West Aussie Fur Frenzy

Welcome to the first WAFF Convention!

West Aussie Fur Frenzy is created by a business partnership of 3 Local Perth Furs. Skye, Faolan & Fane have worked very hard at starting up this venture with the common motivation to offer some good into the community that has treated us so well. This could not have been done by us alone, we owe huge thanks to all our staff and volunteers for offering their time and energy in supporting this convention. We hope to become a respectable convention to provide Local Furs with an opportunity to engage in Furry Convention Fun and to be hospitable hosts to any Furrries that fly over to our side of the country.

Now have fun, and enjoy your experience of
WAFF 2017: Beach Party!

Safety & Conduct

Hey party furs! Before we can dive into the fun around the shore, we need to take heed of some very important advice to keep you all safe and well for the weekend.

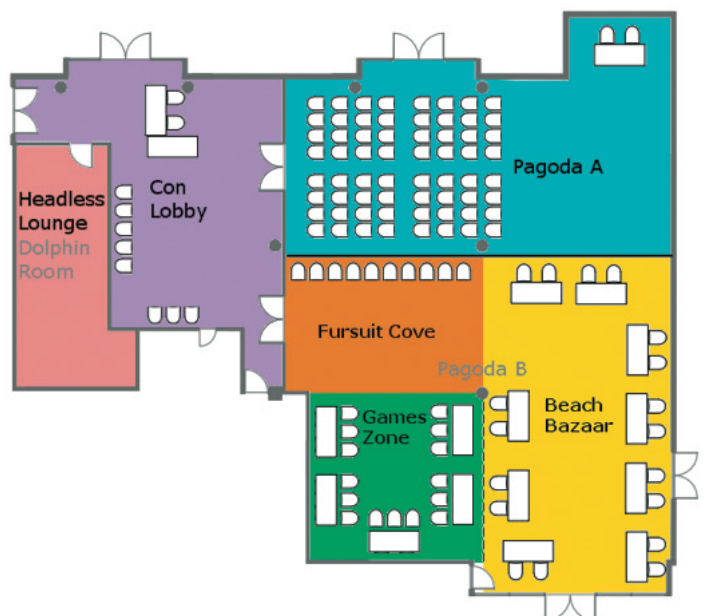

To begin with: the Golden Rule for every convention: 6-2-1:

- Get at least 6 hours of sleep each night
- Eat at least 2 meals per day
- And Have at least 1 shower each day

This will ensure you are energised and ready to party with us all weekend

If you are Fursuiting this weekend we highly advise you find yourself a handler to help you navigate, especially during the Fursuit Walk and make sure you drink plenty of water during your suiting escapades.

Those who have come to see the Fursuiters are asked to please be respectful. Always ask before hugging or taking a picture of any fursuiter. Try not to sneak up behind a fursuiter, remember their vision is limited in their suits.

Make sure you have your Con Badges on you at all times when venturing into the con space. Be aware that some events are restricted to 18+ and you should always have a valid form of Photo I.D. which will be checked before you are given access to such areas.

The venue is strictly non-smoking. If you wish to engage in such you may do so outside and away from any entrances of the venue.

If you need a hand with anything, have a question, or want some more advice please feel free to talk to any of our staff or volunteers. You can recognise them by their ribbons on their badges. You can also get in contact through the official WAFF telegram chat group at https://t.me/WAFF_Official

For the complete Code of Conduct please view it at our official website at:
<http://www.waff.net.au/terms>

The Shoreside Fursuit Walk

The route for the Fursuit Walk is displayed on this map. There will be a pause to take some photos and a group photo at the observation post of the first bridge we cross. Then we will finish up at Comer Reserve where we will be able to hang out, relax and enjoy a complimentary sausage sizzle provided by Mondo Butchers.

Looking for something to do outside of the convention activities?

We would like to offer some advice for those venturing out of the venue to the surrounding areas. It is best to travel in groups, especially at night. Put on some human disguises (avoid wearing tails, ears, and especially fursuits) when exploring at night as some of the night life around Perth is not particularly friendly towards things they see as strange or different.

We recommend heading up to South Perth Foreshore for an amazing array of fine restaurants. At the South Perth Jetty you can catch a Ferry across to Elizabeth Quay to experience Perth City's new extravagant public space. A great spot for good food and beautiful scenery.

Next door to South Perth's Foreshore you will also find the Perth Zoo. A fantastic way to spend an extra day for those who have flown over to be with us, or for those locals who have never been.

Hungry for something a little bit closer? It is just a short walk to Preston Street where you will find the local food strip. If you have a sweet tooth we highly recommend you visit Jersey Jack Gelato in the middle of Preston Street. Their Cheesecake Ice-Cream is sure to get you hooked.

Toxi De Vyne

This lime green, rockabilly dingo is a digital artist who has travelled all the way across from Brisbane, Australia! She is a regular dealers den attendee at furry conventions across Australia and is known for her vintage inspired pin-up portraits and detailed background artworks (and don't forget her obsession with the colour green!)

Toxi started her art journey back in 2002 at 13 years old during the heydays of Neopets.com. Despite not knowing what a "furry" actually was until 2014, she has since left her conventional day job to pursue the life of a full time Furry Artist and is an active and loved member of her local Furry community.

Toxi draws most of her inspiration from

alternative fashion and fantasy subcultures and found herself well planted somewhere between the furry fandom and pin-up girl culture. With her trademark green hairstreak and glaringly green fashionable attire she is not easily missed and definitely stands out in a crowd!

Did we mention she likes green?

Be sure to catch Toxi's Guest of Honor panel on Sunday at 10am!

You can find Toxi at the following social media sites! Please be sure to follow her and show her some love!
