A Message from The Chair

This year we have two wonderful guests. Our Guest of Honor, an animator, artist, and fursuiter, Jib Kodi and our Community Spotlight, Allosaurex joining us for this wonderful four day adventure. They will be running panels, running dealer's tables and wandering around the convention. Be sure to say hi and make them feel welcome!

The road to 2019 has been long, and there have been many adventures and toils along the way. We have faced challenges, like adjusting to a new venue, but we have also seen the community rise up to meet these challenges again and again and it is inspiring to see us continuing to keep our fandom the place we want it to be. Seeing the convention come together makes all the challenges worth it.

Come hither gentle furs, and be welcomed to this most merry of occasions, Vancoufur 2019! As we enter this Midsummer Night's dream, we are most pleased to welcome you to our exciting new venue at the Sheraton Airport Plaza Hotel. We have been working very hard all year to bring you a fantastic con with many amazing events. Some, such as the Fursuit Cutie Pageant, are returning favourites, and others, like the Murder Mystery, are new. We've also been able to grow some areas, such as the Dealer's Den, which is even bigger and better than before! It is my hope that you will all come away from this year, with great finds, amazing experiences and wonderful memories as you gather with old friends, and make some new old ones throughout the con.

As this dream draws towards its end, this will be my last year as chair, and I wish to thank and acknowledge all the hard and wonderful work that has been done by the board, volunteers, and staff members over the years that have got us to this point. I have many great memories, and I look forward to seeing where Vancoufur grows in the future.

Enjoy your midsummer night's dream to its fullest.

Chair, Vancoufur 2019

GUEST OF HONOR

Jib Kodi

"Hi! Hihihiiii!! I'm Jib! A greenish fox-husky thing from a small town not far from Vancouver, BC."

Jib Kodi joined the fandom in March 2017 and fell in love with the community ever since! He studied film & animation, and is currently working for a studio down in the USA. pictures, making comics, animating or shooting live action vids - he's all in! Jib loves some good ol' mountains for snowboarding even tho he kinda sucks, and some piping hot pizza straight out of the oven. And yes... chances are... they have pineapples on 'em.

You can check out his Twitter @Jibkodi or Jib Kodi on YouTube for animation shorts.

SAINTS Rescue

ARIEL

Ariel is a FEL V Kitten transferred from the New Westminster Animal Shelter.

CHEVY

Chevy may be undersized, but he has become a huge part of the barn family.

Older animals that need a new permanent home in British Columbia can count on the SAINTS to provide a piece of heaven to call their own letting them live out their final days in peace.

This sanctuary is located in Mission, BC on a three-acre property. The Senior Animals in Need Today Society (SAINTS) is a non-profit organization that works with pounds and shelters to identify animals at risk of being overlooked in the shelter system.

Veterinarians and rescue groups also seek out animals whose needs are better met in a place that understands and can manage the demands of aging and special needs animals.

SAINTS is intended as a final home for pets and farm animals that have run out of other options. Founded by Carol Hine, a registered nurse who works in the home health care system, where many of her patients have a need for palliative care. Years ago Carol envisioned a system that would care for senior and special needs animals. She started SAINTS in December 2004, and purchased the acreage in Mission in 2006.

LUNA

Luna is beautiful and a highly intelligent old kelpie/husky cross who can be a real troublemaker.

PI

Pi is a transfer from another shelter.

The sanctuary has grown significantly since then with approximately 120 animals on site. Dogs, cats, rabbits, birds, bunnies, horses, cows, sheep, goats, pigs and more. A volunteer board of six members, five paid staff and more than 40 catering on-site volunteers dedicate their time and passion to the SAINTS. Since 2004, over 800 elderly and special needs animals have come through their doors.

Charity Auction

Our main fundraising event at the convention is our yearly charity auction. Donated items - which have previously included artwork, fursuit parts, statues, commission slots, plushies and even polystyrene rocks draped with our shirtless convention chairman - are sold to the highest bidder with monies raised going directly to the charity.

PLEASE NOTE THAT ALL BIDS MADE IN THE AUCTION ARE CONSIDERED BINDING AND PAYMENT IS EXPECTED ON THE DAY, IMMEDIATELY AFTER THE AUCTION. DO NOT BID IF YOU CANNOT PAY. EXCEPT WHERE STATED, ALL MONIES EARNED GO 100% TO THE CHARITY.

How to bid during a live auction:

- You must have your badge with you, as your badge name and number are noted when you win an item.
- A full description and visual of the item will be stated before bidding starts, so listen closely!
- Once the opening bid has been announced, raise your hand if you are interested.
- If multiple people show interest, the bid amount will be raised by \$5. This will continue until there is only one hand remaining up.
- If you wish to increase the bid by more than \$5, raise your hand and in a loud, clear voice state your bid.

If you have won the item:

- If your bid is the winning bid, a runner will go up to you to get your name and badge number to save with your won item. Please keep your hand raised so the runner has an easier time finding you.
- After that info has been taken down, you may either stay and continue watching or bidding during the auction.
- If you would like to leave with your item after winning it, you may head up to the cashier to pay and pick up your prize.

For example:

A plush has been put to auction. It's starting bid is \$15. 10 people raise their hand. The auctioneer raises it to \$20, the \$25, and now the item is at \$30. You want to bid \$50. After raising your hand, speak clearly and loudly say "\$50". It will be announced as the new bid to beat.

Please note that all bids must be genuine. Bid within your budget. If you cannot afford to bid \$500, please do not raise your hand and say you bid \$500.

CUSTOM FURSUITS

Donated by Chibi-Alu
Starting bid: \$1500 each

Always wanted to own your own fursuit? Win this item and you can have your own custom fursuit, made by Chibi-Alu!

A basic fursuit comes with:

A head - moving jaws, 4cm class eyes, jawset/ tongue, LEDs/ fan if desired

Bodysuit - winning bidder can choose between front or back zipper

Handpaws - w/ sewn in silicone paw pads/claws

Feetpaws - Paw pads or outdoor sole bottom, claws if desired

Tail - To be attached separately with belt loops or sewn onto the bodysuit if desired

Fingers or toes can be done in a different colour to the rest of the suit for no extra charge.

Other upgrades can be added at cost, to be determined at the time of ordering. Winner would need to provide reference art or design info, a duct tape dummy and a pair of comfortable shoes.

PLEASE NOTE: THE FIRST \$1400 OF THIS BID WILL BE USED TO PROVIDE MATERIALS FOR EACH SUIT, SO GET READY TO BID AND MAKE OUR CHARITY SOME MONEY!

FOAM FIGURINES

Donated by Wolfberry Crafts

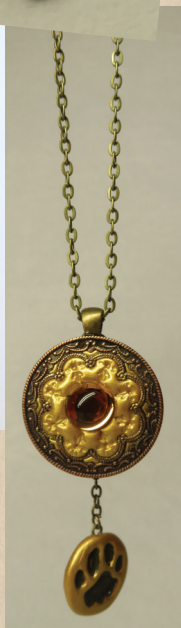

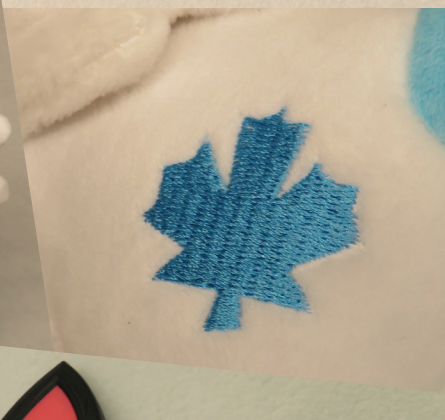

Starting bid: \$75 each

All the way from Russia, Wolfberry Crafts have donated two of their incredible custom figurines to the charity auction! These fantastic one-of-a-kind pieces are carved entirely from foam and then hand painted. Each stands approximately 8 inches (20cm) tall, and would look sensational in anyone's display cabinet.

Please note that as these are made from foam, they are extremely lightweight and extremely fragile. We will obviously have them wrapped, but please make sure you can get them home intact.

AND MUCH MORE!

Were you made for another world? Is there more to you than meets the eye? We'll explore that framing, and share some of the benefits and risks of religious identity that might be useful in your life, community, and work as an Otherkin (or Kin-adjacent) person.
