SAFETY + CONDUCT

Ladies and gentlemen, gather round! Before stepping foot into the dazzling spectacle of WAFF's grand circus, it's imperative that we set forth some crucial rules to ensure the safety and enjoyment of all our guests. No clowning around when it comes to these rules - we won't tolerate any monkey business!

To begin with: the Golden Rule for every convention: 6-2-1:

- > Get at least 6 hours of sleep each night
- > Eat at least 2 meals per day
- > And have at least 1 shower each day

This will ensure you are ready to engage in the fun with us all weekend

If you are fursuiting this weekend we highly advise you get yourself a handler to help you navigate, especially during the Fursuit Walk and make sure you drink plenty of water during your suiting escapades.

Those who have come to see the fursuiters are asked to please be respectful. Always ask before hugging or taking a picture of any fursuiter. Try not to sneak up behind a fursuiter, remember their vision is limited in their suits.

Anyone wishing to take video footage or photos at WAFF must always be respectful of the other attendees at the convention. Always ask permission before taking any photos or video footage. If your media contains the faces of those who have not given permission, you must censor them. Please read the Terms and Conditions of WAFF before posting any media publicly. WAFF takes the privacy of its attendees very seriously.

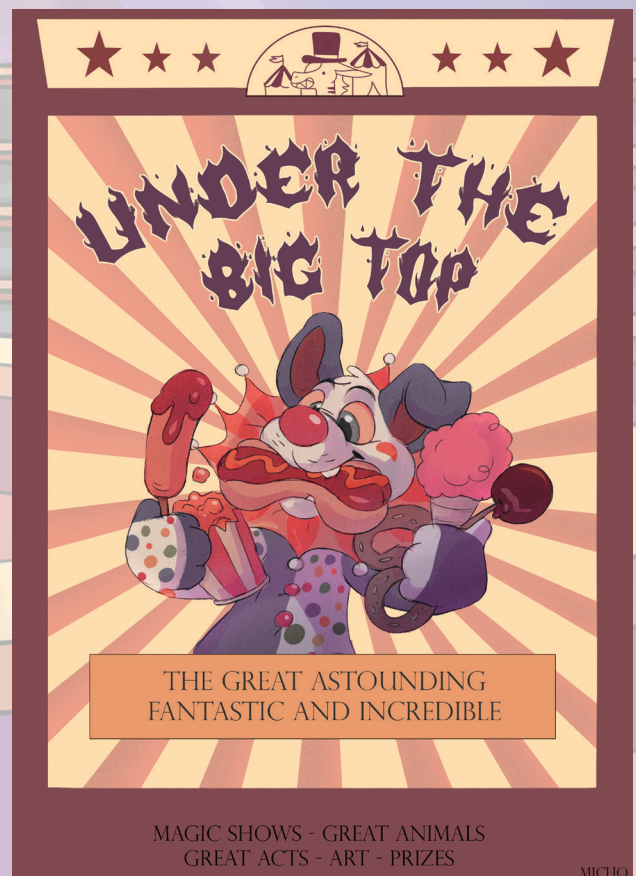

Make sure you have your Con Badges on you at all times when venturing into the con space. Be aware that WAFF is restricted to 18+ and you should always have a valid form of Photo I.D. which will be checked before you are given access to con space.

The venue is strictly non-smoking. If you wish to engage in such you may do so outside and away from any entrances of the venue.

If you need a hand with anything, have a question, or want some more advice, please feel free to talk to any of our staff or volunteers. You can recognise them by their ribbons on their badges. You can also get in contact through the official WAFF telegram chat group at: https://t.me/WAFF_Official

For the complete Code of Conduct please view it on our website at:

<https://www.waff.net.au/terms>

GUEST OF HONOUR

8-BIT

8-Bit Current Artwork

Eight is a digital artist and Fursuit maker who runs 8Bit-Works, based in Victoria. Crafting costumes since 2012, she aims to keep making unique and adorable creatures!

- What made you decide to start doing art/crafting? and how old where you?

I've always loved drawing! When I was very young my favourite thing to draw was my family's many pet cats. As I grew older I found community on deviantArt around 2009

when I was 14, drawing wolves and lion king characters. Inspired by my peers I developed into a digital artist drawing mainly feral characters and OC's. I made a lot of online friends in that time and I honestly miss them! I was a cosplayer, using my craft to create props and costumes. Then in 2012 I started my first quadsuit/fursuit project inspired by the work of the amazing BeastCub!

- What got you into furies?

When browsing deviantArt and Youtube I eventually came across the work of BeastCub, a fursuit maker and crafter from the United States. Their quadsuits were truly incredible to me and I wanted to try my hand at making one! That is when I found out about furies and fursuits, and the wonderful creativity of everyone involved in this community.

- What is your favourite thing to draw/craft?

Honestly, I can't really think of a specific thing! love drawing and crafting cute things. Things that make me and others happy. I love designing a character in my mind, drawing it and ironing out the details, then being able to translate that into a 3D tangible piece is very satisfying for me.

Every year we witness a feat in selflessness and generosity, WAFF would not be possible without the dedicated help of Rebel Empire Workshops! From their brilliant performances, to running a ton of events during the convention, as well as keeping a sharp eye on our venue to make sure everyone is having a safe and fun time.

Despite the many burdens they carry, they still turn up time and time again to help WAFF and we will forever be in their dept.

Kaneda, Megan, Victoria and indeed all the members of Rebel Empire Workshops, we thank you!

After 3 long years, we have finally had the pleasure of bringing you Under the Big Top!

We would like to Thank You All for your support. It is you, the attendees, that make WAFF the big event that it is, and it is you, that create this community who can come together for a weekend of fun and enjoyment.
