WELCOME TO MWBF 2015!

2

Dear friends and guests,

Welcome to the third annual MidWest BronyFest! For those of you that have never been here, welcome. For those of you that are returning, welcome back! It's great to see all of you!

For the last year, the team have worked very hard to make this the best experience for everyone here. We have lots of fun things planned, and lots of special guests for you to meet and talk to. I hope you will find this convention guide helpful. Please use it throughout the convention, and if you feel that something has not been answered in here, please do not hesitate to ask a member of the team.

Since concluding MWBF 2014, I have made many new friends, the team has expanded to accommodate our new bigger plans. We have listened to your feedback and doubled the line-up for #LOUDER! This year, with not only a wider selection of performers, but we are running the concert over Friday AND Saturday!

We are also pleased to welcome some new special guests in the form of Andrea, Kazumi and Michelle. I am sure you will make them feel at home here in Kansas City, and give them a weekend they'll never forget!

MidWest BronyFest started as a one day convention in 2012 called 'Silly Filly Con'. We had approximately 75 people join us and we had 2 special guests; Jessi Nowack and White Dove Creations. When 2013 came along, we rebranded to MWBF and expanded the con to two days. We also invited our first voice actor from the show, Sam Vincent (voice of *Flim*). It was also the first year we ran a charity auction, in support of Child's Play. This was extremely successful and raised approximately \$1600 for our cause.

Last year, for 2014, saw a new venue, and 2 voice actors from the show, Peter New (*Big Mac*) and Kelly Metzger (*Spitfire*). It was also the year we chose to move to a new convention format, of 3 days. We had a lot of fun and again we ran a charity auction for Child's Play, which raised over \$3100!

Now we arrive at 2015, we are returning to the OPCC, we're still a 3 day convention, and we have as we mentioned earlier, 3 voice actors from the show! I hope you will enjoy the other collection of panels we have set up, as we have doubled the panels and workshops you can partake in at MWBF '15. The Charity auction will once again support Child's Play, and I hope you will enjoy raising money to beat our record from last year!

I hope everyone has a great time, and I look forward to meeting some of you as you enjoy the convention!

Jon 'High Octane' Riley
Con Chair, MidWest BronyFest.

Midwest Brony Fest wants to ensure that all of our attendees have a good time at the convention. These guidelines will help make sure that happens. Please note that violation of any of these rules may result in the violator being asked to leave the convention without a refund.

General Rules

- The convention reserves the right to amend these rules at any time.
- The convention reserves the right to ask anyone to leave the convention space at any time for any reason or to revoke a badge without refund at any time.
- We want our convention to be suitable for all ages. Please make sure your costume, behaviour, and language reflect that.
- At all times while in the convention space, you must have your convention badge visible on your person, issued by the registration desk. Also be prepared to show this badge to any member of the convention staff at any time.
- Upon entrance to the convention you must show valid photo ID: one of passport, state-issued ID card, or a driver's license.
- Visitors under the age of 13 must be accompanied by an adult.
- Selling items without a valid vendor's badge is prohibited.
- Vendors should only sell items that may legally be sold under U.S. and Kansas law.
- Vendors are not permitted to sell anything inappropriate for the original demographic.
- Outside food is not permitted inside the convention space.
- Smoking or vaping is only permitted in designated areas outside the building. Do not smoke near any of the entrances, as this comes inside and can upset other guests.
- Every attendee is responsible for their own actions and possessions. The convention takes no responsibility for any loss, damage, inconvenience, or injury arising from anything that happens at the convention.
- Before taking photos of anyone in the convention, please have the common courtesy to ask for their permission. This will prevent any wrong ideas, and if the person requests, honour their decision. If you do not wish to be filmed or photographed in the public areas of the convention when our staff may be doing so for archive purposes, please speak to the staff member.
- LARP fighting or re-enactment in the convention space is not permitted. Please do not engage in play fighting where props are used or bodily contact happens. This is both for our safety and yours. For photography, fighting stances or poses are permitted, but ensure there is sufficient space.

Behaviour Guidelines

- Harassment of any kind and for any reason will not be tolerated. This includes, but is not limited to, harassment on the basis of race, colour, sexual orientation, gender expression, or fandom preferences.
- Treat your fellow con-goers with respect, and make the convention a place where everyone can be made to feel welcome.
- No means no. Stop means stop. Go away means go away. Remember not everyone wants a hug or to be bothered all the time. Do not stalk or be a nuisance to other guests.
- If you have to ask or think twice about doing something in public, take it to your room.
- Ensure that public displays of affection are kept tasteful, simple hand holding, or gentle kissing is fine, anything other than this, regardless of sexual orientation is not.

HOUSE RULES

4

- Be aware around your fellow visitors when you make comments, and ensure they could not be thought of as offensive or derogatory to others.
- While at the convention, some of the event rooms may get hot and cramped. Be courteous and do not bother people with being excessively loud, or with body odours.
- Please do not litter. Throw your trash in the trash can or take it with you to dispose of outside of the convention space.

Parties, Alcohol and Zero Drug Tolerance.

- Midwest BronyFest will not tolerate the serving of alcohol to minors. If you choose to host a party where alcohol is being served, it's your responsibility as party host to make sure that all participants of the party have their age checked. For safety reasons, you should have someone who is the designated non-drinker, so there is someone who can be competent in case of emergencies.
- The use of illegal substances will not be tolerated anywhere in the convention space or the hotel. Anyone found using, or in possession of, illegal substances will have their badge immediately revoked, and will be reported to local law enforcement.
- No-one is permitted to enter or be in the convention space under the influence of alcohol. If found in this state you will be asked to leave.

Costumes

- Costumes must conform to local laws regarding exposure and need to be PG friendly.
- Costumes should be safe and free of sharp edges, swinging hooks or being extremely wide. Please be mindful of costumes with wings or areas which stick out, as these may get damaged, or trapped in doorways.

Weapons

- The director of Security reserves the right to reject any weapon for any reason.
- All weapons must be inspected by security before being allowed in the convention.
- Live steel weapons are not permitted. This includes, but is not limited to, swords, maces, and axes. Wooden weapons painted to look like steel are permissible.
- Foam weapons are permitted.
- Projectile weapons such as bows, slings or crossbows must be disabled and unloaded.
- Bows must be unstrung or loosely strung. No real bolts or tipped arrows are allowed, and any included in your costume must be clearly fake.
- Real firearms, even if disabled or unloaded, are strictly prohibited in all convention spaces, regardless of any concealed carry permits. Any attempt to bring a real firearm into the convention will result in the attendee's badge being revoked and local law enforcement being notified.
- No prop that is capable, or can be made capable, of firing a projectile will be allowed into the convention space. This includes weapons that fire foam darts, water pistols, and "silly string". However, any of these props that have been permanently disabled, e.g. a foam dart gun with the barrel filled in with epoxy, are permitted.
- Any gun-like props are required to have an orange tip, and convention staff will ensure that they are not capable of firing.

Have fun, and remember to be safe!

The Midwest BronyFest Team.

EVERYTHING CHITCHAT!

Chitchat here! When i'm not flying through the clouds looking for a good story, I am making sure I get the low down on everything MidWest BronyFest! This year I was able to go to lots of cool places and have some really cool photographs taken in all of our local attractions!

However, you'll be able to find me (if I have time!) at the convention, but I have left some of those photos of me that you can buy and take home! I hope you really enjoy the convention, and I'll see you around this weekend!

CHITCHAT!

*The winner of the contest to draw me, was Amanda Goodman
who caught me napping on the job!
Amanda won two weekend passes! Well Done!*
