Fritz "Harmonight" Rolle

From die-hard fan to full-on content creator, the "Athletic Brony", Fritz Rolle, has been in the world of My Little Pony in more ways than one. In addition, he provides his helping hand as a voice actor to content creators like ObabScribbler, FaolanCortez, and Grim Narrator. So much so it earned him the role of Pitcher in Friendship is Tragic 2: A Tale of Two Princesses. However, pony is not the only thing Fritz does in life. Whether it is swinging golf clubs in Florida's daylight or singing out in Luna's moonlight (like his OC Harmonight), there is more to him than meets the eye. There is only one question that remains. What more is there for the one Harmonight?

Foaly

Online, they've participated in a variety of livestreams, podcasts, and shows, actively helped shape the fan community on Twitter, and tracked the fandom's charity and convention endeavors across a range of overly-complicated spreadsheets. Foaly continues to enjoy tea and Jaffa cakes, and still finds it odd to describe themselves in the third person.

Fiaura the Tank Girl

Fiaura is a writer for *Fallout: Equestria* in her case the *Dead Tree Series* as well as a fandom scientist. She works to create panels to figure out how things work in the real world, even if they are over the top cartoonish.
