Our Charity

Safari's Sanctuary

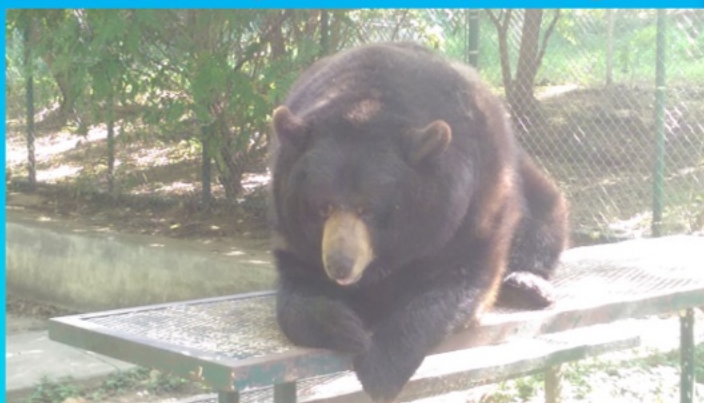

The Tails and Tornadoes Fur Con official charity, Safari's Sanctuary (501c(3)) is located in Broken Arrow, OK. Since 1995, the mission of the organization is to provide a safe, "forever home" to discarded exotic animals. With over 200 animals from a wide range of species such as tigers, lions, bobcats, birds, and even reptiles! Owned and operated by Lori and Stacy Scroggins, the sanctuary is managed by volunteers from various ages and backgrounds. Each animal at the sanctuary has a story, and the goal is to educate the public of these stories to prevent future rescues from occurring. Although the park is not currently open to the public, they do offer a mobile experience known as "Zoo 2 You" which allows for an educational experience at virtually any location. Safari's Sanctuary relies on the generosity of the public and local businesses to continue operating. All donations to the organization are 100% tax deductible.

Visit <http://www.safarisanctuary.org/> for more information

"Safari's Sanctuary is a private, exotic, wildlife rescue organization that currently cares for over 200 animals! Our mission, since 1995, has been to give discarded exotic animals a "forever home." Most of the animals we care for are former pets. Because of this, we also aim to educate as a way to prevent future animals from suffering the same haphazard fate. By teaching the public about our animals and their past, we may be able to prevent future rescues. We are currently NOT OPEN to the public.

Zoo 2 You is our fun, educational way of bringing some of our exotic animals to your social event-whether that be a birthday party, festival, etc. By allowing the public to interact with and play with these unique animals, we are able to educate others on the difficulties of caring for exotic wildlife, and thus prevent future rescues.

Volunteering is another way to get involved! Those who donate their time to Safari's Sanctuary will get to work with the animals-from learning how to feed, maintaining their enclosures, and more. And if you'd like to contribute to our cause, but don't have time to volunteer, then help these animals by donating.*

*Information taken from <http://www.safarisanctuary.org/> directly.

Message From Our Chairman: Nicole "PeaceWolf" Reno

WELCOME, FURNADOES! How does it feel to be attending the very first TTFC ever?

I hope that you will enjoy this event to the fullest. After all, it's because of you that this was possible. Yes, you. If you didn't want to see this happen, you wouldn't be here, and neither would TTFC. So, to you all, I say thank you!

As I sit here writing this, I am filled with excitement and anticipation as I look upon the very first Tails and Tornadoes Fur Con. So many fun and unique events, run by talented and amazing people - not to mention all the incredible artists and vendors coming to our Dealers Den. And who could forget our Guests of Honor: The famous YouTuber Stormi the Folf, and the incredible Texas artist Citrinelle! I am so glad that they decided to join us this year and would like to extend my special thanks to them as well.

Our charity, Safari's Sanctuary, is wonderful. If you've never been there, I highly encourage volunteering if you love being up close and personal with animals of all kinds! Lori (the owner of the sanctuary) and the animals she cares for will be sure to steal your heart, as it only took one visit for them to steal mine. Lori, thank you for all that you do and for letting us support your amazing cause.

And last but certainly not least - the greatest of my thanks goes to the wonderful people that I am proud to call my TTFC family - my staff! Without a team of dedicated volunteers behind the scenes, there is absolutely no way this event would be able to take place. If you see a staff member or a volunteer, I encourage you to take a second to thank them for their service to the furry fandom. It's because of people like them that make conventions like this happen.

Thank you all for coming and making this dream a reality - and thank you for having me as your Chairman. I am incredibly happy and humbled to serve you.
NOW GO HAVE FUN!

GUESTS OF HONOR

Stormi the Folf

Hey there, I'm Stormi the Folf! A furry Mississippi native!

I'm a Youtuber who focuses on creating content aimed towards helping furries young and old, as well as newcomers understand our fandom a little better! Being part of this community excites me. There's always something new to learn about and as I figure out more about what we do I'm inspired to share it with the community in an easy-to-digest video format! Usually. My older stuff ain't great but I'm getting better (I hope!)

When I'm not Youtubing I'll waste time on Twitter, spend time with my significant other Treble the Dutch Angel Dragon, do the occasional Twitch stream, get back into making music, order pizza, complain about random things, draw stuff and try to sleep once in a while.

I'm super stoked to meet all of you as the Guest of Honor at TTFC's very "furst" convention! Speaking of TTFC, I'm a fan of Miles "Tails" Prower from

the Sonic series and his plane is called the "Tornado". Coincidence? And I was chosen as GoH? Hmm... Anyway!

Here's hoping I don't get lost as I always do at conventions. Always have a handler! Especially if you're me! Let's make this con one for the history books!"

-Stormi

Citrinelle

Howdy! I'm Citrinelle, but you can call me Citri!

I'm a non-binary (they/them) freelance illustrator residing deep in the heart of Texas. I've been a part of the furry community for a little over 10 years now, drawing thousands of furry critters for the fandom and traveling all over the country to attend furry conventions! Throughout the years, I've met so many people from all corners of the fandom who have inspired me to continue expanding my skills as an illustrator. Of course, goal has always been to inspire others to do the same!

I spend the majority of my time drawing for clients, but when I'm not working my butt off, I'm usually hanging out with my furry roommates or playing video games! (One day I'll be good at Smash...just you wait) I also have two cats who are my world, don't

bring them up to me unless you're prepared to stop and listen to me emotionally ramble on about them! Oh and by the way, are y'all aware you asked a lilapsophobe to be guest of honor for this con? The irony!

Rambling aside, I'm thrilled to join TTFC as an artist Guest of Honor, and look forward to meeting everyone this August! Oklahoma, I hope you're ready for your first furry invasion!

CODE OF CONDUCT AND DA RULZ

General Conduct

Please use common sense and respect other peoples' right to enjoy the event. Remember that any activity which is illegal by municipal, county, state, or federal statute, law, or regulation outside the event is illegal during the event. Event staff will ask you to stop any observed illegal activity. If the illegal activity continues or is particularly dangerous or offensive, event staff will report this activity to hotel security and other proper authorities. While in public or in convention spaces, attendees are expected to maintain a "PG-13" standard of conduct. Repeat offenders may have their membership suspended or even revoked. Tails and Tornadoes Fur Con does not permit attendance by any individual who appears on any state or federal sex offender registry. Please also note that the event staff retains the right to deny entry to anyone and that you can be asked to leave at any time without warning or particular infraction to these stated rules of conduct.

Badging Policy

TTFC ensures that each member gets both a lanyard and at least one type of membership badge. Your proof of membership is defined as your current year badge issued to you by the convention, and must be clearly visibly displayed at all times during our event. Event staff can request to see proof of membership at any time. Event staff may deny you access to events or event space if you do not have proof of membership. All TTFC-issued badges remain the property of TTFC for the duration of the convention and must be surrendered upon request. Tails & Tornadoes Fur Con reserves the right to deny entry to the event for any reason. TTFC is not responsible for lost or misplaced badges.

Tails & Tornadoes Fur Con reserves the right to deny entry to the event for any reason.

Identification Policy

As previously mentioned, all attendees (in and out of costume) are required to have their con badge clearly visible at all times while in event space. The event badge must not be obscured by custom badges, and must remain outward facing so the name is visible. Occasionally the hotel staff will ask for costumers to "lift your head" when ordering food, requesting services or communicating with hotel staff. Please be courteous when interacting with hotel staff and do as they request. If you have a conflict with a hotel staff member, please remove yourself from the situation and seek a TTFC staff member for assistance. DO NOT antagonize the hotel staff—they are our friends and allies.

Any member entering the adult programming area must present a valid government-issued photo ID in addition to current year proof of membership. By entering the adult programming area, you agree to "lift your head" for an identification check when requested by hotel or TTFC staff, and to abide by the rules for behavior for adult events which will be posted in the adult programming area.

Minor Attendance Policy

If you will be age 16 or 17 on or before August 30th, 2019 you may attend Tails & Tornadoes Fur Con without a parent or guardian, provided that the parent(s) or guardian completes both the Parental Consent form and the Permission to Travel form, both of which are located directly below this section. Both of these documents must be signed by the minor's parent(s) or legal guardian, notarized by a public notary, and turned into the Registration team on-site upon arrival to the event. Minors aged 16 and 17 upon receiving their badge who do not meet the above criteria may still register and attend, but must be registered with and be accompanied by a parent or legal guardian at all times in all official convention spaces. Parent(s) or guardian who is attending with a minor will be required to sign up for an attendee membership, but will not be charged to attend the event. Parent(s) or guardian will be held responsible for damage and/or issues caused by their minors.

Anyone 15 years old or younger upon receiving their badge must register and be accompanied by their parent or legal guardian at all times in all convention space. Parent(s) or guardian who is attending with a minor will be required to sign up for an attendee membership, but will not be charged to attend the event. Parent(s) or guardian will be held responsible for damage or issues caused by their children.

Media Policy

As per our policy, the staff has decided not to allow ANY media coverage at the event without PRIOR approval. Attendees purchasing a membership agree not to act as media agents in any way, shape, or form while attending our event. Making photographic, audio, or video recordings of any convention event for investigative or commercial purposes is strictly forbidden.

Conduct, Behavior and Dress

Harassment is defined as any behavior that alarms or intentionally annoys another person. This includes making any unwanted physical contact, following someone around a public area without a legitimate reason, or threatening to physically attack someone. Please remember that if you approach someone and they tell you "no" or to leave them alone, your business with them is done. If you do not leave them alone as they have requested, your actions may be grounds for a complaint of harassment. If you feel that you are being harassed, or you have been assaulted, please report the matter immediately to event staff. This is also the place to note that COSTUME IS NOT CONSENT. Even if someone is dressed in an alluring or provocative manner, it is NOT an implied invitation to touch, grab, or make inappropriate or unwelcome comments.

Remember that while you are at the Convention, you are not only here to enjoy the furry fandom, but you also serve to represent it – as such, the following behaviors are prohibited in any public or meeting spaces of the host venue:

Public displays of affection beyond hugging and tasteful scritchings.

Excessively loud volumes, whether you are being personally boisterous or playing loud music over a portable music system of any kind.

Failure to wear attire appropriate to a public setting, to include leggings, tops, and footwear, or failure to wear attire of any kind. Additionally, tasteful and appropriate swimwear must be worn while using the host venue's pool and hot tub.

Anything which is vulgar, offensive, or blatantly provocative hateful or adult in nature. This includes, but is not limited to – badges, visible tattoos, clothing, signs, or other forms of visible media.

Convention attendees must maintain a reasonable level of hygiene. We understand that fursuits are hot and people sweat, but please keep in mind that if you do not address your musk it may make other attendees uncomfortable.

Prop weapons (such as daggers, swords, whips or chains) and prop firearms are acceptable provided they have been peace bonded such that they clearly cannot be drawn.

Water guns and Silly String type products of any kind are NOT acceptable due to the potential for damage to costumes, hotel property, etc. "If it's drawn, you're gone." Any drawing, open carry (of firearms), displaying, brandishing, or making any threatening gesture with any weapon or firearm, both real and replica, shall be cause for immediate expulsion from the event. The only exception to this shall be at a prearranged demonstration or event with the permission of the event coordinators.

Continue...

Hotel

As a convention attendee, you are a guest of the hotel and must abide by the hotel's rules and policies whenever you are on the premises. However, if you are unsure if something is allowed, Hotel Front Desk will be able to assist you. If you are expelled from the hotel for violation of their rules, you immediately forfeit your event membership and must surrender your proof of membership. You are responsible for any damage you cause to hotel property.

The event space and public spaces of the hotel may not be used as sleeping areas.

The following behaviors are also prohibited in any public area for your own safety and comfort and that of those around you:

Running and jogging is a safety concern for yourself and others, and is not permitted in the host venue.

Engaging in behavior which endangers life or property (including but not limited to such acts as pulling fire alarms or creating other hazardous situations).

Flying remote controlled aircraft in or around the venue is forbidden.

Smoking or Vaping in non-designated areas. The host venue has designated areas where smoking and vaping is permitted, and attendees of the Convention are required to utilize these areas.

Do not attach anything to the host venue's walls, elevators, or doors. For that matter, do not deface or mark on the host venue's surfaces.

If an emergency situation should occur, please follow directions from convention staff and the staff of the host venue, or from any law enforcement or emergency services present.

Weapons

Bladed weapons (such as daggers or swords) and toy firearms are acceptable provided they have been peace-bonded such that they clearly cannot be drawn. All peace-bonding should be done in Ops to make sure they are performed correctly. Toy firearms need to have an orange tip on the barrel if they are even remotely realistic-looking. Water guns, Silly String-type products, and projectile weapons of any kind are NOT acceptable due to the potential for damage to costumes, hotel property, etc. "If it is drawn, you're gone". Any drawing, displaying, brandishing, or making any threatening gesture with any weapon or firearm, both real and replica, shall be cause for immediate expulsion from the event. The only exception to this shall be at a prearranged demonstration or event with the permission of the event coordinators, or when posing for pictures (please use your best judgment).

Violations and Appeals

Violations of these policies will be handled by event staff as deemed appropriate by staff. Violators will be asked to cease and desist. Violators may have their membership suspended, revoked, or up to a 390 day ban placed. Membership revocations are final, however a ban may be appealed to the TTFC Board of Directors. Decisions made by the majority of Board of Directors are final.
