Memo from Lead Scientist

Greetings, fellow scientists! Welcome back to our third iteration of Little Island Furcon (LIFC). Whether you're a local fur or visiting Singapore, I'm thankful to have you here as part of the LIFC community. I believe that LIFC is for the community, by the community: everyone here has contributed in some way, be it through setting up a Dealers' Den booth, hosting a panel, or even as an attendee. Despite LIFC being a fledgling convention, you have come down to support us and the community. So for that, I'm deeply grateful.

Be prepared for a lineup of awesome events. We have a great variety of dealers, panels, games, and other activities. Check out the schedule and dealers' page so you don't miss anything. The LIFC committee has been working enthusiastically over the past few months to make all this a reality too. We're all very friendly, so do say hi when you see us around!

With that, let's open the doors to our top-secret laboratory. Put on your lab coats and let's get experimenting!

Fursuit Photodex

We've been there before: you take a picture of a fursuiter during a convention, but when you want to share it with them, you can never find their contact!

That's now a thing of the past. After taking a picture of a fursuiter, scan the QR code on their fursuiter badge to upload it there. Your name and socials can be set so that the fursuiter can find and credit you.

All the fursuit photos will be available at lifc.pw/photodex. You can also upload your photos there and tag the respective fursuiters even without their QR codes.

GUEST OF HONOUR

SHERBET

Meet Sherbet, a furry artist from Vietnam as well as our Guest of Honour for LIFC. He started his furry art journey in 2017, and began freelancing art since 2018 with his trusty laptop and tablet. Nowadays, Sherbet creates on Procreate with his iPad. You can find him on Twitter/X at @MasterBlader191. He also loves cartoons and learning new languages like Spanish.

Come meet him at the Meet the GoH session, his booth at the Dealers' Den, and all throughout the convention. This will be his first time to Singapore too, so don't be shy and come say hi!

Code of Conduct

1. Be respectful and considerate to all your fellow attendees, and let's help each other make LIFC a great convention for everyone!
2. Please make sure you wear your conbadge at all times within the con space. Fursuiters are also advised to have their fursuit badge with them at all times.
3. Please ask for permission to touch or hug someone! Costume is not consent.
4. Take care of the venue, do not litter. No food and drinks are allowed in the Dealers' Den and Fursuit Lounge, and no uncovered drink containers are allowed in the *con spaces*.
5. All costumes will have to be family-friendly - This means things like exposed underwear even over a fursuit are not allowed. This is only one example, if in doubt, check with a con staff or volunteer!
