Welcome

The UK PonyCon team is pleased to welcome you to UK PonyCon 2024. Whether this is your first time here or you're returning for more, we hope you have a great time.

This year's theme is "We're Making History". UK PonyCon was founded in 2004, and this year marks the 20th in-person UK PonyCon, making it the world's longest-running convention for fans of My Little Pony. We've welcomed over 8,600 people over the previous 19 conventions, and this year we expect to welcome our largest ever number of over 1,100 people to share a wonderful weekend together. The traditional gift for a 20th anniversary is china, and you'll find ceramic mugs and all sorts of other goodies at our merchandise table. Team members have told me they feel a special energy this year for all the great things we're doing to bring you an amazing event, and I expect you'll feel this enthusiasm too, making some great memories.

Riding for the Disabled Association continues to be the convention's adopted charity. RDA groups across the UK help children and adults with disabilities develop physical balance and mobility, communication and relationships, and most importantly confidence and happiness. Please speak to the RDA volunteers at their stall and they'll tell you more about their work. We're grateful for the items donated to the charity auction, and to those who bid generously. Our tombola also raises money for the RDA, and sponsor tickets have raised over a thousand pounds before the weekend even began!

I invite you to make the most of the convention weekend, whatever that means for you. We have a huge number of stalls to satisfy your shopping needs, our events schedule is packed from presentations to games, covering all sorts of topics from valued contributors, our Saturday night music concert is here again, we've got special guests who will share their stories, and if you're here to catch up with friends, we have plenty of spaces for you to do that too. If you need any help, please talk to one of our friendly team members wearing a staff shirt or badge around the event or at the information desk.

Rules

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender, race or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk. If in doubt, please seek out any UK PonyCon committee member who will be able to assist you.

We draw attention to the following rules/guidelines in particular:

Photography policy

Please ask before taking a photo. UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Ask before touching

Please ask before handling products on stalls and make sure your hands are clean. Approach cosplayers & fursuits from the front and ask before hugging or holding. Don't touch or give unwelcome attention to anybody, in cosplay or otherwise, without their permission.

Children and Families

Attendees aged 13 and under must be accompanied by an adult aged 18 or over at all times.

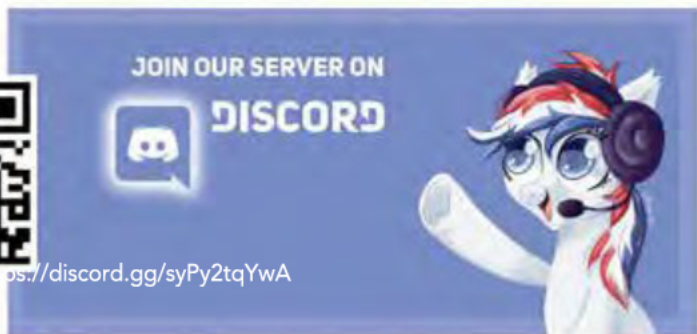

Attendees aged 14 and 15 must be accompanied by an adult aged 18 or over on Saturday evening after 18:00.

Be good to each other

When at UK PonyCon, be honest, be kind, be awesome, be helpful, be generous, have fun and let's make the magic happen together.
