Do you know that in Pathfinder, you can play as a catfolk, a lizardfolk, a minotaur, a (not)gnoll, a magical tanuki, an awakened animal of ANY kind (even as a fish in a tank), a dragon-blooded ANYTHING, or 20 other options I don't have space to list? Or Some Kobolds. Pathfinder is a D&D-like traditional fantasy tabletop RPG with a strong focus on character customization and teamwork. In this adventure published for Free RPG Day, "Little Trouble in Big Absalom", you will choose 1 of the 5 pre-generated kobold characters to explore the expanded underground world of a metropolitan city. This is a full-length TTRPG session that will take 3-4 hours to complete. No prior experience with roleplaying is needed, though you do need to be open to learn a few rules; I will provide guidance as we play. Seats will be offered to the first 5 players joining. I would like to run the game from beginning to end, so please plan your day ahead before decide whether to participate.

How to ACTUALLY Be a Popular Furry Creator

 Harbour C

 Finn the Panther

Anyone can be a creator in the furry fandom; the community is made up of makers! But what if you want to stand out and make a name for yourself in the furry creative space? Thankfully, there is little luck involved in growing in the creator space in the fandom and as a creator myself, here is what I've learned about making a name for yourself as a furry creator!
