Welcome to UK PonyCon 2025!
Whether this is your first visit or you are returning,
we are delighted to have you with us.

Our theme this year is **"Adventure Awaits"**.
It marks both a new venue
here in Birmingham and the 21st
in-person UK PonyCon,

continuing the
tradition of being the
world's longest running
My Little Pony convention.
After many wonderful
years in Nottingham,
we are excited to begin
this new chapter with you.

We are once again supporting **Riding for the Disabled Association**, whose work brings confidence and joy to children and adults across the UK. Please visit their stall to learn more and support them through our auction and tombola.

The weekend is packed with panels, stalls, special guests and two nights of live music on Friday and Saturday.

Whether you are here to explore, shop,
learn or simply catch up with friends, we hope you
find your own
adventure. If you need any help, just look for one
of our friendly team members in a
staff shirt or at the information desk.

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender, race or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website:

www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk.

If in doubt, feel free to contact a UK PonyCon committee member.

We draw attention to the following rules/guidelines in particular:

Photography policy

Please ask before taking a photo. UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Panel disruptions

While you're attending a panel, please make sure you don't interrupt and/or disrupt panels, to ensure all panels go smoothly.

Children and Families

Attendees aged 13 & under must be accompanied by an adult attendee aged 18 or over at all times.

Ask before touching

Please ask before handling products on stalls. Approach cosplayers & fursuits from the front and ask before hugging/holding. Don't touch or give unwelcome attention to anybody, cosplay or otherwise, without their permission.

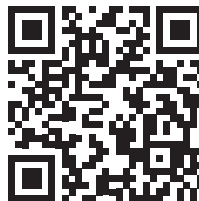

Food, drink & alcohol

It is not allowed to bring your own alcohol. Only food and drink purchased on the premises can be consumed at UK PonyCon 2025, with ***exceptions for medical reasons***, such as sugary foods and drinks to manage diabetes.

Be good to each other

When at UK PonyCon be honest, be kind, be awesome, be helpful, be generous, have fun and let's make the magic happen together.

Guests of Honour

Rebecca Shoichet

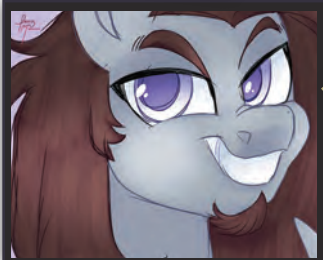

Every time you watch an episode of My Little Pony: Friendship Is Magic, you hear the voice of Rebecca Shoichet singing the show's opening theme song. She is the singing voice for the pony princess, Twilight Sparkle! You may also know her as the reformed villain, Sunset Shimmer, in all the Equestria Girls movies. She also voiced two other pony characters in the FiM series, Night Glider, and Big Mac's sweetheart, Sugar Belle. Some other fave voice credits of Rebecca's are Captain Marvel in Lego and Funko Pop "Avengers", Jane in „Tarzan and Jane“, Sage, Caper, Flap, and others in „Enchantimals: Finding Home“, Wisteria in „Littlest Pet Shop“, XR4TI in „Supernoobs“, Apple Dumpling in „Strawberry Shortcake“, Willi in „Maya the Bee“ (North America season 1), Lorne in „Kid vs. Kat“, Agent Abigail Brand in „Astonishing X-Men“, Nana Osaka in the English dubbing of „Nana“ and a few other super-sweet, up-coming roles that she's not allowed to talk about yet! Besides in-studio work, Rebecca also sings live with bands Soulstream, Side One and Mimosa. And has toured with pop/rock artists Tom Cochrane and Amanda Marshall. Rebecca is stoked to be a part of the MLP family and can't wait to meet all of you!

Imalou

Lea Dabssi, known better online as Imalou, is a character designer from France, who helped design several Ponies we all know and love from the G5 movie and series! After years of being a fan of MLP:FiM and producing a ton of fanarts for the community, they were offered the opportunity to work on the MLP G5 movie "The Next Generation". Here, they designed such beloved characters as Sunny, Izzy, and Sprout!

Fan Art Submissions

It's been tradition for UK PonyCon to include fan made art submissions into our con book. As this year's theme is „Adventure Awaits!“, a lot of artists have submitted art of UK PonyCon's mascot Britannia on an adventure. Whether she's out in the jungle, traveling through time or floating off in space, she's glad to be having such a great time. How many Britannia's can you count in this con book?

THE LOST TREASURE

A weathered logbook. A name lost to salt and storm.
Only scattered maps remain—some holding precious
clues, others guarding nothing but empty chests.

Can you uncover the name of the mysterious Pony?

How to Play:

Search the venue for 20 treasure maps.

Only 8 contain letters—the rest are decoys,
holding only empty treasure chests.

Find the 8 correct letters,
unscramble them to form the name.

Head to the **Registration Desk** and whisper the name to
earn your exclusive reward sticker.

Letter spaces:

"Sticker of Success"
– Place Here When
You've Solved the Name!

Hint: This pony was part of a legendary crew in 1987.
