Our Partner:

Hello, Fillies and Gentlecolts!

Welcome again to yet another Midwest Bronyfest! It's hard to imagine that 5 years have already passed since we started as a small one day convention under the title 'Silly Filly Con'. It's been a lot of work, time, a little stress, but mostly a ton of fun! We are so excited to bring you the biggest and best convention we could possibly organize for our 5th year anniversary. With a massive guest list, including 10 My Little Pony show staff, two IDW artists and 10 community guests, along with tons and tons of great musical acts including The Shake Ups In Ponyville, Baasik & BlackGryph0n, and so many more, there is sure to be something you can enjoy.

MWBF really gained traction in 2015 with the help of PonyvilleFM and including awesome VIPs like Andrea Libman, Kazumi Evans and Michelle Creber to the guest list, it came as no surprise there was a ton of interest in MWBF 2016. We really hope to deliver this year, we've added a charity cabaret event, Aloof Hoof, which will include, music, comedy and other interesting acts in an intimate setting, you can purchase tickets for this at registration for \$20 and all proceeds will go to our charity Child's Play. We also added two more concerts on top of #LOUDER this year, PVFM Underground, a PonyvilleFM sponsored concert introducing new and underrated acts from the brony fandom, and Michelle Creber & Gabriel "BlackGryph0n" Brown's Getting Stronger tour including opening acts from The Shake Ups in Ponyville and BluNose Reindeer. This, all on top of our MLP: CCG tournaments, MLP drawing school, Legend of Equestria open LAN, and cosplay competition. Hope you all have fun!

Before we end our opening statement, our chairmen Bashscript, Sleepypony and Ludi would all like to say a word:

"There are so many people to thank when it comes to running a successful convention that we would take up the entire con book to do so, so we'll keep this as short and sweet as possible. Thanks so much to all our artists, Pon3Splash, Shyredd, Viwrastupr, and Bobdude0, for the countless hours and hard work they put into our convention. They are the real heroes, behind every tweet, FB post and website update are these amazing individuals, they are the heart and soul of our convention so please stop by their vendor booths and show them some love. We also want to throw a thanks to all our staff and volunteers who put in so many hours just to make this event happen, they do this for you and for our community so if you see someone with a staff shirt on throw them a 'thanks' or a high five, it would mean the world. Last but not least, thank you to all our attendees who hyped up MWBF16 on social media, got excited for our con, pre-registered months in advance, and show us love daily. You are the reason we do this."

We hope you enjoy Midwest Bronyfest 2016!

The Convention Chairs

Ashleigh Ball

Ashleigh is one of the main Cast from *Friendship is Magic*, as the voice behind both **Applejack**, the most dependable farm pony of the 'Mane Six', as well as **Rainbow Dash**, the fastest flier in Equestria.

In addition to Pony, Ashleigh is also the talent behind **Blythe Baxter** from *Littlest Pet Shop*, **Plum Pudding** from *Strawberry Shortcake* and **Mary** from *Johnny Test*.

Nicole Oliver

Nicole Oliver has been a recurring feature of *Friendship is Magic* since the show began and needs no introduction! Nicole is famed for being the presence of **Princess Celestia**, the ruler of Equestria as well as Twilight Sparkle's mentor. She also voices **Cheerilee**, the Ponyville School Teacher.

If you're old enough to remember The Cramp Twins, then you may be surprised to discover that **Mrs. Cramp** was actually voiced by Nicole Oliver! Nicole has voiced numerous characters for many shows, including **Zoe Trent** from *Littlest Pet Shop*.

Tabitha St. Germain

Tabitha is one of the core Cast of *Friendship is Magic* as the voice behind **Rarity**, Ponyville's resident fashionista and the Element of Generosity. She is also well known for the elusive **Princess Luna**, the Princess of the Night.

Tabitha has many years of Television and Voice Acting experience and has voiced characters from other shows, such as **Pepper Clark** from *Littlest Pet Shop*, **Martha** from *Martha Speaks* and **Mari Phelps** from *The Cramp Twins*.

Kelly Sheridan

Kelly has become a more recent star of *Friendship is Magic*, best known as the voice of the antagonistic **Starlight Glimmer**, as well as Rarity's fashion aide, **Sassy Saddles**.

Outside of Pony, Kelly is also known to provide the voices of **Barbie** (yes, Barbie!) in numerous Barbie movies since 2001. She also voices characters across various Anime series.

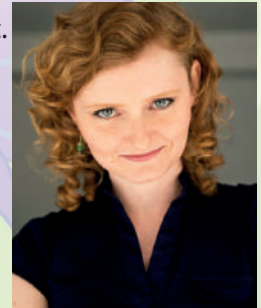

Kelly Metzger

Kelly is the voice of the infamous Wonderbolt, **Spitfire** in Friendship is Magic.

Kelly's first appearance as Spitfire was in the episode The Best Night Ever and has been wowing the audience as the sassy but kind hearted Spitfire ever since. Kelly is more than just an acrobatic pony though, she has also lent her voice to roles such as **Sayu Yagami** from the English dub of Death Note, Sugar Sprinkles from Littlest Pet Shop, Nya from Ninjago: Masters of Spinjitzu, and many more!

Kelly was a guest at Midwest Bronyfest in 2014 and we are ecstatic to have her return two years later in 2016!

Anneli Heed

Anneli Heed was our first special guest announcement for Midwest Bronyfest 2016. After taking the internet by storm thanks to her voice acting abilities as the Swedish dub of **Spitfire**, Anneli has quickly become associated with **Swedish Spitfire**.

Anneli has a number of different acting roles in the Swedish dubbing of My Little Pony and in addition to being known for Spitfire, also performs **Spike**, **Sweetie Belle**, **Cheerilee**, **Photo Finish**, **Princess Cadance**, **Queen Chrysalis**, and the singing voices for **Princess Celestia**, **Rainbow Dash**, **Pinkie Pie**, and a number of other background characters.

'Big Jim' Miller

"Big Jim" Miller joins the list of honored guests for Midwest Bronyfest 2016. A lesser-seen hero, Big Jim has been the **Director** of Friendship is Magic for Seasons 4, 5 and 6.

Big Jim has quite a following of fans on Twitter, and outside of his work with MLP, has also been responsible for storyboarding various animations, including the infamous "Ed, Edd n' Eddy"!

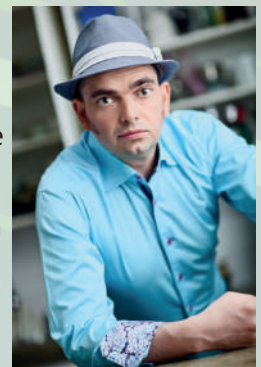

Peter New

We are most excited to be welcoming Peter New back to Midwest Bronyfest. Peter attended MWBF back in 2014 and will be joining us again for 2016.

Peter New is well known for being the voice behind **Big Macintosh**, the sibling of Applejack and Apple Bloom and the one behind the signature one word response to any question. "Eeyup!"

Away from pony, Peter also voice **Sunil Nevla**, The Mongoose Magician from Littlest Pet Shop, as well as playing voice and acting role in numerous Television series and mini-series.

Michelle Creber

Michelle Creber is a 16-year-old Canadian actor, singer, dancer, musician, songwriter and voiceover artist. She is known internationally as the speaking/singing voice of "Apple Bloom" and the singing voice of "Sweetie Belle" on *My Little Pony: Friendship Is Magic* – Michelle was only 10 during season one, when she recorded her epic gospel vocals for *Hush Now Quiet Now*. After a successful cover of Michael Jackson's *Beat It* with Gabriel Brown (Black Gryph0n), Michelle and Gabe have continued to work together; recording, performing, touring, creating comedy sketches and releasing original co-written songs.

Gabriel Brown (Black Gryph0n)

Gabriel Brown (aka Black Gryph0n) is an American singer, actor, voice actor, songwriter and animator. He first became known for songs like *Proud To Be A Brony* and *Paper Sky*, for his "licious" animation series and as a "reactor" on *Bronies React*. He has sung on season five of MLP and is lead vocals for *Pac-Man*. After a successful cover of *Beat It* with Michelle Creber, Gabe & Michelle have continued to work together; recording, performing, touring, creating comedy sketches and releasing original co-written songs. Gabe has also recorded with Andrea Libman and released *IMmortal*, a collection of original songs with his brother Baasik, including hits like *Academy* and *Zero Gravity*.

Monique Creber

Monique Creber has a diverse entertainment career. She is an engaging performer with a rich alto voice, described as "eerily similar to that of the late, great Karen Carpenter". Studio and TV vocal credits include *My Little Pony: Friendship Is Magic* (*Smile Song*, *Hearth Carol*, *Super Speedy Cider Squeezy*, *At the Gala*), *Martha Speaks*, *George of the Jungle* and *The Collector*. Monique has taught vocals, piano and musical theatre extensively and enjoys coaching and career consulting for singers, actors and voice actors. She currently divides her time between the studio, stage and set; plus managing the busy careers of her daughter Michelle and Gabriel Brown.

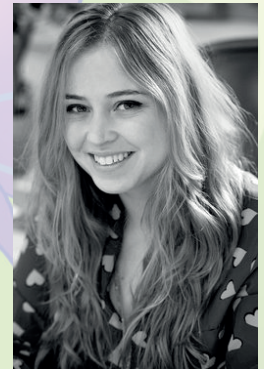

Michelle and Gabrielle will be joining us for their awesome **Getting Stronger** tour which will be part of our concert selection!

GM Berrow

GM Berrow is a writer for the Friendship is Magic series. She is responsible for writing episodes for the televised series, as well as writing as a literary author for works related to the television series, such as the Daring Do spin-off book series.

She is more recognised for the books which run alongside the series and will be more than happy to show her awesome storytelling skills for the children!

Tony Fleecs

Tony is an artist and illustrator for the IDW My Little Pony comic series. He was the primary artist for Micro-Series Issue #2 and has been responsible for designing several different front covers for the comic series.

As a comic book writer and artist, Tony has done more than just My Little Pony - he is also the mastermind behind In My Lifetime, an auto-biographical comic book.

Jenn Blake

Born and raised in California, Jenn Blake studied to become a successful fashion designer. She has 12 years experience in the profession but wished to extend her knowledge of art and take it in a new direction.

Jenn started to work on comic/graphic novel characters and decided to combine that with '*My Little Pony: Friendship is Magic*'.

Jenn enjoys her time drawing My Little Pony characters with her cat, Ash.

Dana Simpson

Dana is an experienced personality of all trades - skilled as a Cartoonist, Illustrator and Author. She is the mastermind behind *Phoebe and Her Unicorn*, as well as the creator of the online comic *Ozy and Millie*.

At Midwest Bronyfest, Dana will be running the Children's panel *Your Inner Unicorn*.

We're not completely sure, but we think that Dana likes Unicorns.

Meredith Sims is one of SFS's creative leads, she began her work voicing Fluttershy for the team and has since moved on to become a primary writer and voice actor. Her credits include writing the fanwork Snowdrop (as well as voicing the title character) and being one of the creative heads and co-writers of the StarSign project. Outside of the team, she has voiced for projects such as Fighting is Magic (Twilight Sparkle), Double Rainboom (Blossom), Legends of Equestria, and Heroes of Newerth.

Jen McGregor is a popular voice artist, she has gained fame in the pony community for her impressive Princess Celestia impersonation. Her credits to the team include voicing Celestia in Snowdrop and Fall of the Crystal Empire, as well as voicing in SFS projects such as Pokémon Shaming and Donut Steel (where she played the fabulous Mary Sue.) She has also sung for several pony musicians over the years, and is quite busy in her role as an actress and voice director for the StarSign project.

Reagan Murdock You'll never find a closer Discord impression than Rev. He has performed as Discord for several pony projects, including Epic Wub Time, Twilight the Unicorn, and Midwest Bronyfest's very own Chaos Panel! He can also be heard as the voice of Thresh in SFS's The Thresh Prince of Bot Lane, and lent his musical talents to the team as the co-composer of the music in Snowdrop. He now works as a professional voice actor, but still finds time to write as one of the co-writers on the StarSign project.

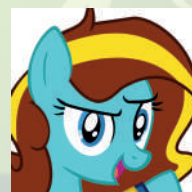

The Shakeups in Ponyville, an original music project inspired by My Little Pony: Friendship Is Magic! Hailing from Indianapolis, The Shake Ups In Ponyville combine the power of music with the magic of friendship to create music that's fun for all ages!

The band has released three full-length albums of pony music; their latest, Rock Candy, is available now from iTunes, Amazon, and wherever quality independent music is sold!

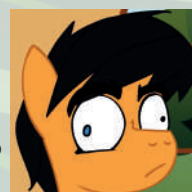

ILoveKimPossibleAlot (ILKPA) is a YouTube critic, entertainer, and analyst in the Brony community. Don't let the username fool you, she packs a punch with her content!

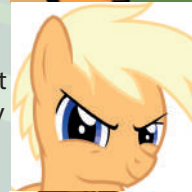

KP is known for being a funny, lively personality that takes analyzing and talking about character troupes to a fun extreme. She is most well recognized for her tribute to Discord's voice actor John de Lancie with her video "Let's Go and Meet John de Lancie"

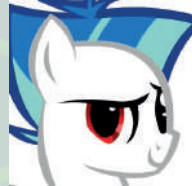

Solrac (also known as Yaplap) unintentionally joined the fandom after posting a "leak" of the Second Season's MLP:FiM Intro, only to blast away the viewer with an ear shattering, yet oddly entertaining screaming cover. (Disclaimer: Solrac is actually a pretty mellow dude, so he may not scream much in person, but he will challenge you to a round of Smash Bros.)

ACRaceBest ACRaceBest is a Mechanical Engineer best known for his YouTube series "Bronies React." He specializes in destroying cars, trying to be funny, and forgetting what day it is. With an accumulated 18 million views online, he continues to produce comedy sketches, convention vlogs, and more, while entertaining live audiences on multiple stages and venues.

SaberSpark is a YouTuber with a bad case of A.D.D. From documentaries to comedy skits, this guy can never stay in the same place for too long and is always on the move with random ideas. Saber is also a frequent guest on ACRacebest's series "Bronies React." He is also hot and can bench press 500 pounds.
