2025!

Volunteers

A big thank you to the amazing volunteers who gave up some time to make the con run smoothly:

Squibz, Emmett, Rye, Oscar, Jules, Brynn, Cat, Nox, Zealous, Reily, Hunter, Sparradile, Emi, Denali, Pepper, DubiousC, Joseph, bk, Sky, Amanda, Cada, Chloe, Cash, Bats, Sam, Cam

A special thank you to Cascade with Studio Yip for continually going above and beyond with developing our website. You have been a massive help and great to work with.

And of course, thank you to my partner Bon, for listening to all of my ideas, supporting the good ones, and kindly vetoing the insane ones. I couldn't run this con without you by my side. I owe you for every late night, everything you reorganized, and every attendee you check in. I love you! -Oddie

Looking Back at 2024

2024 was marked the first ever Spooktacufur! The con was held at the Sugar Space Arts Warehouse in SLC. There were 278 human attendees, and one owl. The event was much bigger than expected, prompting our move to a larger venue!

About Our Charity

This year, Spooktacufur is proud to support HawkWatch International, a charity that got its start in the Wellsville Mountains right here in Utah. Hawkwatch International was founded in 1986, and has worked to research, conserve, and educate about raptors for nearly 40 years. Raptors face a number of threats, and HawkWatch is at work across the globe to help prevent species' decline.

At Spooktacufur, attendees have the special opportunity to get up close and meet some of HawkWatch's raptors. Come say hello!

Additionally, a silent auction table is available in the Artist Alley. 30% of all proceeds from these items will go directly to HawkWatch International.

**Meet the birds
at 2 p.m. in
Panel Room 2!**

If you'd like to make your own donation to HawkWatch International, scan the QR code and make sure to honor Spooktacufur in your message.
