

MYFUR'S GOT TALENT

FOREWORD

Hello everyone, and welcome to our very first furry con!

For our convention this year, we drew inspiration from a talent show. A talent show is where the stage is set, and the lights are bright. Everyone brings something uniquely their own. Like the grand stages that inspire us, our convention is more than a showcase of talent—it's a space for passion, creativity, and the joy of sharing what makes us unique.

In our community, we have a wide range of talents. It is expressed through performances that bring characters to life, through music that touches the heart, and through creativity that surrounds us.

Whether you're expressing yourself on the grand stage or being part of the roaring crowd, everyone has a part in making the show come together to make it all memorable and uniquely special. Remember, everyone has a chance to shine.

From me, Ryo, and the rest of the team, I hope you all have a wonderful time here, so get your spirits up!

Welcome to MyFUR's Got Talent!

MY!
FUR!

The logo features the words "MY!" and "FUR!" in a bold, orange, bubbly font with thick black outlines. A stylized orange cat tail is integrated into the bottom of the word "FUR!". The logo is centered on a vibrant purple background that resembles a stage with spotlights and falling confetti.
