Safety & Conduct

Attention refugees! Before entering the safety of the bunker, we need to establish some very important survival rules to keep you all safe and well for the weekend.

You don't wanna cause apocolypse 2: electric boogaloo!

To begin with: the Golden Rule for every convention: 6-2-1:

- Get at least 6 hours of sleep each night
- Eat at least 2 meals per day
- And have at least 1 shower each day

This will ensure you are ready to engage in the fun with us all weekend

If you are Fursuiting this weekend we highly advise you get yourself a handler to help you navigate, especially during the Fursuit Walk and make sure you drink plenty of water during your suiting escapades.

Those who have come to see the Fursuiters are asked to please be respectful. Always ask before hugging or taking a picture of any fursuiter. Try not to sneak up behind a fursuiter, remember their vision is limited in their suits.

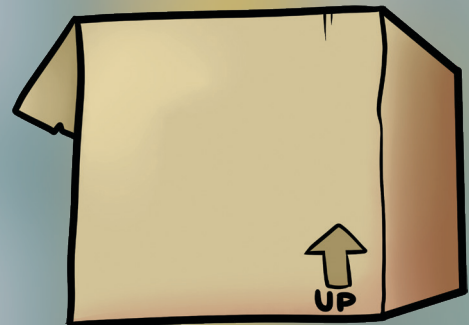

Make sure you have your Con Badges on you at all times when venturing into the con space. Be aware that WAFF is restricted to 18+ and you should always have a valid form of Photo I.D. which will be checked before you are given access to con space.

The venue is strictly non-smoking. If you wish to engage in such you may do so outside and away from any entrances of the venue.

If you need a hand with anything, have a question, or want some more advice please feel free to talk to any of our staff or volunteers. You can recognise them by their ribbons on their badges. You can also get in contact through the official WAFF telegram chat group at: https://t.me/WAFF_Official

For the complete Code of Conduct please view it on our website at:

<https://www.waff.net.au/terms>

WAFF 2020 Guest of Honour Magicdawolfy

Hiya! I'm Magicdawolfy, I'm 22 and I've been creating digital furry artwork since I was only 12 years old!

It has since become my passion and my job. Currently I create digital art fulltime and get the opportunity to work with heaps of fantastic people! I've created hundreds of pieces at this point and I am very proud of the work I do!

Magicdawolfy's First Art

My favourite part about this whole mess? The amazing friends I've made, when I started drawing silly colourful wolves and cats as a kid I never thought I'd make life-long companionships!

Come say Hi in the dealer's den! I am currently accepting commissions and would love to meet you!

Here are some of the places you can find me online, I am "Magicdawolfy" on most platforms!

My style is inspired by the community around me, my other artist friends and there's even some anime/ Kawaii style influence, as I was introduced to the wonders of Japanese Media and Sanrio at a very young age by my Mother. (Hi Mum!)

My First Defcon / Icebreakers

Saturday 10am-11am

Main Stage (Jarrah)

Whoa! Some first-timers made it through the doors? Well, the least we can do is give you a run down of the place and what happens here. Come along for a bit more than thoughts and prayers and we'll do our bit to soften that ice.

Autism AMA with Bolt

"You cant ask that?!"

Saturday 11am-12pm

Main Stage (Jarrah)

Just about everyone knows someone with autism. However, a good number of people with autism prefer not to answer questions about themselves or are unfortunately unable to. Bolt (your local autistic gentleman) is here to answer any questions people might want to ask someone with autism as best he can. Bring them all, common, strange, or even (normally) inappropriate!

Guest of Honour Panel:

Magickawolffy Presents:

"A guide for Artists and Customers"

Saturday 12pm-1pm

Main Stage (Jarrah)

Magickawolffy shares her 5+ years of fulltime artistry experiences to help educate Artists and Commissioners in the Dos and Don'ts of the trade. She will share tips and secrets as well as some entertaining stories. Come with questions or simply come ready to laugh and learn.

Furry Pandemic Challenge

Saturday 11am-1pm

Workshop (Banksia)

The game show themed fashion challenge where teams work together to design, create and flaunt their Furry Fashion Creation in under 2 hours! The world is in dissaray and the bunker has now been locked, the climate outside is unpredictable but one thing is for sure, it's uninhabitable! We need to use our ingenuity to craft protective equipment to survive the new harsh reality of our world, AND WE ONLY HAVE 2 HOURS BEFORE THEY BREACH THE VAULT DOORS!

Furry Pandemic Results

Saturday 2pm-3pm

Main Stage (Jarrah)

Time's up, the vault is breached, and it's do or die! Have we worked efficiently and ensured our survival? Come and find out as we put our creations on display and determine who among us will survive to the end!

Rebel Workshop: "Rebel Survivalists"

Saturday 3pm-5pm

Main Stage (Jarrah)

A harsh new world requires rugged new skills! I don't remember the last time I could eat a coordinate or negotiate with mutants through iambic pentameter. We'll go over some essential survival skills and talk a bit about how they were used in the old world. Sure it isn't a definite way to a long and happy existence, but at least you'll know why you're croaking when it happens.

Opening Ceremony

Saturday 7pm-7:30pm

Main Stage (Jarrah)

Guys, gals, and non-binary pals, a warm welcome to the bunker is to be had by all. We're aware that proceedings have been a bit rushed, but be assured, it's all been for your safety. The director will address us, and our new life here in the deep dark will begin.

Pub Quiz:

"Bunker Drunker Down Under!"

Saturday 8pm-10pm

Main Stage (Jarrah)

All the libraries of the world have been lost and someone forgot to back up the internet. So we have a big job ahead of us, rebuilding the global knowledge banks! God... get me a drink, am I right?! OF COURSE I AM! Come grab a cold one and lets stumble our way through facts and figures until we can ensure our future generations aren't worshipping old sitcom reels at a half destroyed opera house.

The Pub Quiz is a catered event with complimentary nibbles and a Cash Bar.

SUNDAY

Fur Walk Brief

Sunday 10am-11am

Main Stage (Jarrah)

A quick brief for all those who want the information about the fursuit walk. This is recommended for anyone helping out their furry friend by being a handler for a fursuiter. We will inform you of our route, any hazards, tips and advice as well as hand out some complimentary water bottles and straws.

Fursuit Walk!

Sunday 11am-1pm

HOTEL LOBBY

We crack open the Bunker Doors and venture out into the wastelands of our history. Be sure to 'suit' up and look after yourselves out there. Drink plenty of water and keep cool.

Sponsor Exclusive Event: "Sponsor Lunch with GoH"

Sunday 1pm-2:30pm
EXECUTIVE LOUNGE

Were you lucky enough to sign up with WAFF-Tec's elite Bunker Program? If you have a Sponsor Ticket you have already scored yourself a spot at the Sponsor Lunch! Come to the exclusive part of the bunker, The Executive Lounge, for your top tier rations that the rest of the rabbel in here don't need to know about.

Managing Online Communities:

"Running Online Events & Communities"

Sunday 2pm-3pm
Main Stage (Jarrah)

Anything and everything about running online events and communities. In the past couple of months more and more of the fandom has shifted online, Topics will include: how to set up an online community, what events can you run, how to run the events, etc.

Furries in VR

Sunday 3pm-5pm
Main Stage (Jarrah)

This technology that people have managed to save from the destruction outside, isn't really a complete technology. But it offers a possible bridge to "the world of old" as well as other bunkers around the globe. For these two hours our panel will be going over the tech of head-mounted displays and experiences around VR and VRchat, as well as a quick overview of creating yourself in VR.

Closing Ceremony

Sunday 7pm-7:30pm
Main Stage (Jarrah)

We have kept ourselves safe, and had a fun time doing it! Now we prepare ourselves to return to the world and attempt to get back a semblance of normal that we once knew, or perhaps we can create a better normal?

Come for some closing comments from the Directors and Thanks to all those who made this year possible.

Didn't Wear a Mask Dance

Sunday 8pm-10pm
Main Stage (Jarrah)

Well it seems the worst outside this bunker is over. Things sure are going to be different for a while, but from what i hear over the radios, we were the lucky ones. We didn't even need to wear masks! The Hard Bord... i mean Bunker Works! Let's have a night of celebration before rebuilding our lives.

Other Activities

Photo Opportunity

Everyday 2pm-5pm
(Breakout 2)

A photography area will be set up in the registration room. Feel free to suit up or simply come on down and utilise the props to take a memorable moment to keep forever. Our own WAFF trained photographer will be manning the area during these times.

Relaxing and Hanging Out Space

Everyday 8am-10pm
(Breakout 1)

This section of the Bunker is reserved for chilling out and hanging with your friends. Relaxing and taking it easy is mandatory in this area at all times! To uhh... ensure safety or something. How many days have we been stuck here now?

Headless Lounge

Everyday 8am-10pm
(Acacia)

This room is for fursuiters only, to be able to take their heads off and cool down. Water and Big Fans are available in this room during these times.

Dealers Den

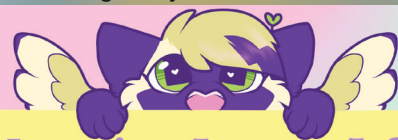

Everyday 10am-10pm
(Wattle)

Merchants have set up shop in our bunker. They bring goods from other bunkers across the wastelands. Come, shop, spend your money, and lets save the economy!

Games Zone

Saturday 2pm-10pm
Sunday 8am-10pm
(Banksia)

The best part of the bunker in my opinion. We managed to save the best of tech from the surface. ENTERTAINMENT! Come play some computer games or board games. We got it all and we are offering it to you, our WAFF Bunker Survivors.

Every year is a challenge, and this year especially, WAFF would not be possible without the selfless help of Rebel Empire! If we had to be locked in a bunker with anyone to survive the apocalypse, we would beg for the whole team of Rebel Empire.

Kaneda, Megan, Victoria and indeed all the members of Rebel Empire, we thank you!

We would like to thank you all for your support during these challenging times. As we head back home to continue to brave the current climate, rest assured WAFF is continuing to assess the situation and hopes to bring you WAFF 2021 next year. Until then, keep an eye on our website for updates and let's hope the world heals enough to allow us all to get together again.

Stay Safe, Stay Healthy, and Look After Each Other.
