Message from our Chairman

Message from the heart

Hey dreamers!

Did I wake you up? Oop, I am so sorry! But I am happy to welcome you to the 3rd edition of Reffurence. This time, in a convention hotel, near the beach, full of additional services and things to do.

A huge thank you is due to all our volunteers, some of whom worked multiple hours each week to make this convention happen. Have you seen our new website and registration system? Did you see that design? This all wouldn't have been possible without our amazing, dedicated team. But I would also like to extend my gratitude towards the sponsors and attendees, who made sure that there were again a lot of furies walking throughout the con space!

Looking back to the Howl-o-Ween nightmares of our second edition, we're hoping to go back to the basics. Focus on the important things first - getting a good night's sleep! And that's exactly what we're trying to accomplish during this event: ensuring that everyone is calm, relaxed, and has their basics under control.

6 hours of sleep

2 meals

1 shower

We should not forget that this year's theme perfectly aligns with our vision, providing a safe and accessible environment for all individuals interested in the anthropomorphic fandom. Our convention should feel like a holiday for all involved, allowing people to create memories that will last for years to come.

To recap, for those who may have dozed off, please remember to get enough sleep, ensure everyone feels at home during this convention, and treat one another with kindness and respect.

We're so glad you're here at Egmond aan Zee — now let's get this convention started!

Rules

Guidelines To Follow

To keep some order in the chaos, and to keep everyone happy, we expect you to follow some basic rules. **Not following these rules may result in being removed from the convention.** You won't like that, and neither will we.

1. Wear your event badge at all times. This proves to us that you are part of the event and helps us keep the evil people out.
2. Dress appropriately for public. Don't wear clothes that are too revealing or suggestive. You are in a hotel, so use common sense.
3. If you are not sure whether somebody wants to be hugged, tackled, pounced or otherwise assaulted, please ask the person first.
4. When drinking, drink responsible to keep the convention fun for yourself and others. Know your limits.
5. If somebody is bothering you, don't hesitate to contact the safety team. They are here to protect you. Find more information about safety on the right.
6. Film and photography in the fursuit lounge is strictly forbidden. This place is a place for suiters to change in or out of suit, give them some privacy. Similar restrictions may apply for certain panels or events. Please check the rules of these events for details.
7. Staying overnight in the event hotel without a booking is considered ghosting. As much as our theme suggests otherwise, we don't like ghosts, so don't do it.
8. Gatherings and parties in rooms should not generate noise that can be heard in neighbouring rooms during the nighttime hours. Keep the volume down, so that others in the hotel are able to sleep.
9. Please be kind to the normies and keep the noise down after 23:00, both in hotel and outside. The people living in the neighbourhood will thank us. Especially the lounge should stay quiet during these times.

Safety First

Safety of our attendees is our **top priority**. If you ever feel unsafe, please contact our safety team so that we can resolve the issue.

The advertisement features a dark background with two fursuiters. On the left is a blue and white tiger fursuiter, and on the right is a brown and red wolf fursuiter. A QR code is located in the bottom right corner, with a red arrow pointing to it and the text "Scan me!" below it. The FurTrack logo is in the top left corner of the image area.

Furtrack is a place for the mass-sharing, tagging and rediscovery of fursuit photographs, snapshots of those magical moments we wish could last forever.

Make sure that whenever you make a picture during Reffurence, that you upload it to this platform so your moments don't get lost!

www.furtrack.com

Why Share on Furtrack?

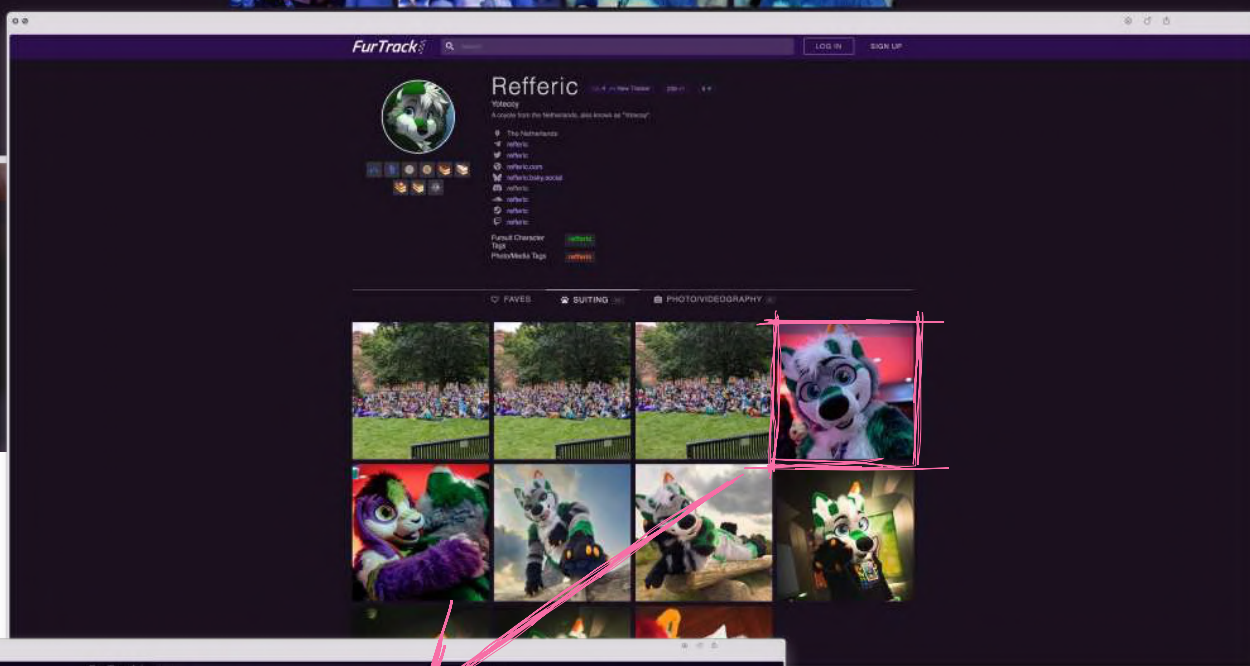

Furtrack is more than just an image gallery - it's a living archive of our shared memories. Events like Reffurence are full of magical, blink-and-you-miss-it moments, and Furtrack helps preserve them for everyone. Whether you're a fursuiter, photographer, or just love capturing the fun, your photos deserve to be seen, remembered, and rediscovered.

By uploading to Furtrack, you make it easier for others to find themselves in your shots, credit creators, and keep the spirit of the convention alive long after it's over. It's a platform built specifically for the furry community, with thoughtful tools made for tagging and organizing our unique experiences.

How to Use Furtrack

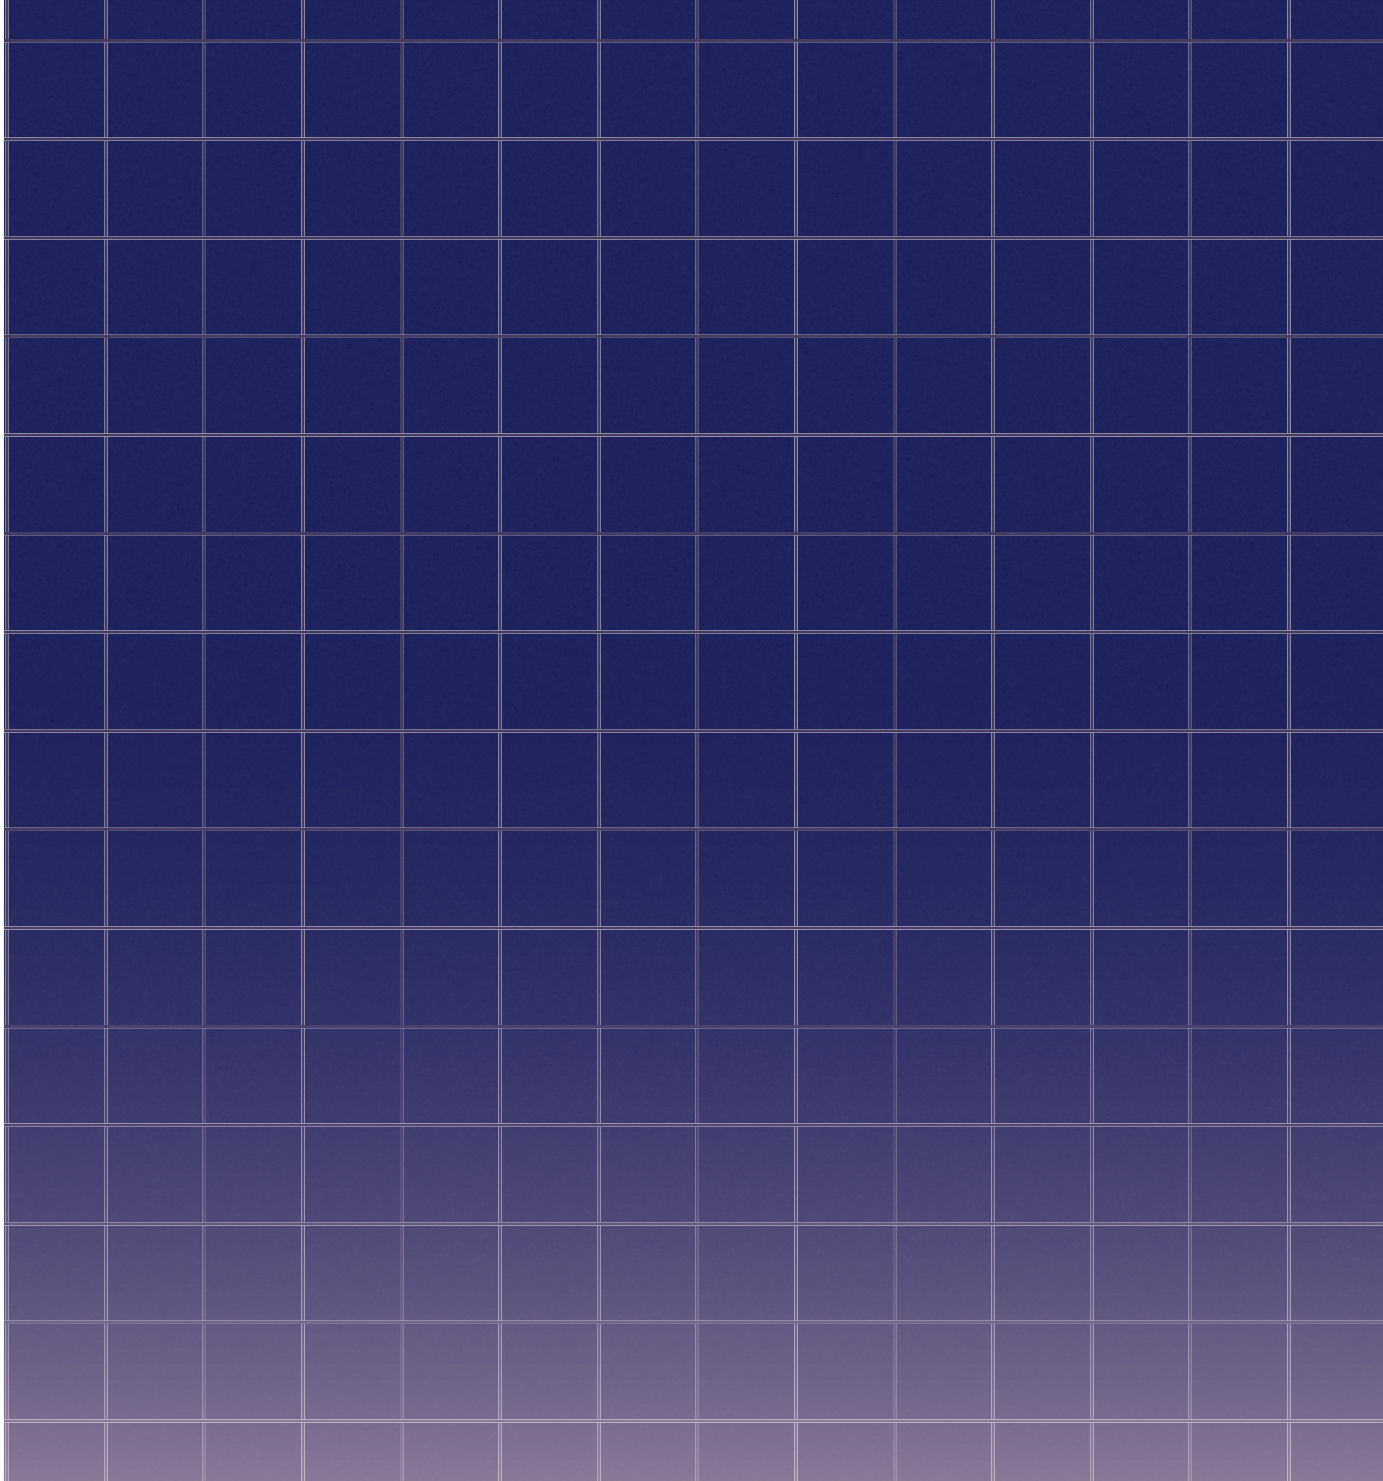

Getting started is simple! Just visit www.furtrack.com and create a free account. From there, click the Upload button, choose your images, and start sharing. You can upload multiple images at once, and there's even an option to set licensing terms like **CC-BY-NC-ND** to control how your work is used.

Once your photo is uploaded, you can add details like who's in the photo, what event it was taken at, and who made the suit. These tags don't just keep things organized - they help others find and credit everyone involved. Even if you're not sure about all the info, add what you can. Others can help fill in the blanks later.

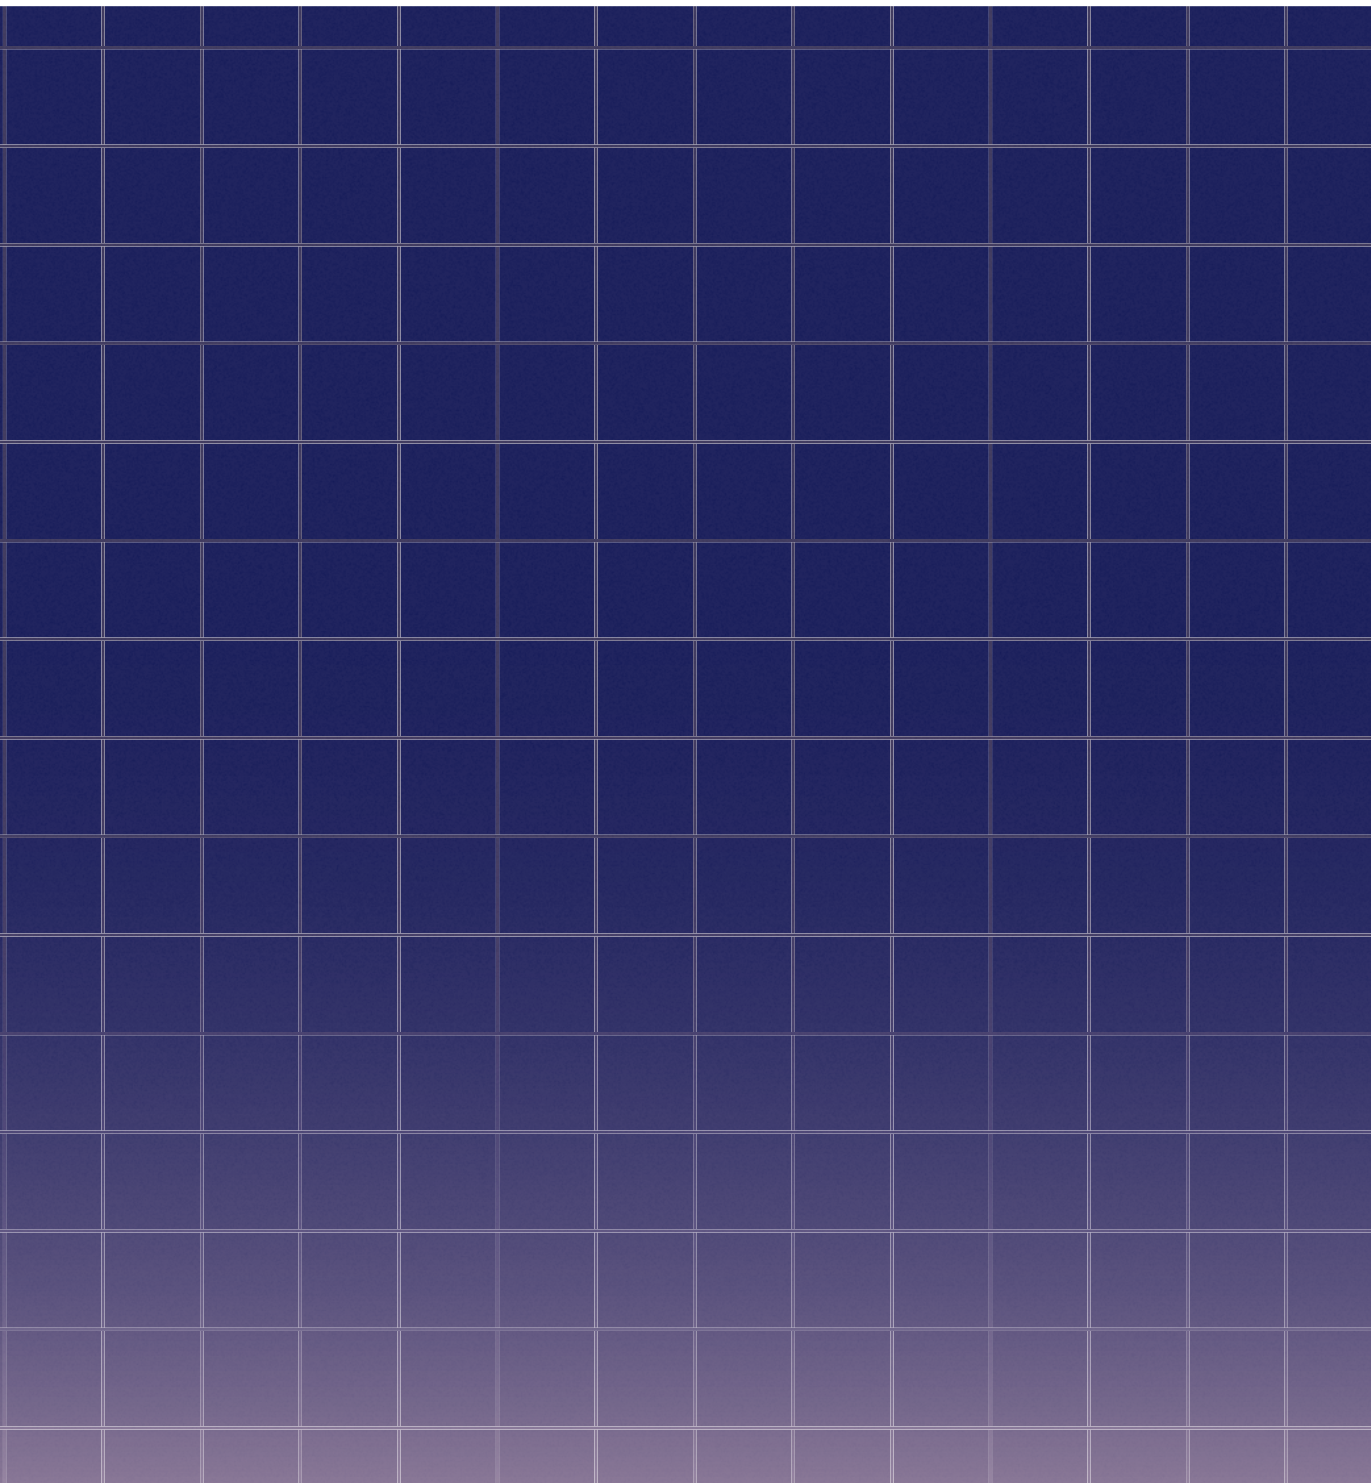

Sticker Page

Use your power responsibly

Remember: do not put stickers everywhere

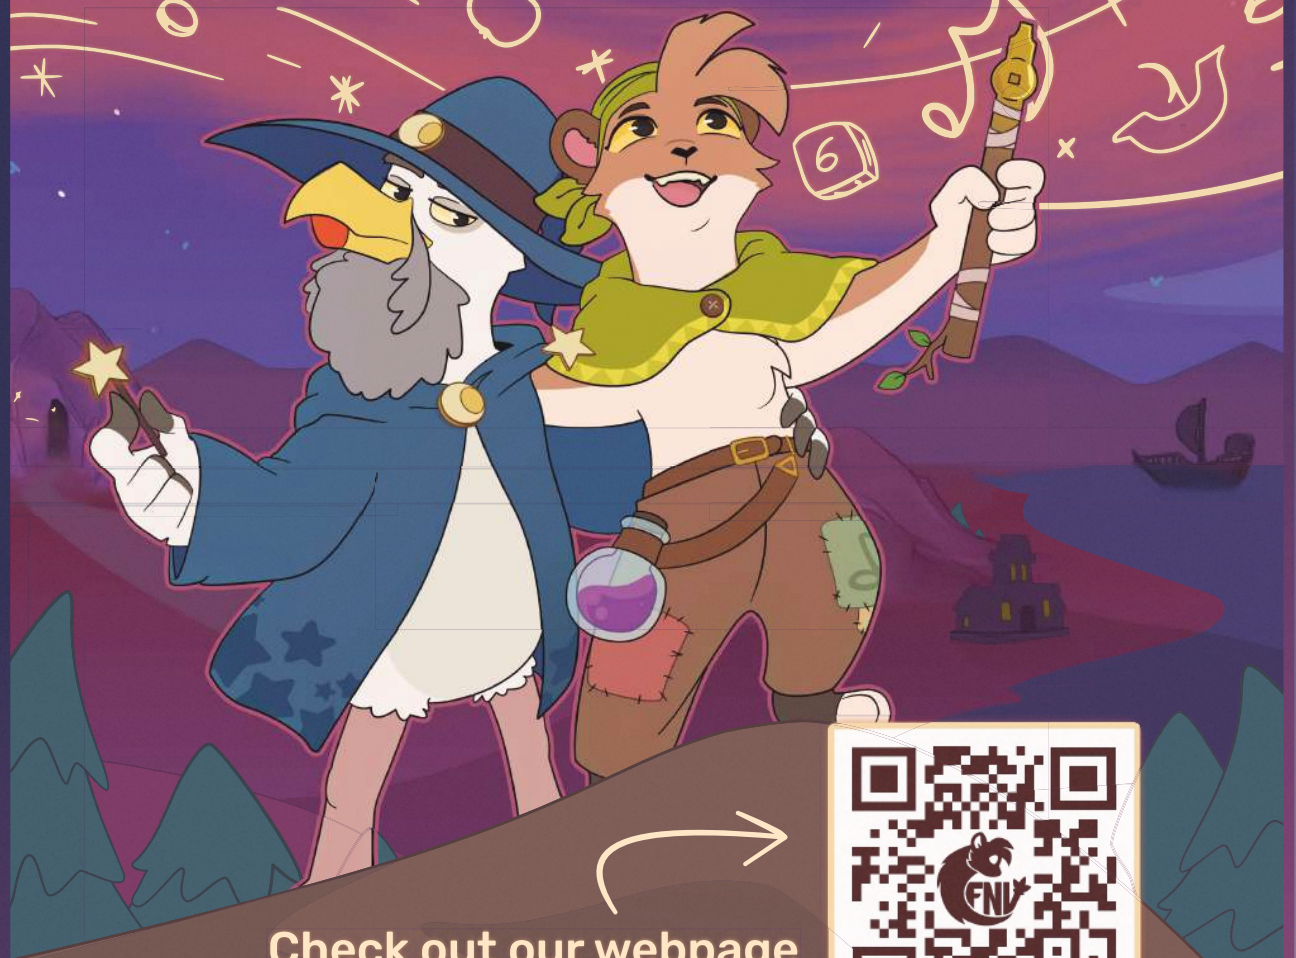

This page is a space to stick your own or collected stickers. Let it out and stick as many as you want here! By doing so, we'll avoid having to throw your stupid ahh out of the con. You don't want that, and neither do we, so don't tempt fate! :]

FURSITS PER YEAR

Those fluffy fursuits, who can resist them? In 2023 we had 107, in 2024 that number jumped to 156, and this year we've reached 202! Seems like the dream just keeps getting fluffier!

Attendees Per Country

Dreams know no borders - and neither do we! While most of our dreamers come from the **Netherlands**, many have journeyed from across the world to join Reffurence. Our community truly is a global dreamscape!

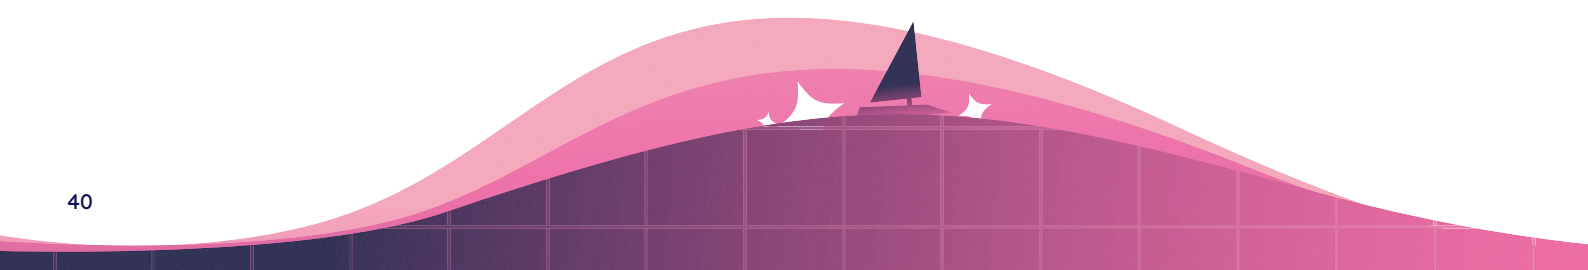

Bringing a dream like this event to life is no small feat-it takes more than planning, it takes **magic**. And that magic comes from our **volunteers**. You are the stardust that turns ideas into reality, the dream-makers behind the scenes.

A huge **thank you** to each and every one of you for helping us shape this convention into something unforgettable.

Without you, it would still be just a dream.
