Welcome to the Festival of Lights!

The Festival of Lights in many cultures, religions, and countries is celebrated in beautiful ways. This year, we selected the Festival of Lights for that very reason, and decided to focus on the Lantern Festival, also known as the “Yuan Xiao Festival.” The beauty of the lantern festival is expressed through exquisite art including intricate lanterns patterned to make animals and objects important to them. It is a holiday celebrated in China and other Asian countries that honors deceased ancestors on the 15th day of the first month (Yuan) of the lunar calendar. The Lantern Festival aims to promote reconciliation, peace, and forgiveness. The holiday marks the first full moon of the new lunar year and the end of the Chinese New Year.

For the festival, houses are festooned with colourful lanterns, often with riddles written on them; if the riddle is answered correctly, the solver earns a small gift. Festival celebrations also include lion and dragon dances, parades, and fireworks. The round shape of the balls symbolizes wholeness and unity within the family.

The Lantern Festival may originate as far back as the Han dynasty (206 BCE to 220 CE), when Buddhist monks would light lanterns on the 15th day of the lunar year in honour of the Buddha. The rite was later adopted by the general population and spread throughout China and other parts of Asia. A legend concerning the festival's origin tells the tale of the Jade Emperor (You Di), who became angered at a town for killing his goose. He planned to destroy the town with fire, but he was thwarted by a fairy who advised the people to light lanterns across the town on the appointed day of destruction. The emperor, fooled by all the light, assumed the town was already engulfed in flames. The town was spared, and in gratitude the people continued to commemorate the event annually by carrying colourful lanterns throughout the town.

Code of Conduct

The following is the summary of the rules and regulations of Painted Desert Fur Con (PDFC). For a complete listing, please consult Convention Operations.

The most important rule of all is to HAVE FUN! This convention wouldn't be possible without you and we want you to have the best experience possible! With that being said, there are a few things we have to get out of the way first:

Badges and Convention Identification

The convention badge provided to you at Registration are property of PDFC and must be surrendered upon request. You may keep your badge after the end of the convention. Please remember to have your badge visible at all times when you are in the convention space. This is your identification when entering events within the space. By accepting your badge, you are agreeing to abide by all PDFC policies as well as any other agreements that may be necessary.

Convention "Rating"

Painted Desert is considered "rated" at PG to PG-13 in all public areas. Exceptions will be made in areas clearly marked as "Mature" rated in the schedule and event areas such as the 18+ areas in the Art Show/Dealers

Den. Any area with a rating above PG-13 will have controlled access and may require display of photo identification along with convention badges to verify age before admittance. 18+ areas will be off limits to Minors regardless of parental consent.

General Rules

No sleeping in any public areas of the hotel or convention spaces. Attendees are required to follow any reasonable instructions when given by a staff member. If you believe an instruction is not reasonable, address our concerns to the Manager of that department. Disputes are escalated as necessary, but the decision of the Directors/Chair is final. Convention spaces are open ONLY to registered attendees or visitors being escorted by staff.

Badges are issued only to one person and may not be shared at any time. Smoking and vaping are NOT PERMITTED in the convention spaces and hotel rooms. There are designated areas for smoking/vaping, but Marijuana use is PROHIBITED on hotel property even with a medical card.

Pets are not permitted in the convention space. In accordance with the Americans with Disabilities Act (ADA), recognized Service Animals are permitted. Attempting to falsely claim an animal as a Service Animal may

result in revocation of membership and local law enforcement involvement.

Any act of vandalism or deliberate damage to the hotel or hotel property will result in immediate revocation of convention membership.

Hateful, provocative, and harassing clothing articles are NOT allowed. This is included, but not limited to arm/head/tail bands, shirts, pants, fursuits, costumes, flags, props or any other item at staff discretion. Clothing must keep within the PG-13 rating of the convention, but certain clothing may be worn into 18+ panels or by vendors of 18+ booths provided it is covered up while in public areas.

Merchandise sales may only be performed in the Dealers Den, Artist Alley, or any area similarly designated by convention staff and only by parties who have prior arrangements with the convention or hotel to conduct business.

Hotel and Rooms/Parties

The person named in the room reservation is responsible for anyone staying in the room and any damages that occur. No signs may be posted to hotel walls, hallways, or elevators. There will be an area for any convention related postings. Room Parties are allowed, but noise must be kept to a level

to not disturb other attendees during night hours. Doors to hotel rooms must be kept shut. Noise complaints will receive a single warning from the hotel staff. The member hosting the party is responsible for cleanup. Housekeeping will ONLY clean up bagged trash.

Lost and Found

Lost and Found will be maintained in the Convention Operations Office. If you lose an item, check here first. A report can be filled out describing the item and contact information must be left.

Dress Code

Collars and leashes may be worn, but persons cannot be lead around by them in public areas. Public exposure of bare breasts, buttocks, or genitals is not permitted. Full-body fursuits are an exception (fur covers all!), but may not reveal genitals, buttocks or breasts. **Fursuits are not permitted in the pool or hot tub.**

Harassment/Assault

All reports of harassment/assault are taken very seriously. If you witness or are the victim of harassment or assault, report it to Convention Operations or CRT immediately. If you are in immediate danger, it can be reported to hotel security as well. It is not the job of Painted Desert

or Corgi Events LLC to solve your interpersonal problems. PDFC is not able to prevent attendance of person(s) unless the pose a specific, credible threat or have a criminal history of conviction of crimes which may pose a threat to the convention or its attendees. If an individual stalks, harasses, or attempts to assault you at the convention, report it to any member of the CRT staff. All matters reported are dealt with seriously and may become a criminal matter depending on the severity of the report. Responsibility for settling personal disputes lies solely with the parties involved and any relevant authorities.

Weapons

Real weapons of any kind are not permitted in convention spaces regardless of any permits for concealed/open carry of such items. This is including, but not limited to firearms, tasers, stun guns, OC (Pepper) spray, knives with 4" or longer blades and swords. Magnetometer wands and other checks may be performed randomly by the CRT to ensure compliance with this policy. Any violation will result in law enforcement being contacted and badges revoked for the duration of the convention. Reasonable facsimiles of firearms are also prohibited in convention spaces. Prop weapons are allowed, but must have no sort of "firing mechanism". If you have something you wish to

submit to CRT for consideration, please bring it to CRT staff before wandering convention.

Substance Abuse

Sale, distribution, use or possession of controlled substances will not be tolerated at PDFC. Anyone violating applicable laws will be immediately ejected from the convention, membership revoked, and law enforcement contacted.

The above does not restrict the authority of the convention to remove or add any necessary policy or procedure at any time without any prior warning. Any modifications to these policies or procedures will be accompanied by immediate notification via social media and the convention website whenever practical.

Charity and Guests of Honor

Charity: Phoenix Herpetological Society

PHS was founded in 2001 by three long-time, passionate reptile enthusiasts with a vision to make a difference for reptiles in the state of Arizona. There were plenty of organizations to rescue many species of animals from dogs and cats to birds. However, there was no such facility or refuge for unwanted or rescued reptiles. Reptile owners had no outlet to relinquish ownership if needed nor was there a resource to acquire accurate, reliable information on the care and husbandry of reptiles as pets. In addition, native and non-native species were being destroyed (euthanized) by state facilities and other animal rescue agencies solely due to lack of knowledge regarding care and housing of these amazing creatures — native and exotic. In response, the Phoenix Herpetological Society (PHS) was launched.

Today, PHS is a fully operational, 2½-acre rescue and rehabilitation center with an onsite reptile clinic and research center located in northern Scottsdale. A dedicated team of over 20 individuals volunteer regularly to maintain the sanctuary and care for hundreds of reptiles housed at the facility. PHS works with state and federal wildlife officials and law enforcement to care for and house unwanted or seized reptiles from across the U.S. Our education team sees over 200,000 people per year to educate them about the importance of reptiles all over the world.

Guest of Honor: The Fur Collective

The Fur Collective is a fursuit making studio run by Kibitzer and Ilya, based out of Tucson, Arizona. We have been making fursuits since 2013. We produce quality costumes with a focus on character and comfort. Each costume is made by hand and is designed to the specifications of our customers, and packs the kind of expression and subtlety that you would expect from artists who love the craft.

@FurCollective

Guest of Honor: Likeshine

Likeshine has been an artist all her life! Graduating from UCF with a degree in Animation, Lishine has had her work featured in books, on clothing and jewelry, and more! Her beginnings as a caricature artist at popular Orlando theme parks have given her a strong background in fun, humorous, and engaging artwork. She's been the fandom's cookie-stealing green gryphon for more than 15 years now!

 @likeshine_

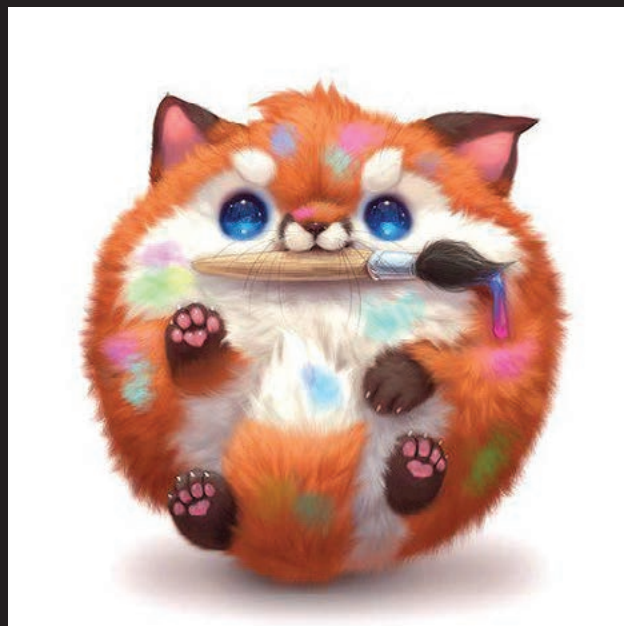

Guest of Honor: Silverfox

Silverfox is a freelance artist from Malaysia. He graduated with a degree in Graphic Design in 2005 and worked as a graphic designer for almost 6 years. Due to the low paying and unchallenging nature of this field, he decided to quit his full time job and delve into the realm of freelancing.

Silverfox's art consists of mostly cute chibified animals/anthro equipped with soul sucking, highly reflective, glossy eyes. His art style is heavily influenced by the Kemono / anime culture in Japan and his favorite artist is Ovopack (Murayama Ryota).

When he is not drawing in his studio (glorified term for his bedroom) he can be seen making plushies, needle felted dolls and clay sculpting.

A warrior, a cleric, a magician, a rogue, and a druid find themselves locked in a dragon's prison, when suddenly a tremor shakes their bars and shackles loose. Can they be crafty enough to survive with what they find along the way? Will they work together? Can they get out before the prison collapses? Come play a unique custom D&D campaign with Slyphur, where the goal isn't about being the hero ... it's about getting out alive. Furry themed, with lots of hijinks and comedy but also critical thinking and teamwork. Come roll the dice and seal your fate. Any level of experience with roleplaying is fine. There's room for five active players at a time, and we can hot-swap at any time. Guaranteed to be fun to watch!
