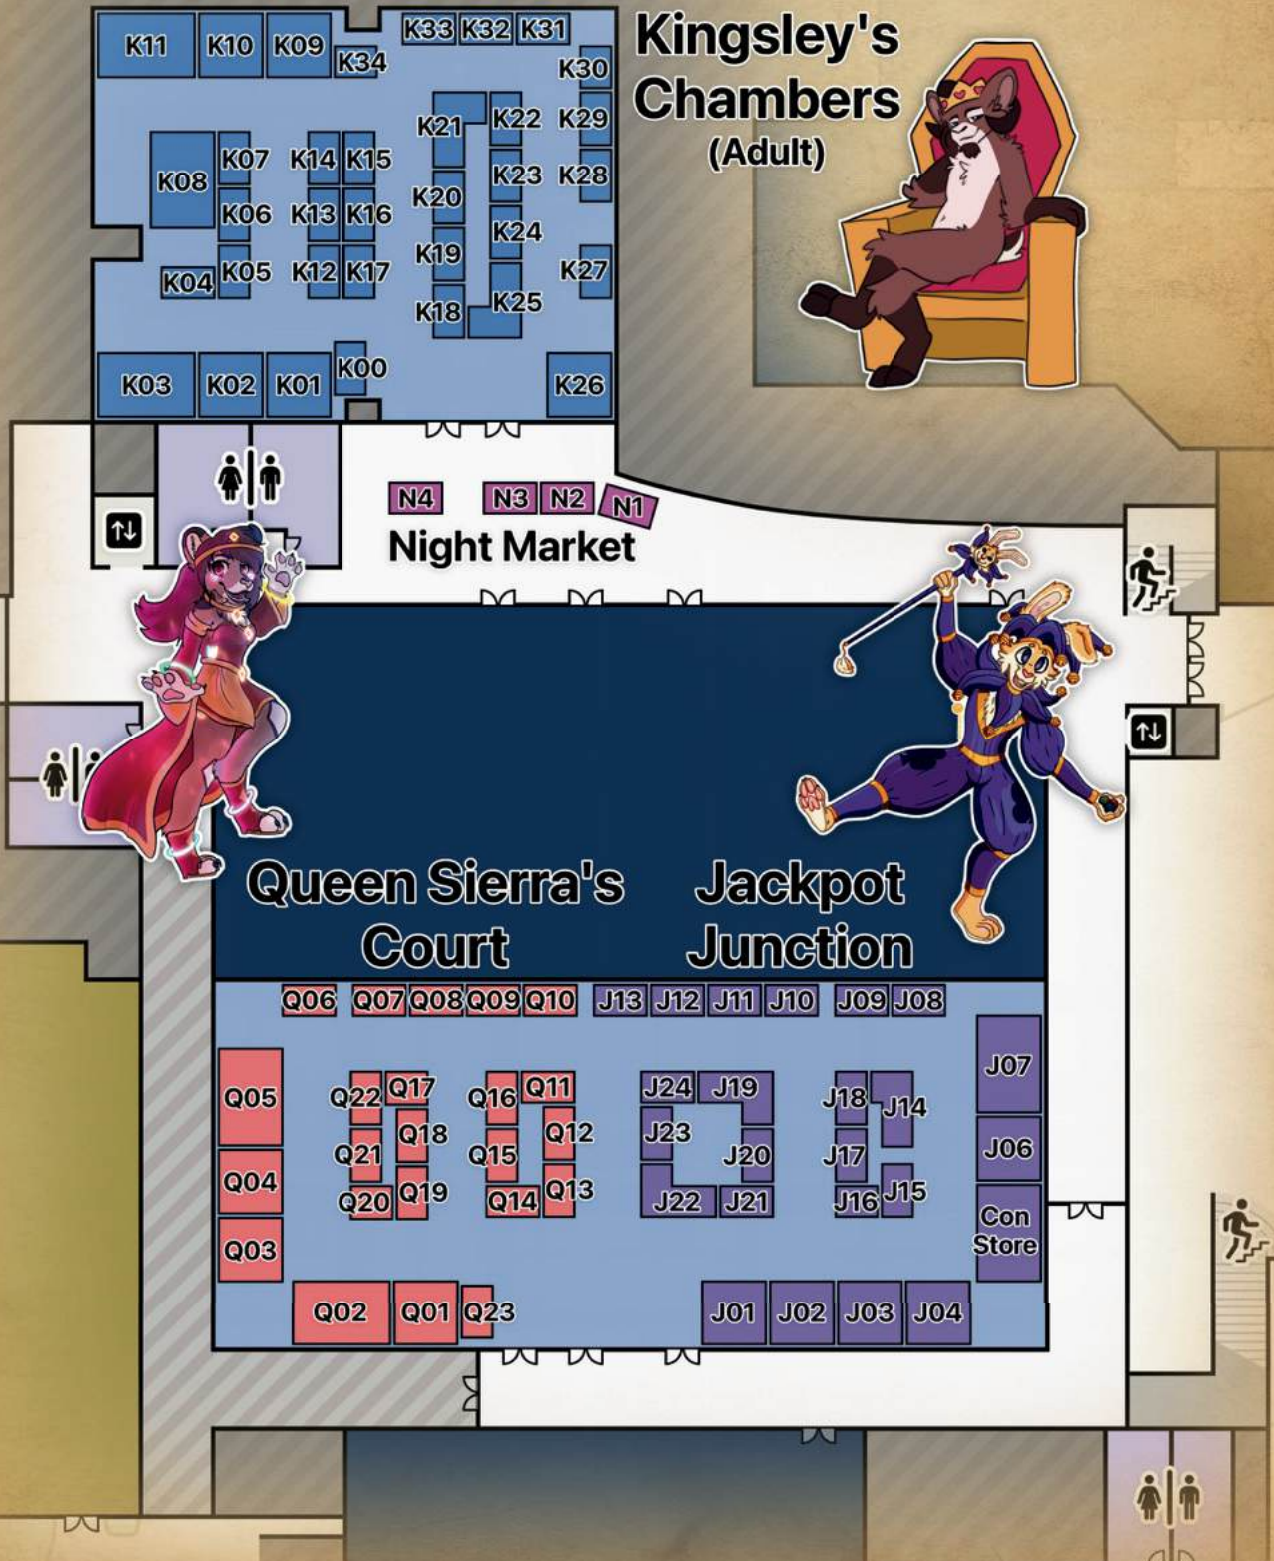

We welcome Suka Vulpe as a Guest of Honor at LVFC 2026!

LVFC 2026

Twisted Tails Escape Rooms

Twisted Tails Escape is an LGBTQ+ furry-owned and run escape room company founded by Adam Elgin and Sean Lusk (AKA Hutch Fox and Thermo Dragon). We have been building and running escape rooms since 2017 and have been in the furry community for even longer. Our first opportunity to build an escape room was at a furry convention called Furry Weekend Atlanta (FWA) in Atlanta, GA where the room was funded completely out of our own pockets. Since then, we've helped Florida-local companies design, build, and test their own escape room ideas. With Twisted Tails Escape, we plan to bring the same joy that we had brought at FWA to more events throughout the United States and donate more to worthy causes that each convention supports.

Where:

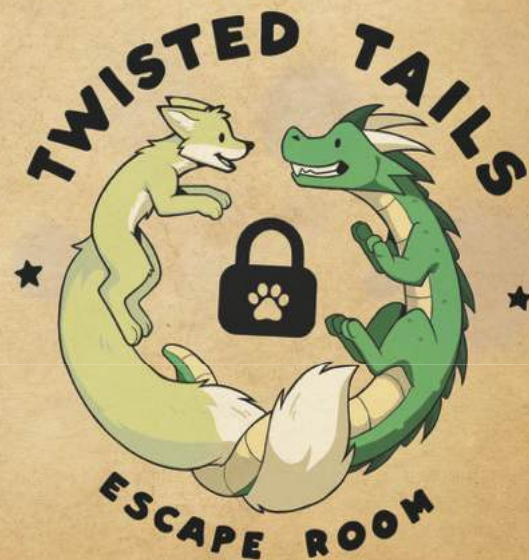

- Embassy Suites - Rivera Ballroom

When:

- Thursday: 12 PM-10 PM
- Friday: 10 AM-10 PM
