

Nordic Fuzz Con 2025

Letter From The Chairman

Welcome to **NordicFuzzCon 2025** – the most pawsome gathering of furry friends from across the globe! This year, we're thrilled to have over **5,000 attendees** from **more than 60 countries**; a heartwarming leap from just over 3,700 last year.

Our theme this year is **Spirits of the Zen Garden**, a celebration of tranquillity, harmony, and just the right amount of mischief 🐾! Step into a world of peaceful koi ponds, serene rock gardens, and mischievous spirits lurking behind every bamboo stalk. But don't worry – these spirits are here for fun, and so are we!

We've got so many exciting new things to share with you this year:

🌸 **Koinobori Painting**: Unleash your inner artist and create your very own colourful carp streamers to decorate our Zen garden.

🔥 **Cozy Firepit**: Snuggle up with friends, share stories, and enjoy the warm glow of our new firepit area – perfect for chilly evenings.

🐹 **Bigger Rat Pool**: You asked, and we delivered! The legendary rat pool is back, and it's bigger, splashier, and squeakier than ever!

🚤 **Boat Trip to Öresundsbron**: Hop aboard and set sail for a unique furry adventure. The scenery is stunning, and the company is even better!

🎵 **Pawsome Disco Stage**: Dance your paws off in our upgraded disco area, with dazzling lights and beats to keep your tails wagging all night.

And that's just the beginning! With **more convention space than ever before**, our classic events, exciting panels, city fursuit parade, open house, and, of course, the Dealers' Den and Artist Alley, there's really something for everyone. Whether you're painting koi, howling at the moon, or relaxing in the Zen Garden, NFC 2025 promises to be unforgettable.

This convention wouldn't be what it is without your energy and kindness. So let's make new friends, cherish old ones, and create memories that will last a lifetime.

Thank you for being part of the magic. Now, let's embrace the **Spirits of the Zen Garden** and have the time of our lives!

With fluffy hugs and endless gratitude,

Trax

2025 Charity

Dýrahjálp

"We bridge the gap" for homeless animals until they have found a new home."

NordicFuzzCon is proud to present our 2025 charity **Dýrahjálp**. Founded in 2008 this animal shelter was one of the first shelters of its kind in Iceland, and up to this day they are devoted to their mission to find a new forever home for homeless animals. It remains one of the few places of hope for our fuzzy friends who are down on their luck in the entire country of Iceland.

Today they are the largest animal rescue in their entire country, not just providing help to individuals with their pets, but also to many communities all over Iceland they remain their prime resource for anything pet or vet related.

This has not come easy. Ever since their inception in 2008, they have worked hard to become a trusted source. Thanks to their devoted volunteers they have managed to reach this goal and without any government funding, as they were only concerned with the wellbeing of the animals in question.

While they did sometimes receive temporary funds, Dýrahjálp still relies on their volunteers and fundraisers. This to make sure their core values remain focused on sheltering animals and helping those in need.

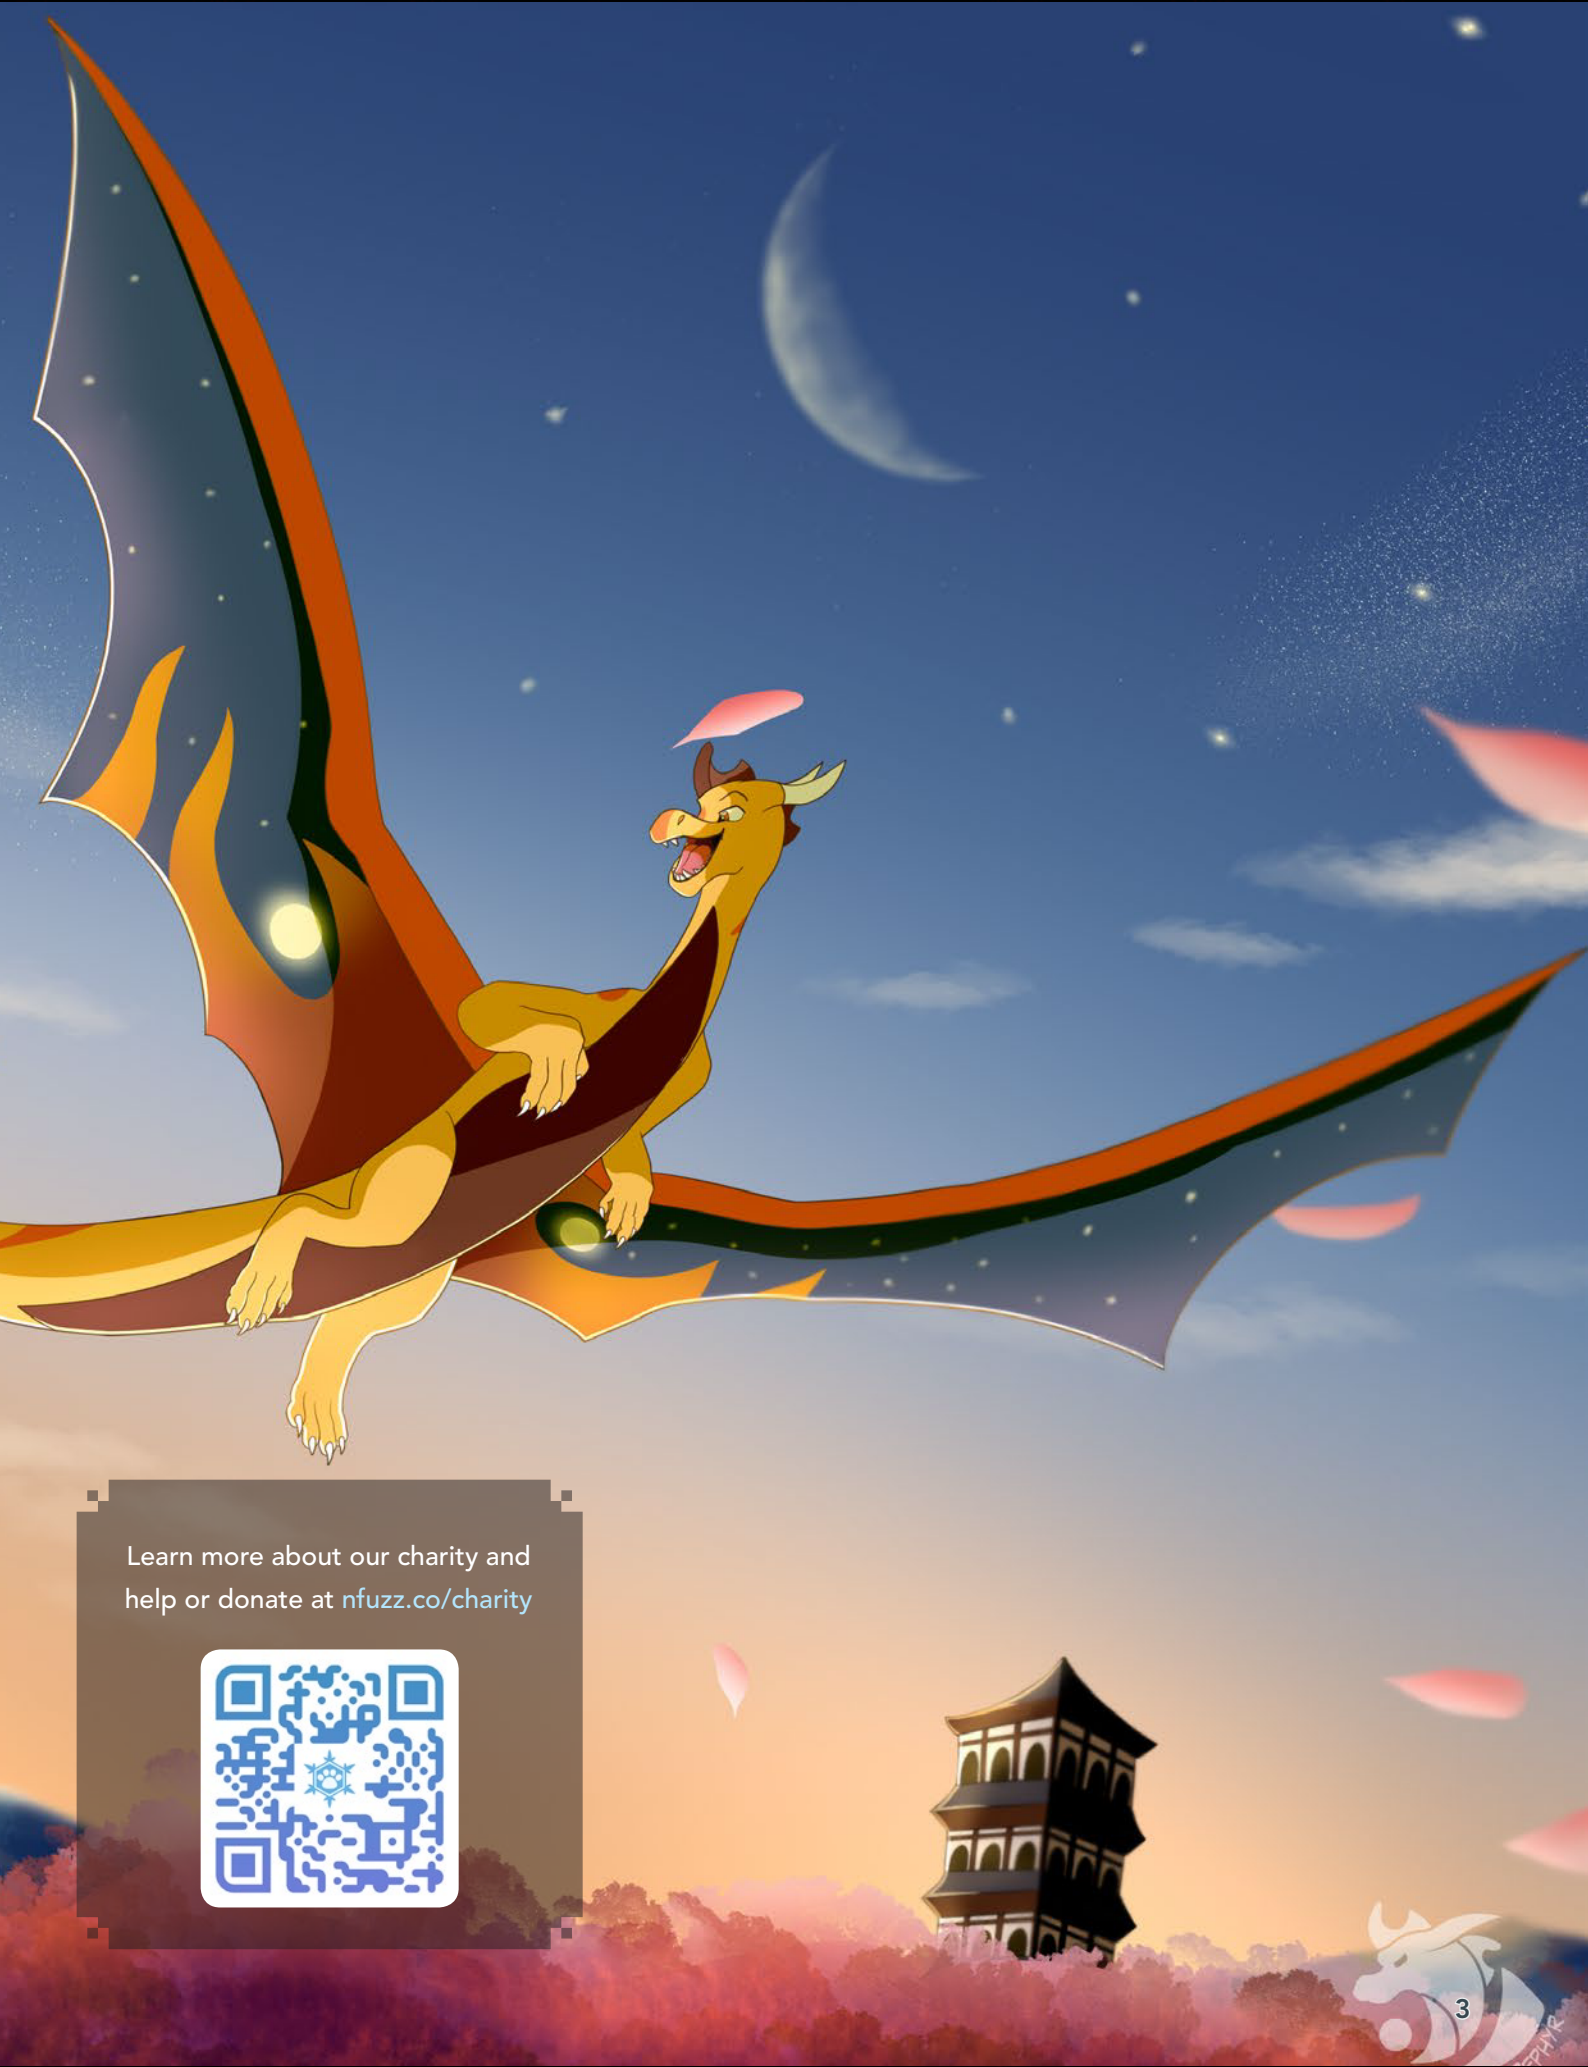

Their independence also allows Dýrahjálp to help in welfare

cases in 'grey areas', where it is uncertain who is responsible for the welfare of the affected animals. To make sure all in need receive help without question.

We of NordicFuzzCon are proud to help such a noble cause, to make sure all dogs, cats, rabbits, birds and other small animals have a ray of hope in a dire situation.

At the convention you will be able to support our charity in various ways. Not just by direct donations, but also through a charity auction with all sorts of fun items, or through a charity commission from your favourite artist and much much more.

Medic & Security

Like every year, your friendly neighbourhood medics and security furs are here to make sure you and everyone else have the best con possible! Here are some friendly reminders on how YOU can make your experience better:

- Remember the 6-2-1 rule: Make sure to get at least 6 hours of sleep (or more), 2 meals, and 1 shower a day!
- If you see a fellow congoer who is not feeling well or just sitting by themselves, go up to them and say hi! Ask how they are doing and if they need help - you never know, you might make a new friend!
- And at any time, if you feel bad in any way or think you or someone else needs medical attention, be sure to contact the nearest medic!

Our medics are always happy to help, give out band-aids, water, isotonic drinks, condoms and HUGS to those in need! Together with the medic team, the security team will do our best so all of you can have an amazing con! Please do not ever hesitate to come to us if you have any concerns, big or small - we are here for you.

Return to Valhalla

With more attendees than ever, we want to make sure everyone can join in the fun. Last year we introduced Valhalla! Our secondary venue where we extended the NFC experience into. Valhalla is located at Jörgen Kocksgatan 7A which is just a 10 minute walk away from Clarion, or you can hop on our frequent shuttle bus between venues.

Expect the same amenities such as the Haunted House, Mini Fursuit Lounge, Restaurant & Bar, and various events. This year we're bringing the Dealers' Den and Arcade from Clarion into Valhalla! With these additions, we hope you will enjoy what Valhalla has to offer!

WannaBeast is a furry dance group hailing from Asia. Like animals, they take the stage to show off their ferociousness, showcasing bold and fast dance moves. Although they have a shared love for K-POP, they enjoy dabbling in diverse styles of music, and their dancing goes beyond the limits of any genre.

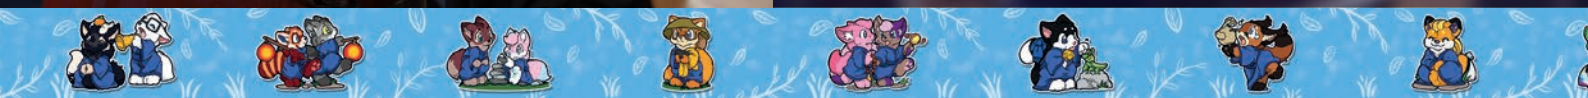

Look out for their dance events and join them for a special NordicFuzzCon Flash Mob event!

Formed in 2020, TAIKO BASTARDS are an international Taiko (Japanese drumming) group based in Germany and Belgium. They offer a modern and creative approach to the art of Taiko performance, captivating their audience with powerful and energetic performances. Their work includes collaborations with renowned artists from all around the globe, and pushes the boundaries of performance, composition and presentation of mainland European Taiko.

TAIKO BASTARDS are Ingmar Kikat, Mel Ski, Jonas vom Orde, and Steven Cools. Check the schedule to find out when and where they will be performing!

Fursuit Parade

The Fursuit parade will start **Saturday at 13:00**, immediately after the Fursuit Group Photo has been taken.

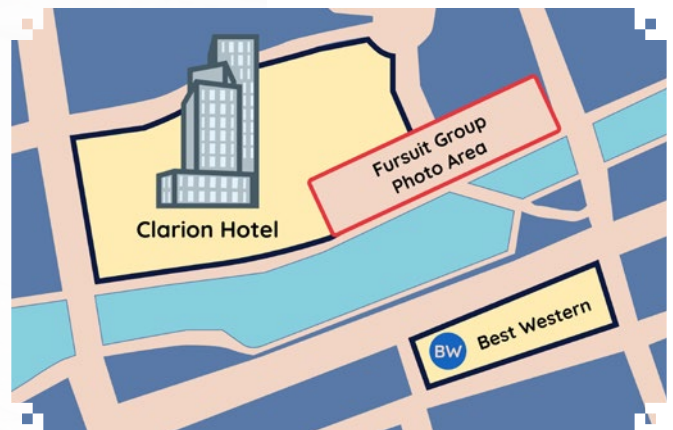

The map of the parade route can be found on our website, please check it for updates and information about the parade in case of any unforeseen circumstances forcing a last-minute change in the route, or in the event the parade gets cancelled due to bad weather.

Parade Tips & Tricks:

- Do not bother the Police officers, they are there to regulate traffic for our security.
- Check out the route before the Parade starts to make sure you can walk the whole route.
- Make sure you are well-hydrated before the parade!
- Bring a fursuit handler, unless you are sure you can go without one. Though we will have security and volunteers to help make the parade safe for all, you should have a fursuit handler with you in case you feel like you cannot finish the route and need someone to help you back. Handlers can also help you keep track of bystanders trying to get your attention for a photo. Pssst! Handlers can also take nice personal parade pictures for you, and help you carry something to drink so you stay hydrated.
- Please do not stop for extended periods during the parade. It is nice to pose for a picture, and give bystanders a hug. But please be considerate to avoid the risk of splitting up the parade or slowing the parade down.

Underneath the Cherry Blossom Tree

By Isaac Purrtail

We met in the garden one beautiful day
You blushed politely and asked me to stay
We sat down to enjoy a nice cup of tea
Underneath the cherry blossom tree

Fondness grows, something starts to bloom
I hope it is mutual, I don't want to assume
Our paws touch, and you look at me
Underneath the cherry blossom tree

You said inside you is a burning flame
And asked me, do you feel the same?
The passion was clear for me to see
Underneath the cherry blossom tree

Summer goes by, filled with laughter and joy
We run and we play, no need to be coy
Then fall arrives, despite my silent plea
Underneath the cherry blossom tree

All winter I long for you to be here
Everything feels better when you are near
In this place where we both can be free
Underneath the cherry blossom tree

You have returned, I'm back in your arms
Forever bound by your endless charms
We know together we are meant to be
Underneath the cherry blossom tree
