A Note on Why We are Different...

Sin City Murr Con is the first Las Vegas furry convention to be 18+ and kink friendly!

As an adult only space we offer education, social opportunities, and a safe place for furies & kink to collide for an amazing weekend! We value individual responsibility, integrity, confidentiality, and respect for self and others. Together we offer a space for like-minded individuals to socialize, observe, explore and learn in a respectful environment.

**We welcome and respect
ALL IDENTITIES**

Sexual Orientations, as well as Legal Kink Practices.

Consent is key and sexy too! Remember, keep kink inside our convention spaces. We are given a space to express ourselves inside our convention halls and rooms, be sure to keep it there!

Murder Mystery...

The Con's Crime Cumtastrophe, Part 1, Book A of the Trilorgy.

The casino floor is no stranger of mine but the body that laid on it was new. I was trying to make my usual rounds. It seemed to be just a regular, run of the mill night... When I discovered the fox. Wow... The poor lad might have had too much fun for his own good. He was face down... Roped up... Surrounded by a very questionable sauce. I reached down, lubing my fingers with the liquid, giving it a quick taste. A wave of relief washed over me... Ah, yes... Sweet Baby Ray's BBQ sauce.

One thing led to another, and the police arrived on the scene. They took the building with blinding speed, taping off the areas. Before too long I was now staring down a small rabbit. She had the curves in all the right places. A look that could make you rock solid with antici.....pation. With a quick glance at her chest, I knew she was large and in charge.

“Was he the one that found the body?” she questioned, pointing in my general direction. A squirrel officer whispered her a reply before she sauntered over to me. I could feel her eyes trail up and down my body...I was feeling flirty and just couldn't resist giving her a quick wink. If the fur on her cheeks wasn't pink before, it was now.

“I'm going to ask you a few questions, Mr...?” She paused, taking out a notepad.

“It's Jaxxx, Jaxxx the Cougar. Whatever you need Detective, I'm all yours” I responded playfully.

“Well, Jaxxx, is it true you were the one that located the body?”

I nodded.

“Can you describe what happened?”

“Well... I work here as a server. I was in the middle of my rounds when I found him. He was tied up... Looked like he had been milked for all he’s worth. Honestly, I’m a little jealous.”

Her eyebrow raised, lips pursing into a frown. **“Do you think this is a fucking joke, Jaxxx? That man *almost* died from cum overload... And you want to be jealous?”** She groaned, pressing forward and forcing me against a wall.

I wasn’t prepared...A soft moan escaped my lips. I smirked, knowing that If she kept up this I might have my own cum overload. Maybe... That wasn’t such a bad thing.

“Miss Officer, it’s only polite to give your name since you are questioning me... I would like to know who is responsible for my pants getting two sizes smaller” I gave the rabbit another playful look. The look she had on her face was one of intrigue, confusion, disgust, and interest all at the same time... I’d say my comment hit it’s mark.

“I’m officer Lola, and you seem like trouble. How the hell do we *know* you aren’t involved? I’m going to need to finger you.” I raised an eyebrow, a smile creeping to my face causing her to blurt out a quick correction. **“Fingerprint! Fingerprint you... because you are a suspect in this investigation!”**

“Finger” I paused. **“...Print away officer.”** Clearly flustered, she fumbled around for something in her pocket before forcibly grabbing my paw. A quick thrust into some ink. A rough press... And my prints were recorded. I noticed she held onto my paws for a little longer than she should have... Almost like she was preparing for a later arrangement.

“Officer Dan!” She shouted over her shoulder. I knew she was trying her damndest to distract herself. The Squirrel officer hustled over. **“Did you find anything from the front desk?”**

“The employee at the front hasn’t seen anyone leave.” Officer Dan responded, saluting his superior officer.

“So, the Suspect might still be in the building?” she questioned.

“Yes, I believe the suspect is still... among us.” He glanced at me suspiciously.

“I want this building on lockdown, Officer Dan! No leaves until we get to the bottom of this. Get me all the fingerprints of the other guests and employees!”

The authority behind her words had my whiskers twitching. I had a few ins and outs in mind... I was really falling down that rabbit hole.

“Have the lab run a comparison on the ones we pulled off the sauce bottle and Gods dammit I want them as fast as possible or so fucking help them.”

“Yes ma'am! Pitter patter, let's get at 'er.” I watched the squirrel scurry away to deliver the orders to a few other officers. The others scurried away even faster. Her authority definitely achieved results.

“As for you... cougar... I'm going to keep my eyes on you.” She pointed her finger at me.

“Oh, I hope so. It'll be my pleasure to have your eyes on me~” I grinned, reveling in her intrigued look. I was making a wonderful first impression...

YOU HAVE TO WEAR YOUR

Guests of Honor

Ash

Ash (formerly Thay Rustback) is a local, non-binary artist with a lifelong passion for art and animals who has been creating art for the furry fandom since 2010. For Ash, art as a career began as a part time venture while attending school for veterinary technology, but soon they realized they were able to create furry art full time and never looked back.

Ash is dedicated to bringing clients' visions to life with vibrant digital illustrations and takes pride in delivering high-quality, evocative art. While digital art and merchandise make up the bulk of their work, they love nothing more than finding themselves elbow deep in acrylic paint!

HoundTEETH

Colby has been heavily involved with the fandom since he could pick up a pencil and paper. It started with art, then merchandise, then onto making fursuits, which he now does as HoundsTEETH. Under the moniker knotyourpuppy, he also started producing LGBT-friendly adult fursuit content, adult fursuit additions, and adult art in 2017.

On top of being both polished and well made, HoundsTEETH has always been adult-friendly and sex positive. At the time the company was established, it was rare to have both a professional quality suit, and the option for adult additions from someone who knew how to add them correctly and discretely, and that became one of the goals. Though the company is run almost entirely by Colby, his fiancé Bandit lends a hand occasionally, and the two of them are very proud to say HoundsTEETH is entirely trans and queer run, and happy to work with the very open furry fandom.

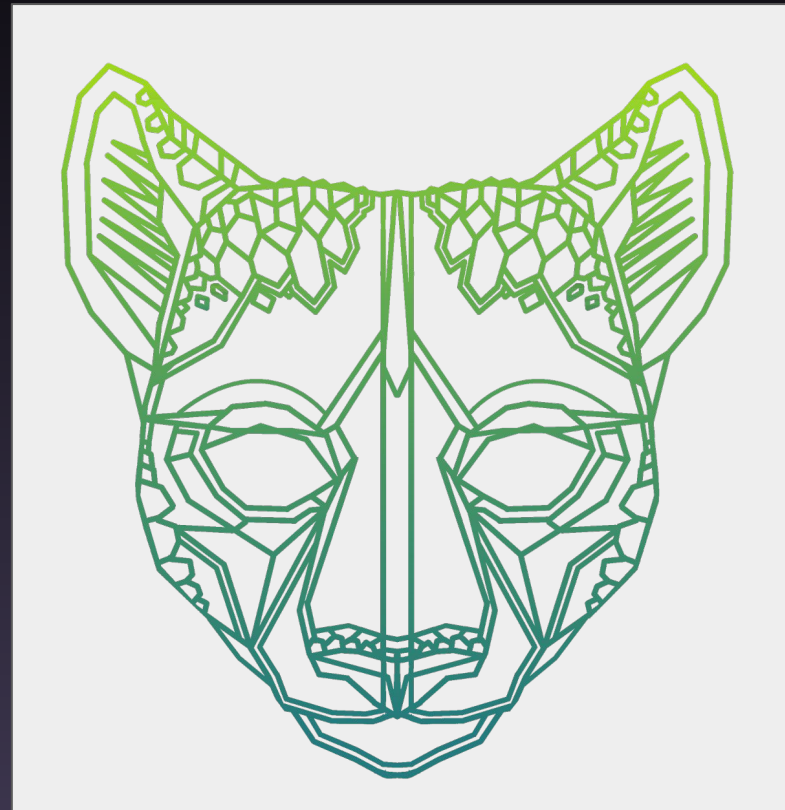

Guests of Honor

XenoCat Artifacts

XenoCat Artifacts is an inclusive sci-fi silicone adult toy company featuring over 25 different models in all shapes, sizes and inspirations! Nested within the Rocky Mountains at our home base in Colorado, we began crafting fascinating specimens with various styles of play in hopes to bring a fun and unique twist to the ever expanding fantasy toy market in early 2017 when we first opened our pod bay doors.

Within the last three years, our business has grown from a one person artisain craft shop to one of the more recognized toy makers in the fantasy sex toy industry with a dynamic crew of individuals dedicated to making your fantasies a reality. Xenocat offers a wide range of products and has future plans of expansion into even more bizarre and tantalizing designs in the upcoming years. Currently ranging from dildos, strokers, coasters, eggs, squishies, stickers, monster body pillows, and some really great swag, XCA is on its mission to bring you the best we can offer and more!

We currently travel across the US and attend a wide spread of conventions from coast to coast and offer our products online. We are incredibly thrilled to have been invited to the first Sin City Murr Con as your guests of honor here in Vegas, and hope to see you all at our panels and at our booth! Come buckle up and join our crew as we delve further into the far dark recesses of space. Are You Ready to Embrace the Unknown?

Charity Bunnies Matter

Bunnies Matter is a group of volunteers dedicated to helping dumped and unwanted bunnies in the Las Vegas area. We capture, rehab, and rehome as many bunnies as we can but unfortunately the need in our city is overwhelming. We rely 100% on donations.

We are bunny lovers working together to help educate people about bunnies. Together we can help stop bunnies from being dumped in parks, golf courses and neighborhoods all across the country. We have done a lot of great things here in Las Vegas to help our bunny dumpsite problem.

Bunnies Matter is different from most bunny rescue assistance type groups in that all of our amazing volunteers contribute their time AND money to help these bunnies. This is a grassroots effort and as a group, we cannot solely rely upon or wait on outside donations to help all the bunnies in Las Vegas because we cannot stop helping them even if we don't have the donations. Unfortunately, there are still bunny dumpsites all over Vegas today but we are working on solving that problem everyday. #missionimpossible is our goal.
