An Escape Room is like a real life video game puzzle room - teams of up to 6 people will solve puzzles and unlock prized containers by using clues, hints, and tools that everyone finds around the room before the 30-minute timer runs out! Your team is called on by Pounce the magician as emergency stagehands to help assemble and prepare the show's finale - 30 minutes should be plenty of time, but when you head backstage, you realize that everything's been rearranged, some of it even packed away! You have to act fast - will the audience be disappointed with a dud of a trick, or will you be able to give them the finale they deserve? The show must go on!

This game will NOT be held at any other convention, and you can take home select pieces with you as they get sold during the charity auction! An Escape Room is like a real life video game puzzle room - teams of up to 6 people will solve puzzles and unlock prized containers by using clues, hints, and tools that everyone finds around the room before the 30-minute timer runs out! Your team is called on by Pounce the magician as emergency stagehands to help assemble and prepare the show's finale - 30 minutes should be plenty of time, but when you head backstage, you realize that everything's been rearranged, some of it even packed away! You have to act fast - will the audience be disappointed with a dud of a trick, or will you be able to give them the finale they deserve? The show must go on!

All About RAWR!: The Furry Fandom's Only Residential Writing Workshop

 Panels 4

In 2015, a group of furry writers gathered together to start planning for the furry fandom's first (and currently only) residential writing workshop experience: the Regional Anthropomorphic Writers Retreat. The retreat takes place in a live-in setting where up to six writers live, breathe, and eat together while honing elements of their craft by critiquing, through lectures, and through individualized coaching. Today, RAWR is a program of the Association for the Promotion of Anthropomorphic Writing, Incorporated, a federally-recognized 501(c)3 tax-exempt public charity dedicated to educating, promoting, and raising awareness of furry writers, and providing writing-associated content education to the general public. The purpose of this panel is to provide information about the Regional Anthropomorphic Writers Retreat, including costs, expectations, and the application process. Photos of the previous classes will also be shared and there will be time for general questions. Note that this is NOT a writing workshop session; no writing will be shared or critiqued at this presentation.

The parade typically ends inside the Dead Dog dance. (Don't tell the DJ. It's much more fun when they don't know what's coming.) Want to LEAD THE PARADE?
