Safety & Conduct

Attention gunslingers! Before entering the boundary of this here town, we need to establish some very important peacekeeping rules to keep you all gettin' along and such. We don't want no all out shootout in the middle of the street ya hear!

To begin with: the Golden Rule for every convention: 6-2-1:

- Get at least 6 hours of sleep each night
- Eat at least 2 meals per day
- And have at least 1 shower each day

2x

This will ensure you are ready to engage in the fun with us all weekend

If you are Fursuiting this weekend we highly advise you get yourself a handler to help you navigate, especially during the Fursuit Walk and make sure you drink plenty of water during your suiting escapades.

Those who have come to see the Fursuiters are asked to please be respectful. Always ask before hugging or taking a picture of any fursuiter. Try not to sneak up behind a fursuiter, remember their vision is limited in their suits.

Anyone wishing to take video footage or photos at WAFF must always be respectful of the other attendees at the convention. Always ask permission before taking any photos or video footage. If your media contains the faces of those who have not given permission, you must censor them. Please read the Terms and Conditions of WAFF before posting any media publically. WAFF takes the privacy of its attendees very seriously.

Make sure you have your Con Badges on you at all times when venturing into the con space. Be aware that WAFF is restricted to 18+ and you should always have a valid form of Photo I.D. which will be checked before you are given access to con space.

The venue is strictly non-smoking. If you wish to engage in such you may do so outside and away from any entrances of the venue.

If you need a hand with anything, have a question, or want some more advice please feel free to talk to any of our staff or volunteers. You can recognise them by their ribbons on their badges. You can also get in contact through the official WAFF telegram chat group at: https://t.me/WAFF_Official

For the complete Code of Conduct please view it on our website at:

SqueakDrakeArt

I'm Kotetsu or SqueakDrake of SqueakDrakeArt, I'm now 30 and i've been in the local community for 16 years and drawing for around 10 of those.

I've been around to watch this group grow from something small to what it is now and met a ton of lifelong friends through perthfurs and do my part to

help with events and manage small groups where i can.

One of Kotetsu's
First Art

I'm primarily a digital 18+ artist and I'm influenced a lot by toony designs, I really love to sketch rough and dirty and play with shading and shine. I stream once or twice a week on picarto and regularly update my twitter and telegram.

I work fulltime in the aged care industry and aim to resume my nursing in the future; but i adore art and love it as my hobby along with being active in VRChat and gaming.

WAFF 2021: CHARITY

Set on 100 acres of beautiful and blissful countryside in Waroona, Western Australia; Greener Pastures Sanctuary is a family-run Sanctuary for animals who have been neglected, abandoned, mistreated, abused and rescued from slaughter. It's a place where animals get to really live, where they're loved just as much as any pet. They'll never be sold for food or fashion. Instead, they spend their days helping around the house, celebrating their birthdays, bathing in the mud and showing the other animals who really rules the roost!

A word from our CEO & real life animal hero, Rachael Parker...

Dave, Phoenix, Aurora and I, along with 170 rescued animals, call Greener Pastures Sanctuary home. After a 9 year career in veterinary nursing and having the opportunity, through work, to help a small number of farm animals, it was decided we would move to a bigger property and dedicate our lives to helping them.

Greener Pastures Sanctuary came to be in March 2013 - we rescue farm animals predominately, but also have cats, dogs, rabbits, galahs and foxes in our care.

So far running the sanctuary has been mentally, physically and financially challenging, but also incredibly rewarding. As a registered charity, we rely on the kindness of animal lovers, fellow rescuers, and generous donors to help keep the Sanctuary running for our animals. Being able to give these amazing and beautiful animals a life worth living and having the opportunity to change the way people think and feel about farm animals is what keeps us ploughing on every single day - rain, hail or shine.

We hope that those who visit our little slice of animal bliss leave having made a connection with at least one of our animals. We hope that people learn the true faces of their choices and through this understanding endeavour to make kinder choices in their day to day lives.

A Furry Convention requires a lot of technological expertise and WAFF would not be possible if it wasn't for the time, effort and sacrifice that is given to it from our dedicated Audio Visual Team. These generous volunteers ensure that WAFF is functioning throughout a challenging weekend. They offer late hours, accommodate near impossible requests often asked of them at the last minute. Sometimes they even offer their own equipment to make sure things run smoothly.

WAFF would like to give a massive thank you to these Audio Visual Heroes

Randzy

Brock (Local Man)

Bolt

We have had a number of supportive community members who have all pitched in to make the events and panels at WAFF and we would like to thank these furs for their commitment to aiding their local furry convention in delivering quality content.

A big thank you to all the lovely sponsors who have helped keep WAFF running especially during these challenging times we are all facing. Your support means the world to us! Thank you all!

KylotheHusky

Every year we witness a feat in selflessness and generosity, WAFF would not be possible without the dedicated help of Rebel Empire! From their brilliant opening performances, to running a ton of events during the convention, as well as keeping a sharp eye on our venue to make sure everyone is having a safe and fun time.

This year among all has been especially challenging for them, and despite the burdens they carry, they still turn up to help WAFF and we will forever be in their debt.

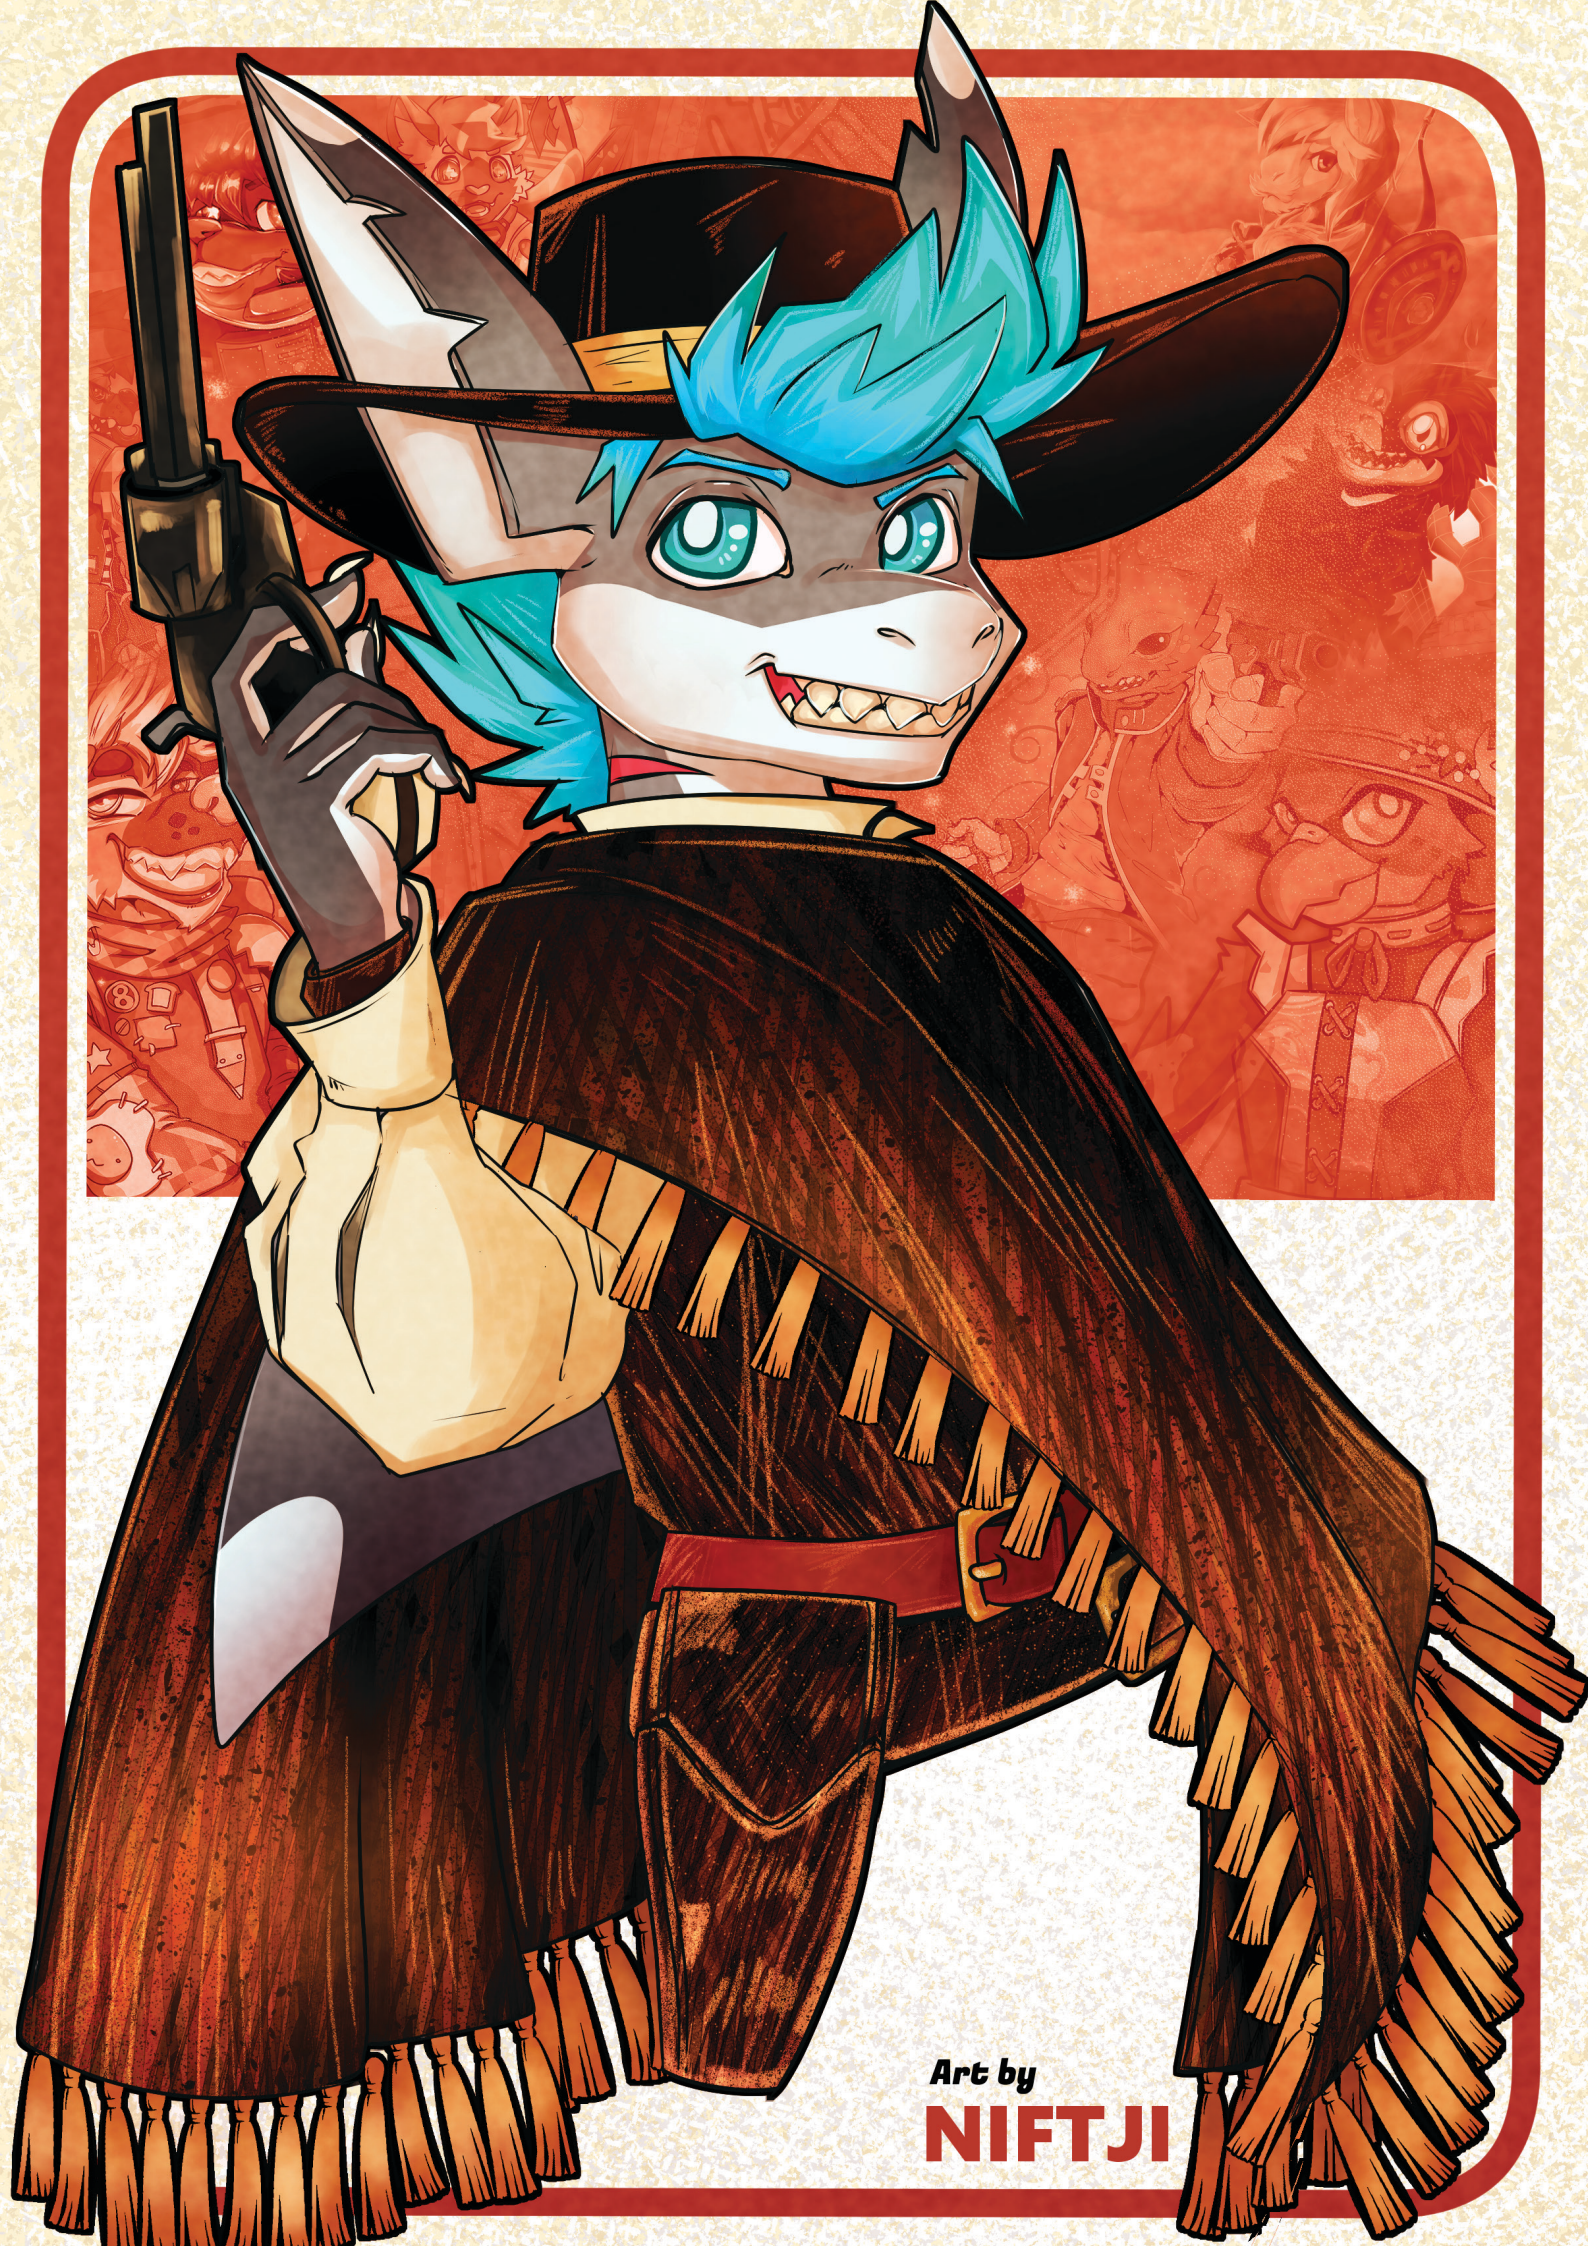

Kaneda, Megan, Victoria and indeed all the members of Rebel Empire, we thank you!

Times sure have changed and the current world we find ourselves in requires more love and support than ever before. We would like to Thank You All for your support. It is you, the attendees, that make WAFF the big event that it is, and it is you, that create this community who can come together for a weekend of fun and enjoyment.

We hope to see you all, and hopefully our eastern state friends as well, next year, at:
